CHARLES ROLSTON, a brakeman on the C. P. R., while working on the Houlton train at Debec on Thursday night was knocked from a box car and badly hurt. He fell on his back on the platform and rolled down between the platform and the rail. He received a severe gash in his forehead and another on the top of his head. It is a wonder he was not killed. Dr. Griffin sewed up the wounds.

ALBION MERRIMAN and Mrs. Carrie Bishop, of Woodstock, N. B., were united in marriage at the home of the former Monday evening, the ceremony being performed by Rev. F. S. Dolliff. Mr. Merriman is one of our older and most highly respected citizens. The bride is a native of Woodstock where she is well and favorably known. Mr. and Mrs. Merriman have the congratulations and best wishes of their many friends.—Bangor Paper.

THE last of the Kentucky horses sent here to be sold were cleaned out on Saturday afternoon. They went at prices ranging from \$16.00 to \$28.00. This could hardly have been a profitable venture to the man who sent them here, for the freight was \$22.00 each. The purchasers in some cases were not vastly pleased with their live stock. One active colt climbed a tree on the way home, another had to be twitched and got his jaw broken, another ran away and has not been caught yet. One man who bought one of them says it jumped up in the air and has not come down yet. These stories are no exaggeration but are true to the letter.

THERE will be no service in the St. Paul's church Wednesday evening.

IT WOULD appear that about half the town will go to St. John today to see the celebration in honour of the Duke and Duchess of Cornwall and York.

MRS J. WESLEY CLARKE desires to sincerely thank the people of Woodstock for their great kindness to her and her family, in their recent bereavement.

MR. ELISHA GRAY, Pembroke, and Mrs. Charlotte Ross were married on Wednesday morning last, at the residence of Mr. Shedrick Stwater, Peel, by Rev. D. E. Brooks of Bristol.

A MAN named Gilmore, attending the dog show in the Opera House one evening last week, was relieved of \$40 in cash, by a pick-pocket. The purse in which Mr. Gilmore carried his money was found on the seat behind him, but the thief could not be located.

AN alarm was rung in on Monday evening, for a fire in a house on Main St., Wellington Ward, owned by William M. Connell. The house was unoccupied, and the fire must have been started by some boys. Both hose companies turned out, and the fire was soon extinguished.

MR. JOHN HALLET died quite suddenly of appendicitis on Friday at his home in South Gordonsville. He was about 30 years of age, and was unmarried. He was a son of Mr. Ephraim Hallet. His father, mother, one brother, and six sisters survive him. The funeral was held on Sunday.

A MEETING of the Fredericton and Woodstock Steamboat Co. was held on Friday at Victoria House. Those present were President James S. Neill, Frank R. Brooks, John S. Rogers, M. Byron McNally, H. C. Grant and David Gilman. All the required stock, \$10,000, is subscribed.

A YOUNG man working for Deputy Sheriff Foster played a funny trick on himself the other evening. His day's work was done and he was amusing himself in Mr. Foster's office, examining a heavy pair of hand-cuffs. He placed them on his wrists and closed them, and wondered how he would feel if he were really under arrest. When he attempted to remove them he found that they would not open, he had locked them on his wrists. He appealed to Mrs. Foster for the key and she had to tell him that Mr. Foster was miles away, up the Tobique, with the key in his pocket. She got another man to drive the self made prisoner to Woodstock where the High Sheriff, who had a duplicate key, released him. He is now willing to leave the use of hand-cuffs to a man who understands them.

Golf.

On last Saturday, the Golf Competition for the Dalling cup which was won last year by Mr. Ireland was played under most favorable condition. The course was in splendid shape, and weather perfect. The play between Dr. Sprague and Mr. Macleod was quite exciting as they were all even till the 26th hole, the latter gaining three points toward end of the game. Messrs. Mitchell and Jones also played an excellent game, especially the latter who is a beginner this year. Some of the members have not yet completed, but it is not probable Mr. Macleod's score which was the best will be beaten and who in all likelihood will hold this handsome cup for the season 1901-02.

The following were the scores:—
Macleod..... 142 Creighton..... 155
Sprague..... 145 Jones..... 156
Ireland..... 145 Hay..... 165
Mitchell..... 154 Denison..... 185

Circuit Court.

The Carleton County Circuit Court opened regularly at the Court House yesterday morning, Judge Gregory presiding, and adjourned to Wednesday the 23rd.

There are four criminal cases on the docket. The King vs. Fred H. Stevens, for libel; The King vs. Albert Brown, for assault; the King vs. Craig for assault; and the King vs. Mrs. Aboud for theft.

In the civil docket there is Dr. Clarence Kirkpatrick vs. the Canadian Pacific Railway Co., for damages for injuries sustained in the accident when the train went through the Grand Falls bridge.

Gouverneur Morris, whose life President Roosevelt wrote and published some years ago, and whose prefix is not, as so many imagine, a title, but a Christian name, was the senator who, on being assailed by the Paris Revolutionary mob with cries of "Aristocrat!" probably saved his life by thrusting his wooden leg out of the carriage window, and exclaiming, "An aristocrat? Yes, one who lost his limb in the cause of American liberty!" This was "cute" of Gouverneur Morris, but not in harmony with facts. His leg was, in truth, amputated as the result of a carriage accident in Philadelphia.
