**UNION CORNER.**

Quite a number of people went over to McKenzie Corner last Wednesday evening, Nov. 6th, where they found the Baptist church filled to witness the marriage of Mr. John Grant to Miss Edith Currie. The ceremony was performed by the bride's father, Rev. C. Currie. The bridesmaid and groomsmen were Miss Smith and Mr. McKeen, respectively, from Macnaquac, York Co. Mrs. Alfred Henderson presided at the organ. After the ceremony was over, the newly married couple returned to their neat little home at Greenville crossing, followed by a number of the young people, who began to charivari them, but their fun was cut short, by a bountiful treat on the part of the groom. After the usual congratulations each one went his way.

**Stop the Blight**

It is a sad thing to see fine fruit trees spoiled by the blight. You can always tell them from the rest. They never do well afterwards but stay small and sickly.

It is worse to see a blight strike children. Good health is the natural right of children. But some of them don't get their rights. While the rest grow big and strong one stays small and weak.

Scott's Emulsion can stop that blight. There is no reason why such a child should stay small. Scott's Emulsion is a medicine with lots of strength in it—the kind of strength that makes things grow.

Scott's Emulsion makes children grow, makes them eat, makes them sleep, makes them play. Give the weak child a chance. Scott's Emulsion will make it catch up with the rest.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.

At a regular meeting of Watson Loyal True Blue Lodge, held in their lodge room, on Saturday evening, November 2nd., the following resolution was unanimously adopted: INASMUCH as it has pleased Almighty God to call one of our members to the home on high,

THEREFORE RESOLVED, That we the members of Watson L. T. B. Lodge, No. 94 Palmer Settlement, take this our earliest opportunity to express our heartfelt sympathy with Brother Estabrooks in the sad loss sustained by him in the death of his amiable and highly esteemed wife. The sad event has been to him a heavy blow and thrown a dark shadow across the path of his life, but amid all that is sad and sorrowful it is cause for rejoicing to know she has gone to that heavenly home where parting will be no more and we earnestly pray that in this dark hour of sorrow he and his family together with the bereaved sister may receive comfort and consolation from him who is the Grand Master of the Universe.

Signed on behalf of Lodge,  
A. W. CURRIE,  
G. S. WIGGINS.

"No."

Did you ever attempt "The Heart Bowed Down with Grief and Care?"

"Never"

"I never tried it."

"Did you ever paint any pictures of puffy-faced boys with wings for ears?"

"No."

"I never did."

"Miss Smitherson?"

"Well?"

"Would you object to linking your life with mine?"

Two Canadian editors have committed suicide within the last two months. Neither of them was married and so the coroner's jury were at a loss to know why they had taken their lives. An examination of their subscription lists proved that they must have been in desperate straits indeed and the juries returned verdicts of "justifiable suicide."

**Death of Miss Sadie Britton.**

At her late home on Academy street, Auburn, yesterday morning occurred the death of Miss Sadie Britton, after an illness of about a year.

It will be remembered that over a year ago Miss Britton while crossing Court street in Auburn, was run over by a horse. At the time she received severe injuries and was rendered unconscious for days. Ever since the accident she has been an invalid. The deceased was 20 years of age and was deeply loved by all that knew her. Up to the last moment she was patient and cheerful. She was the daughter of Mr. and Mrs. Samuel A. Britton and was born in Woodstock, N. B. During the past five years she has resided in Auburn, where she has won for herself scores of friends by her gentle manners and unlimited cordiality. She was very well known in the musical circles of Lewiston and Auburn at one time having been teacher of music.

The funeral will be held at her late home, 31 Academy street, Auburn, Saturday afternoon at two o'clock.—The Lewiston Daily Sun, October 11.

**A True Nerve Tonic**

acts not so much upon the nerves themselves, as upon the digestive functions, and the abundant formation of rich, red blood. The nerves cannot be fed on medicine. They can be fed and strengthened by digested and assimilated food. Ferrozone's marvellous action arises from its power over the digestive and assimilative functions of the body. You take it, the blood grows richer, redder. You feel strength and vigor, digestion ceases to be noticed, for it has become good. Work is easier, for you have the strength to do it. In a short time you have health. Use Ferrozone. Sold by Garden Bros.
