The Golf Match.

The Golf match between St. John and Woodstock, on the Woodstock links on Saturday was keenly enjoyed by players and spectators. Some allowance must be made for the visiting team, for only two of them had ever seen the course before. Dr. Frazer was the only St. John player who beat his opponent. Mr. Jones lost the first five holes and after that he held his opponent level, both he and Mr. Ireland breaking the record of the links on the last round with a score of 42. Following is the score:—

The ladies of the Woodstock club entertained the visitors at a luncheon at noon where the President, Mr. Baird, welcomed them to Woodstock. Mr. Hartt spoke on behalf of the visiting team.

Fredericton Exhibition.

The management of the New Brunswick Provincial Exhibition and Industrial Fair, which is to be held at Fredericton on the 17th, 18th, 19th and 20th inst., report that all indications point to one of the most successful shows ever held in the "Celestial City." The space reserved for industrial exhibits is practically all taken, and entries for the live stock and agricultural sections are coming in rapidly. Space in the carriage building has all been allotted, and arrangements are now being made to procure a tent to hold the overflow in this department. In Amusement Hall the chief attractions will be Prof. Leon Morris' educated ponies and a troupe of trained dogs. There will be band concerts on the grounds every afternoon and evening, also fireworks displays, torchlight processions, etc. On Wednesday and Thursday of exhibition week (18th and 19th) there will be horse races on the Fredericton Driving Park, when Mr. C. H. Nelson, of Waterville, Me. will exhibit his celebrated trotting stallion, Nelson, with a record of 2.09 1/2. Excursion rates will be put on by all transportation companies.

Mr. Hollis Lindsay's Recital.

The recital given in the Opera House on Monday evening by J. Hollis Lindsay, pianist, assisted by Mrs. Tappan Adney, soprano, and Miss Margaret Ross, contralto, was a complete success from every point of view. Mr. Lindsay played thirteen classical compositions. They were all among the most difficult things to master and though blind, and only fifteen years of age Mr. Lindsay shows marvellous skill which will make him one of the foremost pianists of his time. The allegro of the sonata of Beethoven op. 26, was taken at a tremendous tempo, and was rendered with the greatest brilliancy. Mr. Lindsay was recalled after each appearance.

Mrs. Tappan Adney, who is a favourite with Woodstock audiences, was in excellent voice and met the same hearty reception that always awaits her in her native town.

Miss Margaret Ross has an unusually sweet contralto voice that should one day place her in the first rank of vocalists. Her rendition of "The Rosary" was specially appreciated.

Police Court.

On Monday afternoon Russel Boyer of Victoria Corner was up against the police magistrate charged with having beaten Chas. Greer. The police Magistrate imposed a fine and cost of \$850.

James Dennison was before the police court last week on a charge of stealing a revolver from the valise of a man on board the train between Woodstock and Gibson. A. B. Connell K. C. represented the C. P. R. and J. R. Murphy represented the defendant. The police magistrate dismissed the complaint.

Samuel Crouse was brought before the police Magistrate last week charged with obstructing the C. P. Railway near Zeland Station at the time of the strike. The information was laid by Leonard Morehouse. It appeared from the evidence given by Morehouse and his father that the question of placing a horseshoe on the track to derail a car containing scabs, was discussed by Crouse. It did not appear that any actual attempt was made to place any obstruction on the track. Crouse denied that he had ever discussed the matter and never thought of obstructing the track. The police magistrate considered that nothing had been proved and allowed Crouse to go. A. B. Connell K. C. for the C. P. R. and J. R. Murphy for the defendant.

THE THUNDER STORM

Does Considerable Damage in Carleton County.

The electrical storm of last Wednesday was very severe in Woodstock and other parts of the county. In Woodstock T. C. L. Ketchum's house was struck but very little damage was done. J. McFarlane's house was struck and suffered considerable injury.

James Watson, of Watson Settlement, received a severe shock during the storm. He was sitting in his store at the boundary line when a bolt of lightning struck the chimney of the building, scattering it over the road. The bolt passed down the chimney, threw Mr. Watson some distance and rendered him unconscious for time. The store, while not wrecked was somewhat damaged and badly mused up. Mr. Watson was carried to the home of his son about half a mile away where he is recovering from the effect of the shock.

