MEN AS SERVANTS.

Do the Work Thoroughly Without Com

CHICAGO, Dec. 7 .- The frolicsome, irre sponsible servant girl has reason to stop and fact says, "he is hale and hearty," and on ponder. The man housemaid has arrived in that fact the veteran senator is to be con-Chicago. Long ago he got into the house of gratulated. One of these days we will have the wealthy as butler, cook and stable boy, and sundry household duties were imposed on him, at first much against his will, but now he has boldly and unblushingly, as a matter of business, invaded the kitchen, put on an apron and grasped the broom and dish-

He sweeps, cooks, makes beds, cleans and sets the table, breaks no dishes, indulges in no back talk to the mistress and answers quickly when called by his Christian name. He is as cheap as the girl, and the womensome of them-are actually getting to like

"I've had a houseman for the last two months, and he's worth his weight in gold. I wouldn't give him up for any two hired girls I've ever had," says Mrs. William T. Blair, wife of an attorney, of 3,432 Prairie Avenue. "Why, he's a jewel. He does all the work in a house of eight rooms and a family of five, except washing, which I send to the laundry. He keeps the house in perfect order, does his work thoroughly, quickly, without a word of complaint or dispute and without any directions from me."

## "BLOTCHY" FACES

How many have to say "My pimply face is the bane of my life" - How few would have it to say if they gave Dr. Agnew's Ointment the testing that Mr. Lilly did.

"I have found Dr. Agnew's Ointment the best remedy for pimples and sore faces that I have ever used. I had three trying cases under my care and have cured them with this greatest of skin remedies. All traces of the sores in each case have been cleared off and the skin left as soft as a baby's. I recommend it everywhere."

#### The Glass of Fashion.

Filet lace is being more and more used, both the genuine and the imitation.

Morfolk effects in shirt waists as well as jackets are one of the important features of the season's smart styles.

A pretty effect is given a separate waist by having lapels turned back from the narrow vest the full length of t e waist.

Clusters of tucks in yoke depth, with two clusters extending to the waist on each side, are a feature in the front of a pretty French shirt waist that is closed in the center of the

Buttons are quite a feature in millinery. A four cornered hat has the corners formed by the rim being caught up in four places by straps, which are fastened with as many black buttons on the top of the crown.

Steel and black are combined frequently with good effect this year. In some of the smart stocks the dots of velvet which make a good trimming for so many things are set upon a lace or net foundation and encircled with beads, black and steel alternating.

Senators Live Long.

(London Advertiser.)

Senator Dickey celebrated his ninetieth birthday, and the telegram announcing the Senator Wark, the Father of the Dominion senate, celebrating the hundredth anniversary of his birth, for in February next this remarkable statesman will have attained the 90th year of his age. That this is a country which helps men to live to ripened age the record of the ages of the senators proves. The two senators we have named are products of provinces down by the sea. Senator Dickey being a resident of Nova Scotia, and Senator Wark of New Brunswick. But of the six senators who are 80 and under 90, three (Senators Clemow, Gowan and Vidal) are residents of this province, and of the nineteen senators who are 70 and under 80, eleven represent divisions of Ontario, viz. Hon. Messrs. Aikins, Mills, Bowell, Carling, Casgrain, Dobson, A. T. Wood, McCallum, McLaren, O'Donohoe, and Scott. The The ex-premier (Senator Bowell) is 78 but as spry as a cricket.

#### Woman is as Old as She Looks

It is not age but disease, weakness and ill-health that makes women look old, care-worn and wrinkled. You cannot look your best unless you feel well, strong and vigorous, with pure, rich blood and steady nerves. Dr Chase's Nerve Food makes good looks because it makes good health, restores the healthful glow to the complexion, rounds out the form and gives elasticity to every motion of the body.

#### British Ignorance of Canada.

The London (England) Canadian Gazette has the following: "The royal tour will have done much towards enlightening the British public in their ignorance of colonial geography and colonial customs. Amusing exhibitions of this ignorance are constantly occurring. It is related that a lady in England said not long ago to one who came from the City of Quebec; 'I suppose you frequently see the Falls of Niagara.' 'Oh, yes,' was the reply, 'I often take a morning walk there before breakfast,' adding. 'It is only about 500 miles." According to another story, at the time of the Queen's Jubilee in London a lady of rank sent an invitation for a garden party to some Canadians. It was a very pleasant letter and very kindly expressed, and she ended by saying, 'Please come in your native

Unless a radical cure is obtained, the Throat, Bronchial tubes and finally the lungs become affected. Nothing cures colds so quickly and pleasantly as Catarrhozone. The inspector of Mines for Nova Scotia. Mr. Neville, says. "Catarrhozone is the best remedy I have ever used. It cured me of Catarrh of the Head and Throat, and I am pleased to recommend such a satisfactory remedy." Catarrhozone is a safeguard against Colds, Coughs and Catarrh. It can be used while at work, in the church, theatre, or street cars. Simply inhale Catarrhozone and it cures. Price, \$1.00. Small size, 25 cents. ### PATIENCE AND PURSE GONE

And still suffered the untold suffer ings that are a part of some of the more violent phases of Kidney disorder. Doctors couldn't cure-but South American Kidney Cure put him to rights.

Adam Soper, of Burk's Falls, Ont., was for five years a great sufferer from a most aggravated form of Kidney disease. To use his own words: I decided to try some of the patent medicines. I was recommended to use South American Kidney Cure. I received great benefit from one bottle, and five bottles completely cured me-and there has never been a symptom of kidney disorder since that time.'

Merry Christmas, little heart! Sealing tiptoe down the stair, While the shadows spread apart Just to show a something there By the chimney long and white. Santa Claus was here last night! #### Could Dream at Will.

A physican mentions the case of a man who could be made to dream of any subject by whispering about it into his ear while he slept; and it is a familiar fact that persons who talk in their sleep will frequently answer questions if spoken to softly.

Mrs. E. B. Browning said: "Some people always sigh in thanking God. That sigh marks the difference between doing a thing because we "have to" and doing a thing because we "love to." A real love service does not sigh.
