

Women's Ailments.

Women are coming to understand that the Backaches, Headaches, Tired Feelings and Weak Spells from which they suffer are due to wrong action of the kidneys. The poisons that ought to be carried off are sent back into the blood, taking with them a multitude of pains and aches.

DOAN'S Kidney Pills drive away pains and aches, make women healthy and happy—able to enjoy life. Mrs. C. H. Gillespie, 204 Britain Street, St. John, N.B., says: "Some time ago I had a violent attack of La Grippe. From this, severe kidney trouble arose, for which I doctored with a number of the best physicians in St. John, but received little relief. Hearing Doan's Kidney Pills highly spoken of, I began their use and in a short time found them to be a perfect cure. Before taking these pills I suffered such torture that I could not turn over in bed without assistance. Doan's Kidney Pills have rescued me from this terrible condition, and have removed every pain and ache."

COUNTY COUNCIL.

Continued from 7th Page.

Coun. Gillmore spoke of the unfair canvasses against those who advocated the new gaol. His people voted for him knowing he favored the new gaol.

Couns. Atkinson and Cheney spoke in favor of the motion.

The resolution was carried by a large majority.

Yeas—Couns. Caldwell, Tracey, Atkinson, Shaw, Forrest, Cheney, Carvell, Kearney, Foster, Bell (Wakefield), Phillips (Brighton), Phillips (Peel), Phillips (Northampton), Bell (Richmond), Hay (Richmond), Lamont, Nays—Speer, Tompkins, Balmain, Saunders Gillmore and Bailey.

Coun. Phillips (Brighton) moved: Resolved, that the defence made by the Municipality of Carleton in the equity suit instituted by Isaac B. Curtis against the Municipality of Carleton, and Patrick McCanna, be withdrawn and discontinued.

Couns. Saunders, Carvell and Caldwell suggested that a conference be held with Dr. Curtis before this resolution is passed, so that he be bound in his part to withdraw from the suit.

Dr. Curtis was heard. He said he would withdraw the application for an injunction, if the defence withdraws. That was his intention.

Coun. Carvell moved that a committee be appointed to consult with I. B. Curtis with regard to a settlement of the equity suit instituted by him.

Coun. Forrest agreed with this, and the resolution was adopted. Couns. Caldwell, Atkinson and Carvell were named such a committee.

\$3.0 was ordered paid for parish clerk of Northampton, and \$2.00 for hall.

List of Parish officers for Aberdeen was confirmed; same for the Parish of Simonds.

Resolved, that \$1.00 be paid to James Barton, election chairman, and \$1 to Mr. Johnson, district clerk, for services, and \$2 for hall rent, and \$2 to George Hall, parish clerk, for services, and \$2 to Andrew McIntyre, hall rent, and charged to Richmond.

A committee was appointed to confer with York county council, with a regard to a line between the two counties. The chairman named as that committee Bell, Hay (Richmond), and Forrest.

Coun. Phillips (Brighton), raised the question of the division between Coverdale and York county, which was referred to a committee.

Coun. Saunders said that while he was a staunch supporter of the Scott Act, he believed in everything being made quite clear, and he moved that Mr. Colpitts be requested to come here and be heard.

The Parish of Richmond was ordered assessed \$700 for poor purposes.

Coun. Gillmore, in discussing the board of health report had hoped the Board of Health would have recommended that this county build a pest house.

Coun. Tompkins moved the reception of the report, and that \$50 be assessed for expenses of the board of health.

Coun. Balmain moved that the list of parish officers for town of Woodstock be confirmed.

A bill of A. Henderson's for \$10 for gaol committee was certified as correct of A. Henderson. It was handed to the auditor.

\$180 was assessed for poor in Simonds. The money is to be divided between the three overseers of the poor. The money received from non-residents in Simonds was ordered paid to R. W. Hume commissioner. \$100 was assessed for Northampton for poor purposes.

Money for poor purposes was ordered paid on order of councillors or collectors for the commissioners.

On motion of Coun Saunders it was decided to appoint a committee to confer with the sec. treas. and auditor with regard to the amount to be assessed this year. Couns. Saunders, Shaw and Tompkins were named that committee.

The committee on the gaol matter submitted this report that Curtis offer to withdraw the suit upon the municipality paying him \$250, and assuming all liability on the injunction to all persons whatsoever.

Coun Saunders did not approve of paying Curtis \$280.

Coun Phillips (Brighton) thought Coun. Saunders had floundered into getting the council into all sorts of expenses regarding this matter.

Coun. Forrests thought no money was ever better spent by the council than this \$250.

"500 ACRES FOR MY HEALTH."

Piles Were Sapping the Life From Him—Dr. Agnew's Ointment Cured.

Mr. M. Beemer, of Knotmaul, Mich., says: "For seven years I had suffered from itching and protruding piles. I tried all kinds of cures, but got no relief until I used Dr. Agnew's Ointment. One application did more for me than any remedy I had ever tried. I have been such a sufferer that I would willingly give my 500 acres of land rather than have a return of my suffering from those tormenting things." 35 cents. Use Dr. Agnew's Liver Pills for liver ills. 20 cents.—Sold by Garden Bros.

Coun. Caldwell defended the committee's action.

Coun Phillips wanted the matter settled right off. He reviewed at length the proceedings leading up to the present state of affairs.

Coun. Gillmore thought that we were very generous to spend the people's money.

