Some people cannot tell "God save the Queen" from "Yankee Doodle" just as some cannot tell Tea from Coffee. If you happen to be one of the latter, you won't like Red Rose Tea any better than any other brand and you had better do your grocer a kindness and take some old brand he would like to get clear of.

WITH this issue we are inserting among our advertisements one from McMurray & Co. of Fredericton. This firm has been doing an exceptionally large business for the last few years in pianos, organs and sewing machines. They employ no agents but sell direct to the purchaser. For twenty one years they have been doing business in this way in Fredericton and have shipped their goods to nearly every county in the province. If you require anything in their line it would be well to write them for prices and terms. Having known Mr. McMurray for the past fifteen years, we can guarantee them to carry out any arrangement they may make.

IN THE roller rink Saturday night two interesting races took place. The first was an apple race, at intermission, between the skate boys. Allie Riordan won, with Pearl Smith second, while Walter Searle came third. The second was a two-mile race between Irving Cameron, of Bangor, and Johnnie Brown of this town. Brown won easily by over a lap and a half. Brown got the advantage on the start and in the fifth lap closed up on Cameron. He continued in this position until the third lap of the last mile, when he passed his opponent, and again did the same thing in the last lap. Time—half 2.36; mile, 3.30; mile and a half, 5.00; two miles, 6.48.

CHARLES L. SMITH, Postmaster of Woodstock, is the owner of an interesting old document, a royal grant of 24,150 acres of land extending from Woodstock down to old Fort Meductic. The grant is dated 1774 and is made to Robert Brown and 121 others, all being British soldiers. The land is quoted as lying, as it did at that time, in the County of Sanbury, Province of Nova Scotia. It is signed by John Parr, Captain General of Nova Scotia. To the document are attached two huge seals, one of sealing wax, now badly broken, and the other of beeswax, the latter being four and a half inches in diameter and about three-eighths of an inch thick. Captain Jacob Smith, a great uncle of Charles L. Smith, was one of the grantees under the deed.

Easily Found.—"Do you think it is desirable for a man to study the dead languages?" "No, sir," answered Mr. Cumrox, with emphasis. "If queer words are what a young man aspires to, the golf and baseball reports in any good daily newspaper will supply all his wants."—Washington Star.

To The Electors of Carleton County.

GENTLEMEN,—At a convention of the friends of the Provincial Government, held in the Town Hall, in the Town of Woodstock, on the seventh day of February instant, I was unanimously chosen as a candidate for the vacant seat in the Provincial Legislature.

I accepted the nomination so tendered me, and I shall be a candidate at the approaching election. Respectfully soliciting your votes and influence, I am,

Sincerely yours,

STEPHEN B. APPELEY.

Dated February 9th, A. D., 1901.

Electors of Carleton County.

In November last I issued my card to the electors and, in consequence of a report at that time that the seat was not vacant, I discontinued its publication. Since then I have been asked if I intended to enter the contest. At the same time I have been informed, what I already know, that a contest is an expensive luxury.

After due consideration I entered the field with the intention, if necessary, to give the majority of ratepayers the privilege of choosing a representative, and I have not changed my mind in that regard.

After the interest I have taken in legislation for the benefit of the people and the great need there is for further work and reform, I think it would be much better to advocate measures for the benefit of the people, rather than have no particular object in view except to follow and support party, whether Liberal or Conservative.

At the hustings and public meeting I will more fully explain my views on the questions that most interest the electors.

Respectfully,

GEORGE W. WHITE.

Centreville, C. Co., 1st Feb., 1901.

HAPPY NUPTIALS.

Miss Lillian Kitchen and Mr. R. G. Lee United in Matrimony.

A wedding which has been looked forward to with more than ordinary interest, took place at the residence of Mr. and Mrs. Coles Kitchen, Campbell street, at 2.30 o'clock this afternoon. The principals were Miss Lillian Kitchen, only daughter of George Kitchen, the widely known and wealthy contractor of Kingsclear, and Mr. R. G. Lee of Boston, Mass., formerly of Woodstock, N. B. The wedding was a very quiet one, only immediate relatives and friends of the bride being present. Rev. J. D. Freeman was the officiating clergyman, and there was neither bridesmaid nor groomsmen.

The bride was charmingly attired in a beautiful costume of heliotrope silk with lace trimmings, and carried a shower bouquet of white roses. She was given in marriage by her father.

At the conclusion of the marriage ceremony the newly wedded couple, and guests repaired to the dining room where luncheon was charmingly served.

The bride who is a most estimable and popular young lady, was the recipient of a host of valuable wedding presents. Her gift from the bridegroom was a gold watch and chain, and her father and each of her four brothers, the Messrs. Willard, Hamilton, Coles, and Alphonzo Kitchen, presented her with substantial checks.

Mr. and Mrs. Lee left by the 4.30 train for Boston, followed by the best wishes of a host of friends for a long and happy wedded life. They will take up their residence for the present at Jamaica Plains, Mass.

The bride's travelling costume was of navy blue broadcloth with hat to correspond.—Fredericton Herald.

A Lightning Change.

Last week it was announced that Frank E. Shea had bought the C. M. Sherwood grocery business in Woodstock. Since then he has sold it to Charles Snow. Mr. Snow has had a long experience in the grocery business and there is no reason why he should not succeed in Woodstock as he did in his previous field.
