

Woodstock, May 8, 1900.

Without doubt the finest display of  
**CARRIAGES**

Ever seen in Carleton County, are exhibited in the Chestnut and Hipwell warerooms, Woodstock. The designs comprise:  
**Axtell Road Carriage. Business, Handy, Bluenose, Concords, Top Cornings and Stanhope.**

All the latest, neatest patterns that are on the American market. These Carriages were consigned to the Henderson & Gallagher Bros. from the Nova Scotia Carriage Co and every carriage is guaranteed. They will be sold at very small margin to clear. An inspection of these goods will convince you that they cannot be excelled.

**HENDERSON & GALLAGHER BROS.**

**What we make We Guarantee!**  
Braith's motto is:  
**What we have we'll hold!**  
It is likewise the sentiment of those who patronize our establishment. Many have endeavored to imitate Custom Tailoring, and have filled the market with their goods, but have met the fate of the Boers—  
A seeming success for a time, then a struggle, and finally are forced to recognize the Superiority of Custom-Made Clothing. It should not require much argument

to convince a man that a garment made from His Measure, taken by an Experienced Tailor, and fitted on in the course of making should fit better and be more stylish than one taken from a pile made 6 to 36 months ago! To say nothing of the Superior Workmanship and goods used. We are showing an Excellent Stock of The Newest Shades and Textures, which we make up in Our Usual Good Style. Radical changes in styles this summer
