

Tired Housekeepers.

Disordered Kidneys bring them a multitude of pains and aches.

How often women give out before the day's work is fairly begun and sink into a chair utterly worn out. But the housework must be done even though the back does ache, and the head feels ready to burst. These women can't understand why they are never strong, why the night does not bring rest, why they are always tired, have no appetite and seem to be pains and aches all over.

As a rule the real cause of the trouble is the last one thought of.

It all comes from the kidneys. These delicate little filters of the blood get out of order, and as a result the uric acid and other poisons that they ought to carry off are sent back into the system.

There's no use trying to get relief until the kidneys are restored to health.

The easiest, safest, quickest way to accomplish this is to take Doan's Kidney Pills—nature's own remedy for all kidney diseases and derangements.

Mrs. Martha S. Frost, Little River, Digby Co., N.S., recently wrote as follows: "I have much pleasure in stating that Doan's Kidney Pills have wonderfully improved my health. I had been suffering with lame back for a number of years and at the time I began taking Doan's Pills I was almost unable to do any housework."

"I have used three boxes and must say they have taken the pain out of my back and restored my strength. I don't think there is any other medicine equal to Doan's Kidney Pills for kidney troubles."

Merely an Example.

"I was born and brought up on a farm, where it was part of my father's religion that we boys should always rise at four in the morning, summer and winter. Although we had learned from bitter experience that our father's summons was not to be lightly disregarded, we found our warm beds on a cold winter's morning so alluring that we sometimes tarried there until our father arrived with a strap, and yanking the luckless youngster out, proceeded to strap all desire to remain in bed out of him.

"It was my misfortune to sleep in the room at the head of the stairs, and I was the first and in many cases the only victim, for my howls, as the strap fell, caused my brothers to jump into their trousers before my father had placed the finishing touches upon me. It was an injustice and I brooded over it for some time and finally spoke to father about it, saying that I objected to making an alarm clock out of myself for the benefit of my brothers. But his only answer was that he didn't care which one he got hold of, as it was only the effect he was after.

I think it was that unlucky remark that caused me to do what I did.

"One cold winter's night we received a visit from the minister, who lived quite a distance away, and my father insisted that he should not dream of going home, but pass the night with us, a proposition that the minister gladly accepted.

"It was while I was lighting the visitor upstairs that I conceived the idea of putting him in my room and taking the spare room myself, thinking that if it was only an example that father wanted, the minister would do as well as I.

"The next morning my father, receiving no reply to his summons, mounted the stairs, strap in hand. It was dark and he had to grope his way in and feel for the bed. With a heavy jerk he had the parson on the cold floor and applying the strap before the innocent man was fairly awake. It was only when he awoke the house with his howls that father realized that something was wrong.

"When a light was brought and the situation explained the minister received a most abject apology from my father. What I received is a matter of private history, and is neither here nor there."

SORE THROAT.

Mr. Chas. Johnston Bear River, N. S., says: "I was troubled with hoarseness and sore throat, and after taking three bottles of Dr. Wood's Norway Pine Syrup I was entirely cured."

Care of the Baby.

Here are a few reasons why healthy babes do not flourish as they should:

Irregular Feeding.—Feed the child at stated times—not whenever it cries. The cry may mean that it had too much already.

Unwashed Bottles.—Baby's bottle should be well washed, including the nipple, after each meal. A bottle that cannot easily be washed and with long tubes should be avoided.

Starchy Food.—No infant can digest starch and therefore should not be given bread crumbs, corn flour or other starchy substances.

Insufficient Food.—A hand fed baby requires its food to be gradually increased in strength and quantity as the week go by.

Tight Clothing.—A baby's clothes should be warm, yet light; the band firmly but never tightly fastened.

Want of Cleanliness.—Infants require to be washed in warm water every day and often do not thrive because the bath is omitted.

Aroused at Last

To the terrible ravages of consumption in Ontario, the Government is petitioned to establish hospitals for consumptives. As a preventative to consumption there is no treatment to be compared to Dr. Chase's Syrup of Limes and Turpentine which promptly and effectually cures every cough and cold. It has by far the largest sale of any remedy for throat and lung troubles. 25 cents a bottle. Family size 60 cents. All dealers.

An Apple Eater.

During a visit to the south of England a gentleman was met with who related a unique and most interesting experience in dietetics. It was that for the last three years he had lived on one meal a day, and that meal was composed chiefly of apples! Further astonishment was evoked by his reply to my question as to what he drank when he stated that the juices of the apples supplied him with all the moisture or drink he needed. This, he claimed, was of the purest kind, being in reality water distilled by nature and flavored with the pleasant aroma of the apple. He partook of his one meal about 3 o'clock in the afternoon, eating what he felt satisfied him, the meal occupying him from 20 minutes to half an hour. He looked the picture of healthful manhood and is engaged daily in literary work.

China's Long Bridge.

