Smith-Dow

One of those interesting events which is always worth recording, a wedding, took place on the 14th inst., at the residence of Mr. James Smith of Canterbury. The principals in the event were Chas. H. Smith, a well known and enterprising young farmer, third son of the gentleman named above, and Edith A. Dow, youngest daughter of Mr. Charles P. Dow, and sister of Mrs. Theodore McKinney of Woodstock. The ceremony took place in the midst of nature's decorations on the sloping lawn before the house, and was witnessed by more than fifty guests all of whom were relatives of the contracting parties. To the strains of the organ played by little Pearl McKinney, the ten year old niece of the bride, the wedding party took their places. The bride was becomingly attired in a gown of fawn colored ladies cloth with trimmings of pale blue silk, and wore a floral tiara of sweet peas and white violets. She was attended by Miss Addie E. Jarvis. The groom was supported by his brother, Ira S. Smith. Rev. Geo. A. Ross read the impressive marriage service and the young couple were united "for better for worse, for richer for poorer." After the ceremony the guests sat down to the enjoyment of the many good things provided for the marriage feast. Mr. and Mrs. Smith were the recipients of many beautiful gifts and hearty good wishes from their large circle of relatives and friends.

Dr. Washburn on the Small Pox Scare.

Having seen those who are affected with small pox within the quarantined district of Carleton County through the courtesy of the local health officers it certainly seems to me that no one except through ignorance or prejudice could call this malady anything else other than small pox. The people of Woodstock and Carleton County should congratulate themselves on having such efficient health officers, whose efforts to isolate the infected area have been successful, and should certainly be highly appreciated and justly rewarded.

GEO. WASHBURN, M. D.,
Augusta, Maine.

Small Pox.

Quarantine has been removed from the Watson and Lindsay settlements. The nearest guards are now fourteen miles from Woodstock.

Banquet to T. W. Murphy.

The Canadian Pacific Railway Employees of Woodstock and vicinity entertained Thomas W. Murphy at Troy's Restaurant on Friday evening. Mr. Murphy is severing his connection with the C. P. R., after being in their employ for eighteen years, during the last four of which he has been chief despatcher at Woodstock.

During the early part of the evening the Woodstock Band furnished music for the party. It was about half past nine when Mayor Belyea, the chairman, led the way in to dinner. After dinner and after the regulation patriotic toasts had been drunk the toast to "our guest" was responded to by Mr. Murphy, in feeling terms. The toast to the "C. P. R." was responded to by Mr. Powers, C. D. Jordan and Harry Currie; "The Town, of Woodstock," by Mayor Belyea; "The Bar," by Charles Appleby; "The Medical Profession," by Dr. Dr. Rankin; "Commercial Interest," by H. A. Connell; "The Press" by J. P. Malaney; "Woodstock Band," by Wm. Blake, Clarence Burpee and George Lee; Address were made by Messrs. Robinson, McCarten, McGibbon, Hagerman and Watt. "Our Host" was responded to by Mr. Troy, after which, singing "Auld Lang Syne" the party broke up.

Mr. Murphy could not fail to be moved by the many warm expressions of friendship and esteem made by his fellow employees and by the business and professional men of Woodstock.

Death of the Rev. John Joseph Nugent.

On Wednesday morning, August 14, the Rev. John Joseph Nugent, one of the oldest priests of New Brunswick, died at the age of seventy years, in the parish of St. Leonard's. Deceased was ordained at Rome by the late Archbishop Connolly, in 1858, and in the following year came to St. John, N. B. Before he became affiliated to the diocese of Chatham, he occupied various posts under the Bishop of St. John. Afterwards, he labored at Dalhousie, Caraquette, Tracadie and St. Leonard's. His funeral took place in this latter parish on Friday, 19th of August. The funeral Mass was celebrated by the Rev. L. C. D'Amour of Edmundston, assisted by the Rev. M. A. O'Keefe of Grand Falls and the Rev. F. Dugal of Drummond as Deacon and Sub-Deacon. At the end of Mass the absolution was given by the Very Rev. L. N. Dugal, V. C., of St. Basil. The church was very neatly draped and a powerful choir sang the solemn Requiem Mass in plain chant.

