A FLAG raising will be held at the Florenceville school house on June 28th inst. A pleasant programme will be carried out. Prominent speakers will be present including Jas. K. Flemming, M. P. P., who will speak on the progress of Canada. Everyone is cordially invited to attend and enjoy the speeches which will be of special interest. Mr. A. L. Stickney who has recently sustained a heavy loss by fire will sell refreshments on the grounds. Don't miss this patriot demonstration.

"A WISE WOMAN," the three-act musical comedy by Wilfred Clarke, who is also responsible for that great success, "Oh! Susanah!" has been secured for the near future at the Opera House. This is a fortunate booking for Manager Graham, and one worthy of special notice as the attraction is to be seen in but very few one-night stands this season, its time having been almost entirely booked in the larger cities of the country. This is strong evidence of the strength of the company.

J. R. FOWLER, the ingenious blacksmith of Lakeville, has invented and secured a patent for a very excellent clamp for binding the stretchers of double waggon. It does away with the old and inconvenient thumb screw and enables one to bind his stretchers quickly, by a mere turn of the wrist. There are no parts to lose, no threads to wear, and the clamp can not wear out. John Arnold is now making it in Woodstock. Mr. Fowler will sell the right to make and sell by counties or districts. The demand is so great that Mr. Fowler is kept busy turning out the product.

The frost on Saturday night was severe. In some sections it killed all the beans and buckwheat and so affected the corn and potatoes that they will be very backward. Fortunately it is not too late to plant beans and buckwheat again.

ON Saturday evening Percy Graham, Manager of the People's Bank, Hartland, was presented by a number of his Woodstock friends with a handsome dinner set. There were a large number of his friends present. The presentation was made by Mayor Belyea.

THE funeral of the late Colonel Raymond which took place last Wednesday afternoon was very largely attended. The pall bearers were the three sons of Mr. Raymond and his nephew Mr. Charles Carman. The service at the Parish Church was conducted by the Ven. Archdeacon Neales.

MR. PEACOCK, the professional of the Algonquin links, leaves here today for St. Andrews. Mr. Peacock has been very busy coaching tyro golfers during his short stay in Woodstock, and seems to have given splendid satisfaction to all. He has discovered some promising golfers among the new members; and has improved the game generally of this club.

THE quarterly meeting of the Reformed Baptist churches of Carleton and York Counties was held on Thursday, Friday, Saturday and Sunday at Lower Southampton. The ministers present were Rev'ds. G. W. Macdonald, J. H. Coy, J. Gravinor, C. H. Archer, G. B. Macdonald, J. W. Greenlaw. The officers for the ensuing quarter are, Rev. John Gravinor, President, and Bertram Colpitts, Secretary. MRS. PHILIP McCaferly an old and esteemed resident of Woodstock died on Sunday afternoon at the residence of John Thibedeau where she had made her home for some years. She was the widow of the late Philip McCaferly, a justice of the peace who at one time occupied a large place in the life of Woodstock. She leaves three children, Mrs. Thibedeau, Thomas McCaferly who is on the staff in the Customs House here and James McCaferly who lives in Aroostook County Me. The funeral took place at 9 o'clock on Tuesday morning.

THE version of Uncle Tom's Cabin interpreted by STETSON'S DOUBLE MONSTER CO. which will exhibit at the Opera House, Friday evening June 21st, has the special approval of Mrs. Harriet Beecher Stowe, the immortal authoress of that world-famed drama, from the fact of Manager Stetson's adherence to the original text, which is a complete deviation from the custom of other Uncle Tom managers, who interpolate so many attempted gags, stale jokes and vulgar witticisms into their rendition that scarcely a vestige is left of the never-to-be-forgotten work. Aside from the great worth of the company, every act will be presented with new and elaborate scenery, painted by the master scenic artist of the world. The excellent company's two comical Topsyies, two ludicrous Marks, the elegant scenery, the novel mechanical effects, the ferocious bloodhounds, two brass bands and the celebrated Lone Star Quartette will unite in making the engagement the most notable one.

Base Ball.

An exciting game of base ball was played Saturday last on the college grounds between the Little Giants, of Houlton, and the Woodstock team. The playing was rather loose for the first few innings, but towards the end the boys played good ball and it was hard to decide which was the better team. After playing twelve innings the home team secured the lucky run and won the game.

A return game will be played next Saturday. Following is the score:—
