## THE TEMPERANCE AND GENERAL LIFE ASSURANCE COMPANY.

without a dollar of interest overdue, an unbroken record for 6 years. without a dollar's worth of real estate ever having been owned by the company. without ever having foreclosed a mortgage. with much stronger reserves than the law requires with a much larger new business than in any previous year. with the lowest death rate on record for so long a period in our Temperance Section of any company any where. with a premium income for '99 of \$215,755.57 with an interest income of 27,212.20 with an increase in total income of 30,288.10 with an increase in assets of 127,291.44 with total assets amounting to 794,505.66 with an increase of 1,293 policies and 1,117 lives. with an increase of insurance in force of \$1,452,441

with insurance of \$7,265,460 under 6,593 policies on lives of total abstainers classed by themselves. with a new business applied for of \$2,966,836 with a total insurance in force of \$9,436,300 with a death rate in our fourteenth year of only \$5.00 for each \$1,000 of average risk carried during the year. with a record for care and economy unexcelled. with experience to show that abstainers are better risks than non-abstainers. with a recognized standing as the total abstainers company in Canada. Such has been our record. It is a record of steady, solid progress, and we are proud of it. Where is there a cleaner record, or one that can beat it in any respect? Surely The T. & G. is the Best Company for the Best Risks.

Special Agent, Woodstock, N. B.

**E. R. MACHUM,**  
Mgr. Maritime Provinces, St. John, N. B.

### THE COUNTY GAOL.

#### Much Needed Improvements Made in the Gaol and Court House.

If a new jail is out of the question and we can't have one, the County Council has done the next best thing and one has to admit that they have done it rather well.

They have added to the West end of the building a new part 16 1/2 x 30 which with two rooms in the old building will be used as the dwelling of the jailer. Two new cells have been added and concrete floors have been put in five of the cells. Two of these rooms, one up stairs and one down are being made with steel frames.

From a spring about three quarters of a mile away, on Henry Golding's farm, a supply of water is brought and carried into every cell of the jail and into the kitchen and the bath room of the dwelling and into the barn. There is a first class wet closet in all these cells into which the water runs. The jail is heated with a furnace and the floors about the grates are secured with plate iron securely bolted. The Council has supplied the jailer with a reel of hose which can be attached to four or five places on the premises in case of fire and a good stream of water developed.

In the Court House the Council has been very good to the general public and to the Barristers. The Barristers room has been enlarged until now it is 23ft x 14ft in size. There is a good wet closet off it. Off the main hall there is also a wet closet for the public. A room for witnesses and other attendants at court has been fitted up over the Barristers room. This has been carpeted and made comfortable and will be well heated in winter.

Mr. Jones says there is no better jail residence in the province than the one at Upper Woodstock and we need not take a back seat from any County for a jail.

The jail committee, composed of Albion R. Foster Chairman, David Phillips, William Balmair, William S. Saunders and Harry Carvell, met at the jail on Monday and inspected the work of Mr. Churchill the plumber. They found it all right, passed it and took it off his hands.

### TOCURE ACOLD INONE DAY.

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c. E. W. Grove's signature is on each box.

### Golf.

The ladies' first handicap tournament was held Friday afternoon on the links, and proved to be a very interesting affair. The competition brought to the front some lady golfers who promise to be experts shortly in the ancient and royal game. Decided improvement has been made by all who played on Friday, particularly Misses Denison, Dibblee, Welch, Bourne, and Mrs. Holyoke, the first three of whom played it in 63, 65 and 69, respectively. Miss Jessie Denison, who plays in splendid style, was the lucky winner of the first prize; Miss Kathleen Bourne was successful in capturing the second, and Miss Ethel Bourne won over the next best score, 95, made by Miss Dibblee.

Another handicap tournament is being arranged for the men golfers for next Friday and Saturday afternoons. The contest will be for a caddie bag, and played over thirty-six holes (medal play) eighteen holes each day. The competitors should hand in three scores for 18 holes, preferably those made on Tuesday, Wednesday and Thursday, upon which to base their handicap. This will be the most important event of the season, and should arouse much interest among the competitors. The entrance fee, 25 cents, should be paid on Thursday to B. M. MacLeod.

### LEWIS BLISS INJURED.

**Painful Accident at Hale & Murchie's Mill**  
Lewis H. Bliss, accountant at Hale & Murchie's mill, met with a serious and painful accident yesterday afternoon. It appears that he was on his way to the mill fire house to speak to one of the workmen and was in the act of passing the gate way of a sluice used for conveying wood to the furnace, when a stick about four feet in length shot out and caught him squarely between the eyes. He was stunned by the blow and received an ugly cut on the nose and another just above the eye. Dr. Gregory was quickly on the scene in response to a telephone message, and rendered the necessary surgical aid, after which the injured man was removed to the residence of his brother, Fred St. John Bliss. At last accounts he was resting easily and expected to be at work again in the course of a few days.—Fredericton Herald.

