I have not suffered since taking them, and now sleep well and feel strong and vigorous."

Milburn's Heart and Nerve Pills cure all diseases arising from weak heart, worn out nerve tissues, or watery blood.

The materials used in "The D. & L." Emulsion are the finest the market affords, regardless of expense. Taken in cases of wasting diseases, loss of weight, or loss of appetite, with great benefit. Davis & Lawrence Co., Ltd., manufacturers.

Sir Courtney Boyle, permanent secretary of the Board of Trade, London, recently delivered a lecture on "Method and Organization in Business," in which he told the following story:

"Not very long ago there came to a large poultryer's shop a gentleman who stuttered and he said:

"I w-want to s-see some t-turkeys." He was shown some.

"Some are t-tough and some are t-tender?" The shopman admitted the fact.

"I s-suppose there is a difference in the price?"

He was assured there was none.

"I k-keep a b-boys' school; would you, with a wink of the eye, 'm m-mind p-picking out the t-tough ones?"

The tough ones were taken out and put on one side.

"C-can you m-make any d-difference in the price?"

This was refused.

"Then I w-take the t-tender ones."

**United States Handicapped by Lack of Ships.**

H. E. Armstrong, in Ainslee's: The greatest of all the American exporter's grievances is that the ships of other nations, chiefly the British, carry his goods and derive the huge profits of transportation. Of the 2,178 vessels that entered Shanghai in 1879, only fifty carried the American flag. In the same year not a single American steamer was seen at Chefoo, although 664 British steamers were reported, and 130 German. Hong Kong reported only 48 American vessels, yet there were 38,713 arrivals of all nationalities, including the Chinese. Forty years ago, when the American merchant marine was crowding the China seas, Japan did not own a steamship. "Now," says United States Consul Fowler, of Chefoo, "they have the finest lines on the coast. The Nippon Yusen Kaisha is the second most powerful line in the world, and two or three lines are running to the United States." "The Great Northern Railroad," said President James J. Hill three years ago, "has been compelled to refuse the shipment of 60,000 tons of steel rails and 30,000,000 pounds of cotton—all demanded by Asia—simply because there were no water facilities by means of which this merchandise could be carried to Asiatic ports."

**Weary Brain Workers.**

Fagged out, ideas comes as slowly as molasses. You think of things just a minute or two too late. Snap's gone! The buoyancy that made work a pleasure—that's gone too. The doctor would tell you that you are run down, not eating enough nor digesting enough. Your stomach needs aid, your digestion needs a bracer too. Your blood requires Phosphorus and Iron that it may be formed readily. Now Ferrozone is a wonderful nerve bracer and blood maker. It's food for the blood and nerves, it will make you strong quickly and permanently.—Sold by Garden Bros.

**Literary Knowledge at a Discount.**

At a recent examination of forty collegiates at Toronto ten were unable to mention six plays of Shakespeare, twenty-six could not mention a single book of Ruskin, thirty-five were as ignorant of Wordsworth and Browning, fourteen did not know who wrote "In Memoriam," thirty-four were unacquainted with Falstaff, and to twenty-two Sam Weller was an unknown personage.

For the sick room a simple disinfectant is made by putting some ground coffee in a saucer and in the centre a small piece of camphor gum. Light the gum with a match. As the gum burns allow the coffee to burn with it. The perfume is refreshing and healthful, as well as inexpensive.

The low-cut bodice this winter will be worn with very long sleeves made tight-fitting at the wrists by means of loose and jeweled buttons, the sleeves spreading out around the hand like the petals of a flower. Fullness at the top of the sleeve should be reduced to a minimum.

A man's reach should exceed his grasp, or what's a Heaven for?

Happiness is the sense of one's soul being good.

**Danger  
Next Door.**

Perhaps it's diphtheria, or scarlet fever. Keep your own home free from the germs of these diseases. Prevent your children from having them. You can do it with our Vapo-Cresolene. Put some Cresolene in our vaporizer, light the lamp beneath, and let the vapor fill the sleeping room. Have the children sleep in the room every night, for it's perfectly safe, yet not a single disease germ can live in this vapor. Ask your doctor about it.

Vapo-Cresolene is sold by druggists everywhere. A Vapo-Cresolene outfit, including the Vaporizer and Lamp, which should last a life-time, and a bottle of Cresolene, complete, \$1.50; extra supplies of Cresolene 35 cents and 50 cents. Illustrated booklet containing physicians' testimonials free upon request. VAPOR-CRESOLENE Co., 180 Fulton St., New York, U.S.A.

**Painters'  
Kidneys.**

The worst thing a painter has to contend with is the turpentine.

The lead, of course, is bad too. But the turpentine cuts the kidneys, inflames and weakens them, makes the painter's life a dangerous and troublesome one. When a painter's backaches, it's time for him to begin treating the kidneys.

**DOAN'S KIDNEY PILLS**

will fix them up—take out the inflammation and congestion, give ease to the aching back.

Mr. J. Evanson, the well-known painter and decorator, 50 Oxford St., Toronto, Ont., said: "About eight weeks ago I was taken with an excruciating pain in my back over the kidneys. It was so bad that my wife had to apply hot cloths till the doctor came and gave me morphine."

He said the trouble was due to a stone passing from the kidney to the bladder. My water was loaded with a brick dust deposit and scalded on passing.

While in this condition I heard of Doan's Kidney Pills and started taking them. It was not long before I got relief from pain and have been improving in health ever since. My urine is now clear and does not smart me, and I feel better than in years.

These little black fellows act easily and naturally on the system, clearing away all bile and effete material. Constipation, biliousness, dyspepsia, sick headache, heartburn, waterbrash—all disappear when they are used. Price 25c.
