A very enjoyable time was spent at Cedar Hill school grounds last Friday afternoon the occasion being a flag raising. The trustees F. Byron Bull, John Flemming and J. Sterling Peabody were active in securing the flag and in making arrangements for the raising. It was a lovely afternoon and at the hour set upon for the proceedings to begin there was a large audience embracing representatives from all the families in the neighborhood, and many others from outside. C. L. Smith presided, and music was furnished by the choir of Christ church aided by the Misses Hay, Messrs. Irvine Dibblee and Norman Loane of town. To the strains of "Up With the Union Jack," Miss Harmon the school teacher slowly raised the flag to the top of the sightly pole. Rev. Mr. Teed, Richmond, was the following speaker and he referred to the absence of Archdeacon Neales who had shown so much interest in this school. Addresses were made by F. B. Carvell, M. P. P. T. C. L. Ketchum and H. Paxton Baird, and music was given by the Misses Hay and the chorus, the Soldiers of the Queen being a favourite with the assemblage. Little Miss M. Oliver gave a recitation. Colin Wetmore recited the Flag of England and Miss Fannie Raymond the Charge of the Light Brigade. "God Save the Queen" brought the proceedings to a close, after which all enjoyed a pleasant repast.

Election in Kings

The writ has been issued for an election in Kings consequent on the taking of office by Hon. Mr. Pugsley. Nomination has been fixed for Sept. 20 and election for Sept. 27. If the opposition propose to put up a candidate, which is far from certain, they will have to hurry, as there are only thirteen days before nomination. The writ for Queens has not been issued, and it is probable the election will not take place until a few weeks later.

Presentation.

Miss Muriel Jones of this place and Mr. G. S. Everett of Presque Isle were united in marriage by Rev. Mr. Marr last Wednesday morning the 5th inst. The wedding was very quiet. We shall all miss the now Mrs. Everett very much, as her amiability had made her a favorite with the whole community. On Tuesday evening her Sunday school class, the Superintendent, and several of the Teachers and other scholars gave her a surprise party at her home. They had a very pleasant time and going out they all shook hands with her and wished her joy and happiness in her new sphere of life. They presented her with a fitting token of their esteem and the following address.

Miss Muriel Jones Upper Woodstock;

Dear Friend and Sister Worker in our Sunday School;—As you are about to enter into the holy bonds of matrimony, and as it is your intention to depart from our midst on the morrow, we have taken this opportunity of gathering here this evening to say farewell and to wish you God speed. We shall miss you very much in our school, where, by your constant attendance and untiring devotion you have become endeared not only to your class here present but to the school in general. We hope you will not think this merely a matter of form, for it is the earnest desire of all present to express our kindest regards to one who has been brought up in our midst, with whom we have associated from childhood, and to whom we are attached by the strongest ties of friendship. We wish you every happiness and prosperity in the new stage of life which you are about to enter upon. We hope and feel that in your future home you will acquire a new circle of friends, with new duties and family ties, which will be nearer and dearer to you than we have been; and that in your happiness you may not forget your old friends at Upper Woodstock, we here present to you this gift which is but a small token of the esteem in which you are held by us.

We hope you will have a pleasant trip to your future home, with nothing to mar your happiness and that, when the trials of after life do come, as we know they must, you will have the kind hand of Providence to sustain and comfort you.

Yours In Friendship,
Upper Woodstock Union Sunday School

SERIOUS ACCIDENT.

CHARLES P. CLARE FELL FROM A STAGING MONDAY LAST.

While working on Mr. Franklin Bull's house, five miles below town Chas. P. Clare met with a serious accident, which will confine him to his home for some time. He was putting up a staging, and tacked one end of it temporarily, while he nailed the other end in place. He kept on putting up the staging forgetting that he had only put one nail in the first board at the start, with the result that the staging gave way and Mr. Clare fell, striking on the edge of the verandah below and thence to the ground. He was taken home in an unconscious condition, and did not revive until after nine o'clock, four hours after the accident happened. Dr. Hand was summoned, and found that Mr. Clare was injured on the head and arm, and badly shaken up.

Carleton County Exhibits.

The St. John exhibition will have good representation from Carleton County and vicinity both in attendance and exhibits. Judging from the entries which have been forwarded from here, some prize money will come back to this county. The variety of the exhibits being sent from this section must serve to show the observer at the exhibition how many are the lines of industrial and agricultural pursuits that may be successfully carried on here. There will be considerable interest felt in exhibits of Carleton County flour manufactured here from wheat grown in our own fields. Mr. G. A. Brittain, of Bristol, and Mr. J. M. Fripp, of Woodstock, have sent exhibits of this kind, the product of their mills.

The county will also be represented in the poultry department, which, all reports say, will be larger and more complete than ever before and will probably be the best poultry show ever held in Canada. Mr. Charles W. Hurst, of Hartland, has forwarded his entry for 21 birds and favorable returns are expected by him.

In stock and cattle among the exhibitors from this section will be Donald Innes, of Tobique river. James B. Adam, of Kilmory, will have a herd of cattle ready for competition with the best. Josiah R. Murphy, of Woodstock, will send his stallion "Pure Wilkes." Gallagher Bros., of Woodstock, will also claim attention in the stock exhibit.

In dairy products, Mr. Frank E. Anderson of Andover is sending some choice butter; the New Denmark Cheese and Butter Company of Salmonhurst in the neighboring county of Victoria, will make a large exhibit of cheese. Along other lines, A. S. Magee of Berwick will be represented by a good showing of fruit, wheat, and vegetables. Frank E. Henderson of Andover will also send wheat in which he has entered for the sweepstakes prizes. Donald Innes' exhibits will include a flock of sheep, also wheat, barley, rye, oats, buckwheat, peas, beans, grains, and seeds.

The local competition will be quite interesting, and the standing of the exhibits sent from this section in comparison with those from all parts of the Maritime Provinces and other points in the Dominion will be observed with more interest, and Carleton County will not in any way fear the result. Many are talking of taking advantage of the excursions from here to attend the exhibition which is expected to surpass all previous ones.

On Friday Sept. 14th a special train will leave Woodstock at 7.45 a. m. when tickets good to return Sept. 18th and including admission to Exhibition will be sold at Woodstock, Debec Junction, Benton and Canterbury at \$2.25. On Thursday Sept. 13th there will be a special excursion from Edmundston to Newburg Junction with rates from 3.25 to 2.25 good to return on the 17th.

The Excitement Reported in the Tea Market is Wearing off.

In an interview with Mr. T. H. Estabrooks today we learn that the primary Tea markets are easier. Cables from Calcutta, Colombo and Foochow all report the market as being lower, and considering the quality, prices today are as low as at any time during the season.

Mr. Estabrooks several weeks ago expressed the opinion that there would not be any material advance and strongly advised his customers not to buy large quantities on speculation. It would seem now that this was good advice.—St John Telegraph.