The W. C. T. U. Carleton County Convention met yesterday at Hartland. Among the speakers were Rev. W. S. Martin Woodstock.

### Prize Winners.

Among the prize winners at the St. John Exhibition J. C. Manzer of the Andover Creamery got 1st prize for butter for export and the Carleton Creamery Company got second. These two winners divided the 1st prize for print creamery butter.

F. E. Henderson, Andover, got a prize for crock butter.

The J. W. Hall Milling Co., Edmundston, took 1st prize for flour ground from New Brunswick wheat and 1st for flour ground from imported wheat.

J. M. Frupp, Woodstock, took 2nd prize for flour ground from New Brunswick wheat.

Charles W. Hurst, Hartland, took several prizes for poultry.

J. B. Adams, Kilburn, took several prizes for Polled Angus Cattle.

H. E. and J. W. Gallagher, Woodstock, got a prize on Baron Almater in the Standard Breed Stallion Class.

Donald Innes, of Tobique River, got a large grist of prizes. In the grain classes he got five 1st prizes and one 2nd, and he got 1st prize for the best collection of grain grown in the Province. Mr. Innes also got two prizes for potatoes and one for onions.

Hedley T. Grosvenor, Meductic, got 1st prize for peaches and 1st for grapes.

### Death of Mrs. Baird.

Sarah Ann Baird, widow of the late Col. William T. Baird died at the residence of her son, Willow Well, Grafton Thursday night September 13th, aged 80 years and 4 months. Mrs. Baird was a Miss Shea daughter of the late John Shea a well known lumberman of Grafton. She leaves two daughters Mrs. Ayer, wife of Dr. Ayer, Anherst N. S., and Mrs. Marshall St. Stephen, and two sons Col. John D. Baird Grafton and H. Paxton Baird of Woodstock. Mrs. Baird was a charming woman, her character was a lovely one, and she was highly regarded by all who knew her. The funeral took place from Willow Well on Saturday afternoon at 2 o'clock. The pall bearers were her two sons Col. Baird and H. P. Baird, son-in-law Rev. Thomas Marshall and her grandson Sandy Baird. The funeral was largely attended, the Rev. Mr. Marr officiating, assisted by Rev. H. E. Thomas and Rev. Thos. Todd. The hymns "Asleep in Jesus," "Rock of Ages," and "Abide with Me," were sung by the choir.

### Atherton-Everett.

Mr. Walter C. Atherton, of Woodstock, was united in marriage to Miss Effie Everett, of Everett, Victoria Co., Wednesday Sept. 12, by Rev. W. S. Martin of Woodstock. The wedding took place at the home of the bride's parents Mr. and Mrs. Geo. S. Everett, Everett, N. B., in the presence of a large company of relatives and friends. The ceremony was performed at 10 a. m. and soon after noon Mr. and Mrs. Atherton bade their friends farewell and started for their home at Woodstock. Upon their arrival at Woodstock a reception was tendered them at the home of Mr. and Mrs. W. A. Clark on the Houlton road, by a number of their Woodstock friends. Many rich and useful presents were given them by their many friends, and all who know them will wish them many years of happiness in their married life. Mr. and Mrs. Atherton will be at home to their friends Sept. 24, 25 and 26 at their home on Division St.

### Salvation Army Appeal.

ONCE more we are reminded of the power of God by the return of harvest and the fulfilment of that promise "while the earth remaineth seed-time and harvest shall not cease." The Salvation Army are celebrating this beautiful season by a "Thanksgiving Festival" held in Sept. 29, 30, Oct. 1 and 2. The object of this Festival is two fold, praise to God for His goodness and the raising of money for the extension of their work. Why should the people of Woodstock help in this effort? How can they help? They should help because they have so much to be thankful for, being not only a bountiful harvest out peace and quietness, good health and all necessities. While we have been enjoying the beautiful summer days in healthful work and recreation many people have been suffering from the effects of war, famine, brutality, storms, fires, floods accidents etc. What shall we render to God for all His benefits? You can render thanks in a small way by giving some gift either in cash or goods to the Salvation Army's Harvest Festival in your town. Vegetables, eggs, butter, meat, fruit, hardware, dry goods, poultry or anything saleable thankfully received. Will you kindly either send your gift or let the officers know and they will call for them as the town will not be canvassed this year. In next issue I will tell you how the money will be spent. Yours in Christ, Kate Welch, Capt.

