Red Rose Tea is pure.

Jack Balloch, son of R. W. Balloch, Centreville, has entered the service of the Bank of Nova Scotia, with the Woodstock agency.

THURSDAY was a day of runaway horses, no less than three teams took it into their heads to strike a pace. No damage was done by either.

AN EXCHANGE says that James M. Dysart, formerly of this town but now of Blaine, Me., has leased the Aroostook House at Mars Hill and will soon have it open to the public.

More than 200 St. John grocers sell UNION BLEND TEAS though some other packet teas offer them a better profit. Their customers demand UNION BLEND for it is UNION BLEND they want and will have.

WILLIAM TRUE, Jacksonville, has purchased a very fine Hereford bull and heifer. Both animals are thoroughbred and have first-class pedigrees. These are the first of this breed around in the vicinity of Jacksonville.

THE following pupils in Grade VIII, College building, each made an average above 80% at the recent monthly examination:—Jean Garden, Roy McLaughlin, Aggie Dent, Edith Seely, and Guy McLaughlin. Names are arranged in order of merit.

ATTENTION is directed to the advertisement of the North American Life Assurance Co., which appears on another page of this issue. About four million dollars of new business was written by the North American last year. Investment policies maturing this year have been apportioned profits in excess of the Company's estimates. This fact speaks exceedingly well for the company. A. D. Holyoke is manager of the North American for the district of Carleton, Victoria and Madawaska counties.

REV. MR. BAILEY, of Stanley, preached in the Methodist church on Sunday morning.

Mrs. Geo. T. Holyoke and little daughter, Eva, are visiting Mrs. G. L. Holyoke, Woodstock, for a week.—Pioneer.

Will you be good enough to tell your grocer exactly what you think of Red Rose Tea?

FOUR young men accepted Chief Harvey's invitation, Saturday night, to spend Sunday at the town boarding house. Police Magistrate Dibblee collected the board bill Monday morning, which the boys thought excelled that of a first class hotel.

MEMBERS of the Fredericton hockey team, before returning home, desired THE DISPATCH to publicly express their appreciation of the kind usage received while here. Wednesday's issue of the Gleaner says:—"The Fredericton hockey team arrived home last evening from Woodstock. All agree in saying that the up river boys are a fine, gentlemanly lot of fellows, whom it is a pleasure to meet, both on and off the ice."

AN ALARM of fire was sounded about 4.30 Saturday afternoon for a fire in the house on Regent street occupied by Caleb Hopewell and owned by William Jordan. Two lines of hose were laid and two streams of water were soon playing on the flames. Considerable damage, amounting to about \$100.00 was done both by fire and water. The furniture was considerably damaged. The building is insured but the occupant had no insurance.

THE race in the roller rink Saturday night between George Gear and "Denny" Glew resulted in a close victory for the latter. Indeed the race was so close—only about six feet between the racers at the close—that many people thought it was a tie. The pair started from opposite corners, and in the forth lap Glew was seen to gain slightly; another slight gain was noticed in the seventh lap, and still another in the ninth. Towards the close Gear closed up on his opponent but not enough to cross the line first. Geo. Baker refereed in a satisfactory manner. Harry Hascall was Glew's judge, while Geo. Searle officiated in like manner for George Gear. Time of race, 3.10.

GEORGE E. ARMSTRONG, the well known Tobique guide left last Friday for Fredericton to join the Mr. Chestnut and the other guides for the Sportsmen's Exhibition in Chicago. He took with him Fred H. Hale's big moose head, which has a spread of 60 inches. This is one of the big ones. The largest ever taken from the province had a spread of 63 inches. Mr. Armstrong intended to go to Fredericton by the Gibson Branch, but the moose head, which was crated up, could not be got in the door of the baggage car and he had to wait for the larger cars of the south-bound express. He expects the New Brunswick exhibit will beat anything shown in Chicago, for he knows of no place on the continent where bigger or more sporty moose can be found than here.

The Provincial Legislature meets tomorrow. Red Rose Tea is a standard by which dealers judge other Teas.

WE want 100 cords of green cordwood in exchange for hardware and groceries. We also want spruce and poplar logs. Shaw & Dibblee, Hartland.

GRAND free-for-all, 4-mile race, at Woodstock roller rink, Saturday evening, March 3rd, in which seven of the fastest skaters in Woodstock and Houlton will compete. Race called at 9.30 p. m. Fun for the millions.

THANKS TO MR. NEWCOMBE.—The employees of the C. P. R. desire to thank Superintendent Newcombe for his kindness in furnishing a special train for them to attend the funeral of the late John Fanning at Debec.

MR. HOEGG of the Canning Factory, Fredericton, was in Woodstock last Friday looking over the plant of the Maritime Pure Food Company. Mr. Hoegg has an idea that perhaps he may be able to manage both the Woodstock factory and his own to the advantage of all concerned.

REV. B. COLPITTS and wife left on Thursday last for Bloomfield, Kings Co., where their daughter, Mrs. William G. Cochran, was very ill. Miss Luella Colpitts has been with her sister for some weeks. Mrs. Cochran died on Friday the 22nd, in her thirty-fifth year. The funeral took place on Monday at 10.30 a. m.

AN invitation, some days ago, was extended to John L. Carleton, K. C., the talented St. John lecturer, to deliver the St. Patrick Day's oration, in this town, under the auspices of Woodstock Division No. 1, A. O. H. Mr. Carleton has accepted the invitation. The 17th falling on Sunday, the lecture will be delivered on Tuesday evening, March 19th. Mr. Carleton's theme will be "O'Reilly, Poet of Humanity," the most popular lecture he has written.

THE funeral occurred Sunday, the 17th inst., of John Fanning. Mr. Fanning was a native and resident of Debec Junction, where he died, after a lingering illness, of consumption. He was a well known and popular brakeman on this division of the C. P. R., his last run being between Woodstock and St. Stephen. His fellow employees on the road, or as many as could, attended the funeral, the courteous superintendent of the road, Mr. Newcombe, having furnished a special train for that purpose. The many friends of Mr. Fanning along the line of the C. P. R. will be grieved to hear of his early death.