The longest bridge in the world, it is recorded, the Lion bridge, near Sangang, in China. It extends 5 1/2 miles over an area of the Yellow sea and is supported by 300 huge stone arches. The roadway is 70 feet above the water and is inclosed in an iron network. A marble lion, 21 feet long, rests on the crown of each pillar. The bridge was built at the command of the Emperor Keing Long.

A Sensible Kansas Girl.

A Kansas girl graduate who had been given the theme, "Beyond the Alps Lies Italy," promulgated the following: "I do not care a cent whether Italy lies beyond the Alps or Missouri. I do not expect to see the river on fire with my future career. I am glad I had a good, very good education, but I am not going to misuse it by writing poetry or essays about the future woman. It will enable me to correct the grammar of any lover I may have, should he speak of 'dorgs' in my presence or say he 'has went' somewhere. It will also come handy when I want to figure out how many pounds of soap a woman can get for three dozen eggs at the grocery. So I do not begrudge the time I spent acquiring it. But my ambitions do not fly so high. I just want to marry a man who can 'lick' anybody of his weight in the township, who can run an 80 acre farm and who has no female relatives to come around and try to boss the ranch. I will agree to cook good dinners for him that won't send him to an early grave, and lavish upon him a whole lot of wholesome affection, and see that his razor has not been used to cut broom wire when he wants to shave. In view of all this I do not care if I do get a little rusty on the rule of three and kindred things as the years go by."

Worms are dangerous, often bring on convulsions and death. If your child is suffering from them, administer Dr. Low's Pleasant Worm Syrup which is safe and always effectual. Price 25c.

Mrs. Dodge's Little Admirer.

One day on a railroad train Mrs. Mary Mapes Dodge sat beside a girl about 14 years of age. When the newsboy, with his books and magazines, appeared, the little passenger asked the grandfather to buy a magazine which contained one of the installments of Mrs. Dodge's most successful story, "Donald and Dorothy." Naturally Mrs. Dodge watched the result with the keenest interest, and when she saw the girl had nothing with which to cut the pages she opened her satchel to find a substance for a paper knife. Finally, seeing one of her own visiting cards, there came the happy thought of offering it and of watching for the surprise that would follow as a climax to the incident. The girl took the card, carefully cut the pages of the magazine and then returned it, with a smile and a bow, becoming absorbed again in the story. She does not know until this day that the famous author was the kind lady sitting next to her, and the famous author tells the incident as a joke upon herself.—Saturday Evening Post.

His Comparison.

When you eat, be careful to leave off hungry, is advice often given at the dinner table, but seldom received in an obedient spirit. The caution was repeated not long since to a youngster of vigorous appetite. "Pshaw!" he said. "You might as well tell me to wash my face and be careful to leave off dirty."

Cures Biliousness.

"I have tried Laxa-Liver Pills, and find them an excellent medicine for Indigestion and Biliousness. J. McCallum, Stouffville, Ont.

Gratitude.

If you's born a bumble bee,
You's gotter buzz an' work;
Ef you is a song bird,
You mus' sing an' never shirk;
Ef you is a squirrel,
You mus' hop f'um tree to tree;

Ef you is a hornet,
You mus' hunt foh folks to sting;
Ef you is a butterfly,
You's always on de wing.
So I shets my eyes contented,
An' I loaf de bes' I can,
An' I's feelin' mighty thankful
I was born a culled man.

SALT RHEUM.

A Severe case Permanently Cured by

"I had Salt Rheum in my face and hands for three years and could not get anything to cure me till I used Burdock Blood Bitters. "On taking the first bottle there was a great change for the better and by the time the second bottle was finished I was completely cured and have had no return of the disease since. "I have great faith in B.B.B. as a cure for blood and skin diseases." Miss Maud Bruce, Shelburne, N.S.

A SARNIA LADY

Tells How Milburn's Heart and Nerve Pills Cured Her Nervous Troubles and Strengthened Her Weak System.

Milburn's Heart and Nerve Pills are an inestimable boon to anyone suffering from any disease or derangement of the heart or nerves or whose blood is thin and watery.

Mrs. E. Hornum, of 115 George Street, Sarnia, Ont., is one of those whose experience with this remedy is well worth considering.

It is as follows:—"I am pleased to recommend Milburn's Heart and Nerve Pills to anyone suffering from nerve trouble, no matter how severe or of how long standing.

"For years my nerves have been in a terribly weak condition, but Milburn's Heart and Nerve Pills, which I got at Geary's Pharmacy, have strengthened them greatly and invigorated my system, leaving me no excuse for not making known their virtues.

"I cannot refrain from recommending these pills to all sufferers as a splendid cure for nervousness and weakness."

Secret of Success Disclosed.

"I," said the gentleman who had fairly prospered, "am humbly proud of the fact that I took 'Get thee behind me, satan,' as my motto when I began business life."

"There is nothing," said the second gentleman, who had measured business wits with the first gentleman, "like having good backing."
