Regular and persistent use of Dr. Chase's Nerve Food is the only treatment that can be absolutely relied upon to stop the wasting process which saps vitality from the system. Dr. Chase's Nerve Food creates new rich blood, revitalizes the nerves and permanently cures all nervous diseases. 50 cents a box.

What we make

We Guarantee!

Britain's motto is:

What we have we'll hold!

It is likewise the sentiment of those who patronize our establishment. Many have endeavored to imitate Custom Tailoring, and have filled the market with their goods, but have met the fate of the Boers—A seeming success for a time, then a struggle, and finally are forced to recognize the Superiority of Custom-Made Clothing. It should not require much argument
