THE RAILWAY BRIDGE over the Becaguimac is to be rebuilt soon. This will employ quite a number of men, most of whom, however, are already working for the C. P. at one place or the other. Two large bridges under construction should make Hartland a busy place this summer.

THE JOURNAL OF COMMERCE SAYS:—"The Temperance and General Life Assurance Co., is in such a position as to attract those who desire life insurance under conditions that obviate all risk of its finances being manipulated to enrich a few stockholders at the sacrifice of the policyholders."

COMMITTEES have been in session this week in St. John considering the various departments of the exhibition prize list. This list will be revised, printed and ready for distribution in June. Anyone wishing a copy should send name and address to the Secretary, Chas. A. Everett, St. John, N. B.

IT HAS been recommended by the Dairy Committee of the St. John Exhibition prize list that the butter making competition which last year evoked so much interest should this year be continued and also that inducements be offered to have cheese made on two or three days in the Dairy Department.

THE ELECTIONS in British Columbia resulted in the defeat of the Martin government, by a large majority, although Martin himself was elected in Vancouver City. Among the four members elected in that city was James Garden, a brother of the Messrs. Garden of this town, and who is also mayor of Vancouver.

BALLOCH is showing this week, children's white cloaks at reasonable prices, girls bicycle gloves, belt-buckle, ribbons, veiling, laces, blouse waists, hostery and corsets in all sizes from 18 to 36, also curtain nets, bunting in plain colours red white and blue at 6c per yd, and a fine assortment of prints and figured muslins.

GOLF is very popular, this season, and every fine afternoon and evening the links are well attended. Some good scores have been made, the best, either this season or last, being 44, made last week by Mr. Hugh S. Wright. Rev. G. D. Ireland, G. A. Williams and Norman Loane may be looked for as possibles to beat this record.

An interesting wedding took place at Perth Centre, on the 5th when Mr. James Davis of the C. P. R., and Miss Grace Brewer of Perth Centre, were married. Rev. J. R. Hopkins officiated. The bridal party left on the C. P. R. express to attend another wedding at Bristol, amid showers of rice and good wishes. The newly wedded couple will reside in Woodstock.

G. W. BOYER met with what might have proved a serious mishap on Tuesday. He was driving along that bad piece of road between Deep Creek and Pokiok when the colt he was driving shied and went over the step bank, rolling a distance of a hundred feet. The wagon was heavily loaded and the horse made such a sharp turn that fortunately the shaft broke away so that the vehicle did not leave the road. The horse lodged not seriously injured in some bushes, but Mr. Boyer was in a predicament to get her out. Finally neighbors came to rescue and by use of blocks and tackle the horse was lowered to the railway track below.

WEDDING.—St Gertrude's church on Thursday morning was the scene of a quiet wedding, when Rev Fr Chapman united in the holy bonds of matrimony Thos L. Fewer and Miss Maud A. Cogger. Mr. Fewer is a member of the plumbing firm of Fewer Bros; and the young couple are deservedly popular with all who know them. The bride was dressed in gray cloth with trimmings of cream and yellow lace. The bridesmaid was Miss Lizzie Cogger, sister of the bride, and Walter Cogger acted as best man. After the ceremony the bridal party drove to the home of the bride's parents where a sumptuous wedding breakfast was partaken of. The bride was the recipient of a large number of beautiful presents.—Sentinel.

Fitzgerald's for June trade, White Hats Leg-horns and Chip of all kinds, Sailors in the Khaki shade and white in all styles, Mousse-line de Soie, Chiffon in all the new Pastel and Khaki shades for trimming. S. E. PICKLES will open, Monday, next in Brown's building, Connell Street, a bakery and will be prepared to furnish at short notice wedding and birthday cakes and fancy pastry. THIS is the butter tub season and though C. M. Sherwood, at his Woodstock Store has sold an unusually large number of butter tubs in the last ten days he can still supply all comers. In the last car load of goods he received a large consignment of Windsor Dairy Salt, in barrels, boxes and bags. Butter makers would do well to inspect their stock before purchasing elsewhere.

NEVER in the history of C. M. Sherwood's trade has he sold half as much clothing in a given length of time as this spring. Two years ago he lost a little trade which went to Toronto. This caused him to make wide researches, looking very closely into the matter on all lines of goods, the result of which is today he is doing at least 25% better for his patrons than can be done at Eaton's or any where else, save Centreville, and will back up this statement by any sized wager, with competent judge. Wool wanted in exchange for cloth or clothing.

H. E. GALLAGHER may look for a good attendance at the first horse races of the season, Saturday the 30th inst, in the Trotting Park, and judging from the good entertainment he has given the past two years, the public may look for something good in the trotting line. Mr. Gallagher offers four purses, for 2 19 class 2 24, 2 29, and 2 50. These classes will give an opportunity for all horses of merit either trotters or pacers; and he expects to have a good field and give the public an afternoon of rare sport. Entries close on Friday the 15th instant.