Many persons came from the neighboring parishes to assist at the obsequies and the church was filled to its utmost capacity. Besides the priests already mentioned were present: The Rev. John Murray, of Johnville Carleton Co.; the Rev. Maximus Babineau, of St. Ann, Madawaska Co.; the Rev. M. Janisson, S. M., Van Buren, Me.; the Rev. Thos. Maher, S. M., and the Rev. C. Orphelin, S. M., of Van Buren College, Van Buren, Me.—St. John Freeman.

Turkey Grants French Demands.

Constantinople, August 24.—The quays company question has been settled, as expected, in accordance with the desire of France.

An Imperial irade has been issued ordering that the company shall be allowed to exercise freely all the rights granted by the concession.

Paris August. 24.—Turkey has yielded to French pressure, as was inevitable, and a full rupture of the relations between the two countries has been averted. The official communique, announcing the granting of the French demands issued this morning, is as follows:

"In consequence of the declaration made to the Porte by the French Ambassador that he acts under instructions from the Minister of Foreign Affairs, an Imperial irade has been issued declaring that no obstacle shall be opposed to the free exercise by the quays company of the rights resulting from their concession."

A Firman of the settlement of the other matters in question, will, it is believed, be issued shortly.

The Bristol Roller Mills.

On the Little Shiktehawk Stream about half a mile from the prosperous village of Bristol, and in the centre of a fine farming section are the well known Mills of G. A. Brittain & son. The first mill at this point was built nearly a hundred years ago, and after several changes, the present management began about thirty years ago. Mr. Brittain who is a practical miller, was the first to introduce the Roller process of grinding buckwheat in this county some few years ago, but continued grinding wheat by the old process until one year ago, when the Hungarian system of Rollers were introduced. The mill is now one of the best equipped in the county and has a grinding capacity of 50 barrels of flour per day, and during the past year he has ground 16000 bushels of wheat. His buckwheat rolls have a capacity of about 250 bushels a day, and besides these he has a run of stone for grinding feed. The flour from this mill has established for itself a well earned reputation, and is generally considered equal to the best imported. A ready sale for the output has been found in the local markets so far. Finding the water power to be insufficient at all seasons, Mr. Brittain decided to add steam so that he will be enabled to attend to business at all times. He has obtained a 25 horse power Engine, and a 30 horse power boiler from Dunbar & Sons, Woodstock, and Mr. Dunbar is now engaged in putting this machinery in position, and expects to have it ready to furnish power to the mill by Sept 1st, and then our farmers will be able to get their grists ground whether it rains or not.

This is one of the mills that has been recognized by the provincial Government in the granting of bonuses and the Commissioner of Agriculture who made it a visit of inspection a short time ago, expressed himself as well satisfied with the equipment of the mill and its surroundings, and pronounced it one of the best in the Province.

South Africa.

LONDON, Aug. 23.—Lord Kitchener in a despatch from Pretoria, dated Friday, says: "Col. Williams, after a sharp fight, Aug. 19, captured, in the vicinity of Klerksdorp, (Transvaal) an entire Boer convoy of 86 wagons loaded with ammunition and supplies, much stock and 18 prisoners, including the landrost of Bloemhof and Dutoit, a telegraphist, with a complete wire tapping apparatus."

LONDON, Aug. 25.—The war office has received the following despatch from Lord Kitchener, dated at Pretoria today: Delarey has issued a counter proclamation warning all Boers against my latest proclamation and declaring that they will continue the struggle."

LONDON, Aug. 26.—South Africa despatches show that the Boers continue active in Cape Colony. Sharp skirmishing has occurred near Uniondale, only a day's ride from the sea, while Commandant Scheppen is threatening the important town of Oudtshoorn, thirty miles from the Indian Ocean.

In Brussels it is asserted that Commandant General Botha has ordered the Boer commanders in future to retain all captured British as hostages in case Lord Kitchener carries out the threats of his latest proclamation.

LONDON, Aug. 26.—A despatch from Lord Kitchener, dated Pretoria, today, says: "Three officers and sixty-five men who were sent north of Ladybrand, Orange River Colony, on the right of Elliott's column were surrounded on unfavorable ground and captured by a superior force Aug. 22. One man was killed and four were wounded. The prisoners were released. Holding enquiry."

"Have received a long letter from Steyn containing an argumentative statement of the Boer case and saying he will continue to fight; also a short letter from DeWet to the same effect.

"Botha writes acknowledging the receipt of my proclamation and protesting against it. He states that the Boers intend to go on fighting. On the other hand the surrenders lately have increased considerably."
