

Agricultural Society.

At the annual meeting of the Carleton County Agricultural Society held in the Record office on Tuesday the 12th there were present the President Rankin Brown, Sec.-Treas. J. R. Murphy and John Connor, C. L. Smith, H. B. Smith, H. Gallagher, C. H. L. Perkins, W. B. Nicholson, J. J. Rogers, J. S. Leighton, sr., J. S. Leighton, jr., Judson Briggs, James Watts, R. Brown, B. B. Manzer.

The president read the following address:
PRESIDENT'S ADDRESS.

Gentlemen, Directors of Agricultural Society, No. 41:—

Once more we are in our annual session assembled and the usual business which comes before the board at this time will be brought before you. In reviewing the past year, I feel that we, as a body, have every reason to feel thankful that the hand of Providence has rested lightly upon us. It has also been a season of fair prosperity to the farmers. While perhaps the hay and grain and fruit crops have not been up to the yield of the previous year, the advanced prices and favorable conditions for saving them, have more than compensated for the reduced yield.

At our last annual meeting it was decided to have a county show this fall and in the early spring the matter was thoroughly discussed and the exhibition was thrown open to the province and, at a later date, on the offer of the Aroostook Agricultural Society to reciprocate, the farmers of that fertile county were included. Then came the small pox visitation and for a long time the matter was held in abeyance, but upon Aug. 10th, at a special meeting, it was felt that the exhibition might be held and the matter was finally decided on at the regular monthly meeting on Aug. 24th. Committees were immediately appointed and the active work of preparation got under way. I would say here of all the committees appointed, none were more assiduous or successful in their efforts than the building and grounds committee for when the exhibition was opened it was found that everything that this committee had control of was completed.

In regard to the exhibition which was held on the 25th, 26th and 27th September, it was pronounced by those competent to judge, not only to be the most successful of its kind held in the county, but ahead of the other provincial shows held this season. As a purely agricultural exhibit, the farmers are to be congratulated on the splendid showing they made and had the time for preparation not been so limited, our stock accommodations would have been severely taxed. It was to be regretted that many of the manufacturing interests of the town were conspicuous by their absence, but Small & Fisher Co., A. Henderson Co. and Grant Co. made fine displays of their goods, and these, coupled with contributions from a few of the leading firms, made up the inside exhibit.

Several suggestions have been made and no doubt some of these will be brought before you, in regard to the holding of future exhibitions; one of these is the holding of the agricultural show and races under one management. This I find has taken a strong hold on many people and is worthy of more than a passing glance. One thing is sure, that if our exhibition is to be an annual affair we must have permanent buildings for the stock, for the largest and most expensive item we met this fall was lumber and the fitting up and dismantling the transient stables.

I feel that the society has reason to be proud of our exhibition, not only on account of the great agricultural exhibit, but that as a financial venture it was the most successful we have ever embarked in. The efficient secretary, Mr. Murphy, will no doubt give you all the details of income and expenditure and I am sure they will be highly gratifying.

In closing, I thank the officers and members of the society for the kindness and courtesy with which they have treated me, as their president, for the last two years, and bespeak the same for my successor.

The Secretary Treasurer submitted the following report which was received and filed:—

A statement of the affairs of the Agricultural Society for District No 41 known as the Carleton County Agricultural Society.

REAL ESTATE.

Grounds known as the Woodstock Pleasure Grounds situated in the Town of Woodstock in the County of Carleton principally valued at \$3000.00

Acre of land known as the Exhibition Lot with building thereon valued at 1500.00

A Teamster's Story.

SUFFERED GREATLY FROM ASTHMA AND KIDNEY TROUBLES.

Spent Some Time in a Hospital and Almost Impoverished Himself Buying Medicines Without Benefit—Again Dr. Williams' Pink Pills Cure After Other Medicines fail.

From the Recorder, Halifax, N. S.

Mr. William Cochrane, a well known teamster, who lives near the Halifax Polo Grounds, is one of those who willingly bear testimony to the curative powers of Dr. Williams' Pink Pills. A reporter of the Acadian Recorder who had heard of Mr. Cochrane's sufferings and subsequent cure, called at his home when he gave an account of his experience substantially as follows:—"He had for many years been a constant sufferer from asthma, accompanied by an aggravated form of kidney trouble. The latter trouble caused severe pains in the back and loins, and at times his sufferings were very acute. He said he had almost impoverished himself in buying medicines of all kinds but to no purpose; the trouble continued and seemed to grow worse as the years passed. Mrs. Cochrane said that she had frequently seen her husband choke up and fall to the floor as though dead, and he would have to be worked with and rolled around before he would revive. A few years ago he spent ten days in the Victoria General Hospital. The doctors then thought that the pains in the back were due to over-exertion in his business as a teamster, but gave him no material help. After leaving the hospital, he used bottles and bottles of medicine, but failed to find a cure. A neighbor of his, Mr. Lowe, whose wife had been made a well woman after years of sickness, by the use of Dr. Williams' Pink Pills, advised him to try them. He used a couple of boxes without apparent result, and felt somewhat discouraged, but Mr. Lowe advised him to continue the use of the pills, and before the third box was finished, he began to improve. 'Dr. Williams' Pink Pills have been a Godsend to me,' said Mr. Cochrane; 'they are the only medicine I have taken which seemed to do me any good. I had one prescription from a doctor which cost me \$1.75 a bottle, which like many other medicines I took, was just so much money wasted. I have used eight or ten boxes of Dr. Williams' Pink Pills, and can say that before I began their use life was an intolerable burden. I have reason to be thankful that I followed the friendly advice that urged me to use this medicine.'

Most diseases have their origin in poor blood or weak nerves, and it is because Dr. Williams' Pink Pills make rich, red blood and strength the nerves that they have met with such success in curing kidney trouble, rheumatism, paralysis St. Vitus dance, anaemia, nervous prostration and kindred troubles. See that the full name "Dr. Williams' Pink Pills for Pale People," is on the wrapper around each box. If in doubt, send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and the pills will be mailed post paid at 50 cents a box, or six boxes for \$2.50.

Mayor Morris of Ottawa has Disqualified Himself.

On Saturday Mayor Merris, of Ottawa, entered a plea of guilty to a charge of committing a breach of the license law by purchasing liquor at the Russell House on November 11, after the statutory hours of closing.

In doing so, he stated, by his counsel, that he had been entertaining friends, whom he did not desire to bring into court, so he pleaded guilty. He was ignorant at the time that he would be disqualified by conviction, but he was willing to accept the consequences of his act. His counsel stated that, of course Mayor Morris' municipal career came to an end now, but said, in effect, that the prosecution was the outcome of spite and malice.

The Mayor himself stated that he accepted disqualification.

Magistrate O'Keefe fined him \$5 and \$2 costs.

A second charge, for the 9th instant, was remanded for a week.

The City Council appointed a temporary Mayor on Monday evening to act till the January election.

A "SWEET" STOMACH

is the key-note of a happy heart. Dr. Von Stan's Pineapple Tablets make and keep the stomach sweet, because they aid digestion and prevent ferment.

Stomach ferment induces indigestion. Indigestion produces distress after eating, weight in the stomach, wind on the stomach, loss of appetite, dizziness, nausea, impoverished blood, curv of the stomach, sick headache and many other ailments. Von Stan's Pineapple Tablets nip the trouble in the bud, and prevent the seating of diseases. Eminent physicians prescribe them. Sixty tablets, 35 cents.

Sold by Garden Bros.