### A Combine in the Tea Trade.

There seems to be a combine in the Tea trade in St. John, not a combine in the sense that this word usually conveys, but if one is to judge by the displays in the windows and on the shelves of nearly all our grocery stores, there must be a combination among them to sell "Red Rose" Tea.—St. John Gazette.

### Prospered in the West.

Eighteen years ago a Fredericton boy left home for Canadian west to carve out a name and fortune in that undeveloped country. He was J. Fred Hume, son of late George Hume and brother of the Mrs. Wesley Vanwart, and by industry, sobriety and ability he has achieved a prominent place in the business and political life of British Columbia and is entitled to write the prefix Honorable to his signature.

Mr. Hume settled at Nelson when it was in its pioneer days, and opened up a mercantile business which prospered and made its proprietor independent in this world's goods. He went into mining and succeeded in that branch of industry, and then he turned his attention to politics. The town of Nelson elected Mr. Hume to the British Columbia legislature, and he was not long a member of that body before he became minister of mines, holding that position until a few months ago when the tangle that sprang up from Hon. Joe Martin's appearance resulted in the Semlin-Hume ministry being overthrown. In the recent contest Mr. Hume did not seek re-election, and for the time is free from political care and worry. He has large business interests in British Columbia however, and resides at Victoria, where with his family he occupies one of the elegant houses of the city.

Mr. Hume came to New Brunswick a couple of weeks ago, with his wife and children, and has been visiting his wife's family home in Carleton County, and the St. John Exhibition. He arrived here this morning registering at the Queen and has been busy all day renewing his many old acquaintances. It is twelve years since he visited his native city, and he notes many changes. Mr. Hume proposes bringing his wife and family, now in Carleton County, here shortly and looks forward to spending some pleasant days in Fredericton.—[Mr. Hume is a brother of Mrs. Geo. E. Balmair of this town.]

### Letter From Lieut. Good.

F. B. Carvell, M. P. P., of Woodstock, is in receipt of a letter from Lieut. W. C. Good of E. Battery second Canadian contingent dated July 31st. Mr. Good reports that seven or eight of his men were, off and on, in hospital, but none seriously ill excepting Brewer, who was invalided home to England and is now in Netley hospital. At the time of writing Mr. Good was in Kimberly, but had just received orders to take his section and join General Baden-Powell in the move to Pretoria. Mr. Good's quota had been in several small actions. They expect to come home by way of England, but at the time of writing had no idea when orders to leave Africa would be given. There are several Fredericton boys with Lieut. Good, including the Tibbits, Parker, Lynn and others.

### Wiggins-Goodspeed.

Rev. W. B. Wiggins, B. A., pastor of the Reformed Baptist church, Woodstock, will be a party in a pleasant event at Peniac York County, tomorrow when he and Miss Alice Goodspeed will be united in marriage at the residence of the bride's father. The ceremony will be performed by Rev. G. W. MacDonald.

### Red Rose Tea.

An interested crowd is always to be found grouped around the exhibit of Red Rose Tea, which Mr. T. H. Estabrooks is making. A practical illustration is given at this booth of the regular work done in the firm's warehouse in the way of weighing, packing, labelling and boxing the packages of tea which under the 'Red Rose' label have won such a reputation for quality in every market where they are offered for sale. A gang of boys dressed in neat khaki uniforms are seen first weighing the tea, then folding and filling the lead wrappers, next packing it by machinery, and finally labelling and boxing it. Various grades of tea, ranging in price from twenty-five to sixty cents, are being put up in pound and half-pound packages. The deft way in which the boys go about their work is very fascinating to watch, and Mr. Estabrooks could not have chosen a more skillful way of advertising his teas. All the tea that is being put up will be packed and shipped direct from the Exhibition to fill orders throughout New Brunswick and Nova Scotia. Some very large orders have been placed for this purpose by merchants who think it will prove a good advertisement for them. The Red Rose Tea finds a ready sale in the Maritime Provinces and in Quebec. Business is steadily increasing, and the packers are obliged to hustle to meet the demand.—St. John Globe.

**EGG NOVELTY.**—Remove the skins from firm, ripe tomatoes by plunging them into boiling water, then cool on ice. Cut a slice from the stem end and remove the core and seeds. Set them on a flat, buttered baking disk and break an egg into each. Fill up the remaining space with cream sauce, sprinkle the top with grated cheese, place the dish on a muffin ring in a pan of hot water and bake until the tomatoes are tender but not broken.