A CAMP MEETING will be held at Meductic beginning Thursday evening June 14th and continuing until Sunday evening June 24th. Meetings will be held in the evening only on the opening day and two succeeding days but beginning on Sunday June 17th three meetings per day will be held. McDonald, Rev. B. T. Gaskin and other ministers will be present.

A VERY pleasant event took place on Wednesday, April, 25th at the residence of E. Shephard, of Watertown, Mass. on the occasion of the marriage of his sister Miss Hattie Isabelle Shephard to John William Porter of Boston. The bride was unattended, and looked very handsome in a gown of pearl gray silk. She carried a beautiful bouquet of white pinks and maiden hair ferns. Rev. I. K. Packard performed the ceremony in the presence of about 30 guests, after which refreshments were served. The bride received some very elegant presents, among them being a very fine Morris chair presented by the employes of the Waltham watch factory.

THE building of an immense pulp mill at Grand Falls, N. B., is now an assured fact and the plant will be the largest in the world and erected at a cost of \$7,000,000. One half the capital will be raised in the United States and the other half will come from British capitalists. The plans for the mill has been under preparation for two years and its capacity will be 300 tons of paper a day, 225 tons of ground wood pulp and 175 tons of sulphite pulp. This enormous production must rapidly despoil the magnificent forests of New Brunswick for it will take 525 cords of wood every day the mill is in operation. It will give employment to 1,000 men and will transform the quiet little provincial town into a busy manufacturing metropolis.—Caribou Republican.

THE following resolution was passed by Jacksonville L. O. L. No. 79:

WHEREAS our Heavenly Father doeth all things well though, sometimes his dealings with us seem mysterious, has in his infinite wisdom seen fit to remove from our midst the beloved companion of one of our brothers;

AND, WHEREAS, we his brothers do deeply feel for him in this his great loss so do we feel the loss we have ourselves sustained by the loss to the community;

THEREFORE RESOLVED, that the members of Jacksonville L. O. L. No. 79 do tender to our loyal and well beloved Brother Chas. Wheeler our heart felt sympathy in this time of his bereavement and point him to the great healer of all our sorrow;

AND FURTHER RESOLVED, that the R. S. send a copy of this resolution to the bereaved family and that this resolution be entered on the records of this Lodge and a copy in the local papers.

SEMI ANNUAL session of Carleton County L. O. L. will be held at Victoria Corner on Tuesday 19th at 2 p. m.

THERE will probably be a milking competition at the St. John Exhibition this year. Three prizes will be given for the three cows which give the largest amount of milk in one day. The number of pounds of milk, the amount of butter fat and the amount of other solids will all be considered and carefully weighed and tested by competent experts.

THE rule will this year be made imperative that all cattle, sheep and swine in the pure bred classes at the St. John Exhibition must show their certificate of registration. This rule has not been rigidly enforced in the past but the stockmen themselves are now demanding that it shall. Stockmen will do well to attend to the registering of their animals in proper time.

E. W. BELL of Bristol has 42 hives of bees. This is probably more than is owned by any man in these counties. Last year Mr. Bell sold 1400 lbs. of honey, and this season he expects to have a ton to put on the market if the clover is good. He is now buying a machine to separate the honey from the comb and this fall will be in the market with as good honey as any man in the province.

AN OTTAWA special despatch in Tuesday's Globe reported the receipt of a cablegram from Sir Alfred Milner announcing the dangerous illness from enteric fever at Wynberg Hospital, South Africa, of Capt. C. F. Harrison, of St. John. He is the only Capt. Harrison among the Canadians in South Africa, and went out as transport officer, sailing on the Milwaukee with the mounted infantry. Capt. Harrison was warmly commended for his work and the news of his illness will be heard of with sincere regret by his many friends in this city and province. Mrs. Harrison has received private news of his illness.—[Capt. Harrison is the grandson of the late Col. Tupper of Woodstock.]

MILLIDGEVILLE was the scene of a quite but pretty wedding on the 4th when Minnie, second daughter of Mr. Henry Codner, was united in marriage to Mr. William Lilley, Jr., of Woodstock. The bride, attired in a blue cloth travelling suit, trimmed with cream silk, and hat to match, entered the parlour, which was decorated with flowers, on the arm of her father, where she was met by the groom. The ceremony was performed by the Rev. R. P. McKim, of St. Luke's church. The guests included only the immediate relatives and friends of the contracting parties. After the wedding repast the bride and groom took the Canadian Pacific train for their future home in Woodstock. Miss Codner was quite a favourite at Millidgeville and received many handsome presents.—Ex.
