

NEWS FROM THE COUNTY.

JACKSONTOWN.

The preaching service at the Baptist church next Sunday, the 28th, will be at 7 o'clock p. m. instead of 11 a. m. as usual.

Mr. Connelly has moved to the farm recently bought of Mr. Wray. He lost a valuable cow on Saturday last.

Howard Everett has sold his two year old filly by "Pure Willikes" out of the famous running mare "Mollie B." to J. H. Murphy, of Woodstock. This is the third one of this mare's colts that Mr. Everett has sold. They all bring good prices and considering the parentage of these colts we may expect to hear of some very fast work from them in the near future.

Harry Good, Jasper Good and Addy Thomas went to Presque Isle last Saturday, each with a load of goods for Mr. Wray, returning Monday.

Last Saturday night as a couple of young men were returning from Woodstock at quite a late hour they ran on to the large snow drift near what is known as the Palmer place and upset. The horse after dragging his driver in the mud for several rods succeeded in getting away and hastily made for a barn about forty rods away where he stopped. The young men walked several miles before they stopped. On reaching home they procured another team and a lantern and started in search of the lost one. In the meantime a resident of the neighborhood hearing the team rushing into his yard and finding a driverless horse put it in the stable to await its owner. After looking sometime for evidences of the accident and finding none he retired. The owners called later for their team and were gratified to find no other damage than a broken shaft.

Stop the Pain But Destroy the Stomach.—This is sadly too often the case. So many nauseous nostrums purporting to cure, in the end do the patient immensely more harm than good. Dr. Von Stan's Pincapple Tablets are a purely vegetable pepsin preparation, as harmless as milk. One after eating prevents any disorder of the digestive organs. 60 in a box, 35 cents.—40 Sold by Garden Bros.

MISERY AND HEALTH.

A STORY OF DEEP INTEREST TO ALL WOMEN.

Relating the Sufferings of a Lady Who Has Experienced the Agonies That Afflict So Many of Her Sex—Passed Through Four Operations Without Benefit.

Throughout Canada there are thousands and thousands women who undergo daily pains—sometimes bordering on agony—such as only women can endure in uncomplaining silence. To such the story of Mrs. Frank Evans, of 33 Frontenac street, Montreal, will bring hope and joy, as it points the way to renewed health and certain release from pain. Mrs. Evans says: "I feel that I ought to say a good word for Dr. Williams' Pink Pills, in the hope that my experience may be of benefit to some other suffering woman. I am now twenty-three years of age, and since my eleventh year I have suffered far more than my share of agony from the ailments that afflict my sex. At the age of sixteen the trouble had grown so bad that I had to undergo an operation in the Montreal general hospital. This did not cure me and a little later I underwent another operation. From this I received some benefit, but was not wholly cured, and I continued to suffer from pains in the abdomen and bilious headache. A few years later, having with my husband removed to Halifax, I was again suffering terribly and was taken to the general hospital where another operation was performed. This gave me relief for two or three months, and again the old trouble came on, and I would suffer for days at a time and nothing seemed to relieve the pain. In February, 1899, I was again obliged to go to the hospital and underwent a fourth operation. Even this did not help me and as the chloroform administered during the operation affected my heart I would not admit a further operation and was taken home still a great sufferer. In 1899 I was advised to try Dr. Williams' Pink Pills, and decided to do so. I have used the Pills for seven months and have found more relief from them than from the four operations which I passed through, and I warmly recommend them to all women suffering from the ailments which afflict so many of my sex."

Writing under a later date Mrs. Evans says: "I am glad to be able to tell you that not only has the great improvement which Dr. Williams' Pink Pills effected in my condition continued, but I am now perfectly well. I had given up all hope when I began the use of the pills, but they have restored me to such health as I have not before known for years. I feel so grateful for what your medicine has done for me that I gladly give you permission to publish my letters in the hope that other women will follow my example and find health and strength and new happiness through the use of Dr. Williams' Pink Pills."

No discovery in medicine in modern times has proved such a blessing to women as Dr. Williams' Pink Pills. They act directly on the blood and nerves, invigorate the body, regulate the functions and restore health and strength to the exhausted patient when every effort of the physician proves unavailing. Other so-called tonics are mere imitations of these pills and should be refused. The genuine bear the full name, "Dr. Williams' Pink Pills for Pale People" on the wrapper around each box. They are sold by all dealers in medicine or can be had post paid at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

Holles Lindsay Appreciated.

In speaking of a concert given by Prof. Giffin in Amherst N. S., The Daily Press says:—

Prof. Giffin's concert last night was greatly enjoyed by a critical, and appreciative audience, which would have been larger but for the wretched weather. Mr. Lindsay's piano solos were especially good. This young man has a future before him. Handicapped by total blindness, and as yet barely a boy, he is already the equal of many of the prominent public pianists of the day. His interpretation of Schubert was delightful, bringing out the full meaning of the master, with well balanced differentiation of the light and shade. His technique is capable of some improvement, but a year or two more will perfect it. Prof. Giffin himself was almost as enjoyable as the star of the evening. His voice is well trained.

The Sports that Make the Man.

Sir Thomas Lipton, K. C. V. O., has written especially for THE SATURDAY EVENING POST of May 11, an article on The Sports that Make the Man. He places yachting high on the list, and gives some interesting anecdotes of his own career as an amateur yachtsman.

Sir Thomas is hopeful, if not confident, of "lifting" the America's Cup next autumn. He says, however, that if it were a certainty he would not cross the water; for there is no sporting interest in "sure things."

This article will appear exclusively in THE SATURDAY EVENING POST, of Philadelphia.