Coun. Tompkins did not feel disposed to making \$250 a present to Dr. Curtis. These professional men are too anxious to look after their own interests.

Coun Saunders moved that this report lie on the table until we get Mr. Connell's bill, and then let the committee meet and arrange the whole thing.

Coun. Atkinson thought that this was an affair between Dr. Curtis and the council, and should be settled at once.

Coun. Carvell thought we had had enough of Mr. Connell this last two days. We can settle with him after. I move we press these things through. The amendment was lost, and the original motion carried.

Coun. Atkinson on behalf of the committee on the subject proposed that a proper day book, cash book and ledger be kept by the sec. treas.

Coun. Cheney moved parish of Wilmot be assessed \$300 for poor purposes. \$300 was ordered assessed in Wicklow for poor purposes to be divided among the overseers.

Coun. Phillips, of Brighton, moved that \$5.00 be paid A. S. Estey fin. sec. I. O. F. for rent of hall. Parish clerk of Brighton was ordered paid \$5.00 for services.

Coun. Saunders moved that a committee be appointed to wait on A. B. Connell ascertain the amount of his bill and report this afternoon.

Coun. Gillmore seconded the motion which carried.

\$5.50 was ordered paid to Wakefield for poor purposes.

The committee to wait on Mr. Connell were named, Couns. Gillmor, Bailey and Balmain.

\$380 was ordered assessed on Aberdeen for poor purposes.

\$380 ordered assessed on Kent for poor.

\$36 was ordered assessed Kent for support of roads.

\$22.40 was ordered paid to Norman Perry, Aberdeen for road purpose.

\$550 was assessed on Brighton for poor.

The following communication was read from Sunbury County council:—WHEREAS, by Act of Assembly 57 Vic. (1894) cap. 19, and also by Act of Assembly 61 Vic. (1898) cap. 33, sec. 70, large sums of money are caused to be annually assessed upon and paid by the municipalities of this province which were not before the passing of the said several acts of assembly paid out of the said municipal funds. And, whereas by the said acts of assembly all discretionary power as to the amounts so to be assessed and paid is taken away from the county councils.

THEREFORE RESOLVED that a committee be appointed to take such steps as may be necessary by petition or otherwise to lay the matter before the legislature at the next session thereof, with a view of having the said acts repealed, which committee shall have full power to carry out the will of the council as therein expressed.

AND FURTHER RESOLVED that the secretary treasurer be instructed forthwith, to transmit a copy of this resolution duly certified, to the secretary treasurer of every municipality in this province and unite their co-operation in the matter.

This signed by,
JAS. S. WHITE, sec.-treas.,
Sunbury Co.

After dinner the council went into committee of the whole on the county accounts. Among those were Michael Kelly's account \$81.57. It was decided to pay the bill less the interest, \$6 00. P. McCanna's bill was \$1252.65, for his work and loss in connection with the new gaol started in town.

Mr. McCanna said that there was the stock, brick, stone, etc., on the ground which being valued would reduce the bill to about \$900. If the council paid him that bill and \$1000 extra he would not go through all that he went through. He had 17 men to work, three double teams when he got that notice to stop.

Coun. Carvell—Did you pay out any cash since this injunction?

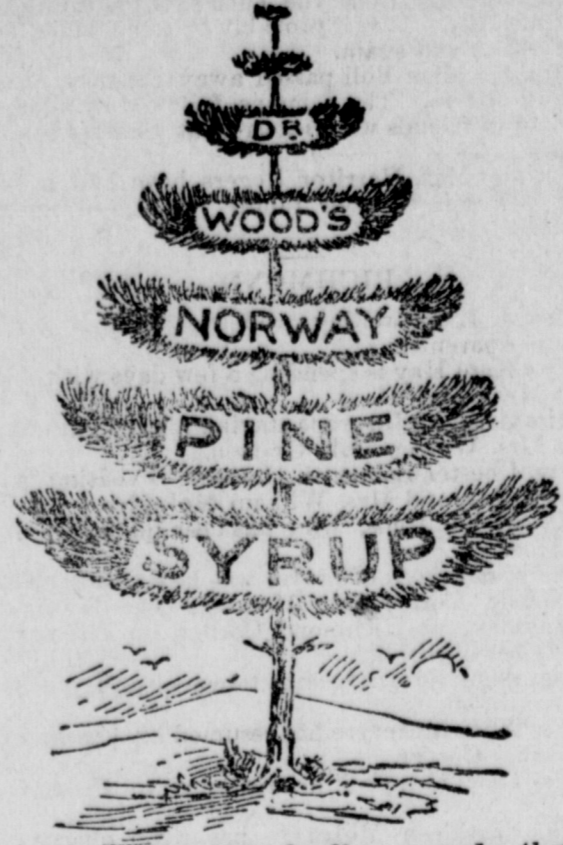

Coun. Cheney—We are willing to pay Mr. McCanna what is right, but he is asking us \$463.34 for 60 days.

Coun. Forrest moved that a committee of five confer with Mr. McCanna on this question. This was carried.

When the council resumed the following committee was appointed to confer with McCanna regarding his bill, the report of the committee as the whole being adopted, Couns. Caldwell, Tracey, Atkinson, Forrest, Phillips (Brighton).

Coun. Saunders reported on amount to be assessed for the incoming year. The committee recommended that \$7000 be assessed upon the county for county purposes, with Continued on 2nd Page.