While one of the most violent thunder storms which ever visited that vicinity was passing over Debec on Wednesday, Sept. 4th, a barn belonging to John B. Grant was struck by lightning and in a few seconds was a mass of flames. His hired man was in the barn at the time caring for the horses and was knocked down but managed to crawl out of the burning barn on his hands and knees and give the alarm. The call of fire brought many willing hands on the ground, but in a few minutes from the time the barn was struck it was readily seen that the other barns adjoining and fine residence could not be saved. The next move was to try and save C. W. Dickinson's hotel and barns which was only a few yards away. Ladders were quickly supplied and carpets which had been taken off the floors of the hotel were placed on the roof and kept wet, by this means and the most daring bravery of the men on the roof of the hotel kept it from being destroyed.

Had it not been for the heavy shower at the time the barn was struck there would not have been a building left in Debec.

In addition to the very heavy loss of all the buildings there was 25 tons of hay, 500 bushels of oats and two hogs burned. The buildings were partly covered by insurance.

At Cloverdale the lightning struck a barn containing this year's crop, belonging to Alex. Wallace and burned it to the ground.

J. E. McCollom's residence at Upper Brighton was struck and some damage done to the bath room. The loss was covered by insurance.

Along in Upper Brighton for some distance the telegraph poles were split from top to bottom.

Estey-McDonald.

Luther W. Estey of Great Falls, Mont., and Miss Alma E. McDonald were united in marriage, at the bride's home, Marysville, on Wednesday morning, September 4th. The ceremony was performed by the Rev. G. B. Trafton. Mr. and Mrs. Estey are now visiting Mr. Estey's relatives in Jacksonville for a few weeks, before leaving for their home in Montana.

Church Reopened.

The Methodist church at Northampton which has lately undergone extensive repairs was reopened on Sunday last. The weather was all that could be desired and the congregations were good. Rev. Mr. Spargo preached in the morning from "My house shall be called a house of prayer." Rev. Mr. Berrie preached in the afternoon from John 3:16. Rev. Mr. Crisp preached in the evening from Nahum 1:3. The dedicatory service was read by the chairman of the district at the close of the morning sermon. The cost of repairs and addition was \$825.00. Towards that amount \$558.00 had been previously subscribed, leaving \$267.00 to be provided for. The collection in the morning was \$10.00, the collection in the afternoon was \$13.50. Rev. Mr. Berrie made an earnest appeal at this service and \$121.00 were subscribed by those present. The collection and subscriptions in the evening service amounted to \$37.50, making a total for the day of \$182.00, leaving an unprovided for deficiency of \$85.00.

The building committee deserve much credit for their devoted attention to this work. The change was much needed and the building is now for a country church one of the most handsome in the province. Mr. Crisp expressed his thanks and the thanks of the building committee for the kind and generous help given by the many friends present. The hospitality of the Northampton friends was much enjoyed by those who came from a distance.

Lamont-Black.

On Wednesday evening last, Miss Rebecca Lamont, eldest daughter of Mrs. Harry Lamont was married to William Black Esq., a prominent farmer of Aberdeen. The wedding took place at the residence of the bride's mother, west Glassville, in the presence of about 50 guests, the majority being their immediate relatives. Rev. J. K. Bearisto was the officiating clergyman. The bride was very tastefully attired in steel colored cloth, with silk trimmings and carried a very handsome bouquet. The gifts were numerous and valuable, that of the groom being a very pretty gold watch and chain, engraved. The happy couple who are both well and favourably known, have the best wishes of hosts of friends. They will reside in West Glassville.

Letter of Condoleance.

The following resolution was passed by Gowan L. O. L., No. 34, of Bairdsville:—

WHEREAS God the ruler of heaven and earth has seen fit to remove from among us our beloved brother, Andrew Miller, and by his demise our lodge has lost a true and worthy member, one whose interest in its welfare was always manifest and one whose memory we shall cherish and esteem. Therefore it has been resolved that we extend to the family and friends of the departed our warmest expressions of heartfelt condolence and sympathy.

The summer sun and summer rain
Sweet flowers of life shall kiss,
And thoughts shall bloom but he
Is free from sorrow such as this.

Signed on behalf of lodge,

GEORGE W. BAIRD,
STEPHEN SCOTT,
FRANK BAIRD.
