Opp. Carlisle Hotel, Woodstock.

### NEWS FROM THE COUNTY.

#### NOTICE TO CORRESPONDENTS.

Correspondents must send their names with each week's contribution, or their matter will not be printed. The names will not be published, but The Dispatch must know who is accountable for everything that is inserted in its columns.

#### TOBIQUE NARROWS.

Mr. Robinson, wife and son, of Fort Fairfield, were the guests of Mrs. Robinson's mother, Mrs. N. DeMerchant.

Miss M. McLaughlin recently gave a candy party to the pupils of her school at the home of J. K. Larlee, where she boards, which was much enjoyed by the juveniles.

Rain has fallen here nearly every day for the past week and the roads are in a bad condition.

Misses Nellie and Edith Larlee paid a flying visit to their cousin, Miss Etta McEachern, of Tilley, one day recently.

Several men from here have been working at Plaster Rock.

W. Lovely is home on a short visit.

#### ST. ZACHARIE-LA-BEAUCE, QUE.

J. M. McNulty has finished up his winter's cut of lumber on the North Branch of Penobscot and sent out his men and horses. About three hundred men and a hundred and thirty horses passed through here on Monday and Tuesday. Alex. McLeod, walking boss, Rob. Lynch, Frank Prouty and J. A. Dubay, foremen, and Fred Kelly and Albert Prouty, clerk, were with the crew. V. P. Jackson has about twenty men and three pair of horses in at the camps getting ready for driving. Messrs. Ranney and Vinal have just finished taking an inventory of the horses and supplies turned over to the Great Northern by Mr. McNulty. The people of Beauce County all express regret that Mr. McNulty has sold out his business on the North Branch for they do not expect that the new company will do as extensive a business as he has been doing. The North Branch has been an extra good market for the "Canadian habitants" of this vicinity since Mr. McNulty began operations there and they hate to see him go.

#### CENTRAL SOUTHAMPTON.

This place has not had a fine day for nearly a week and by the appearance now it might storm for another week. The roads are almost impassable.

Mr. Barnes had service here last week but on account of the weather very few got out.

There is one thing we are pretty sure of, that is, bad roads and no mail. We had one mail last week and your valuable paper of the 27th arrived a week late.

Nackawick bridge being down makes it rather inconvenient. You would have felt some sorrow to see a man take his team and drive twelve miles over these roads when if he could have crossed Nackawick four miles would have taken him where he had to go.

Theo. Sherwood, of Woodstock, was a guest of Mr. and Mrs. E. F. Tabor through the pouring rain of Wednesday the 27th of March.

The sewing circle of this place met at the residence of Gordon A. Grant on Wednesday, April 3rd.

Woron B. Galupe has sold his farm here and moved over the river to Temple.

#### EAST FLORENCEVILLE.

J. C. Hartley, of Woodstock, was in the village last week.

Mrs. W. W. Boyer, of Fort Fairfield, Me., was visiting Mrs. J. D. Burnham last Monday and Tuesday.

Mrs. A. D. Hartley was in St. John last week, attending a millinery opening there.

Charles Wilkinson now carries the mail from the station to Centreville.

A. P. Davis spent Easter at his home in Waterville.

The sidewalk between here and Nackawick is something of a place should be proud of about this time of the year. Instead of walking through the mud for a mile, one can walk on a neat little plank walk that runs along under the trees.

The ice in the river ran out Wednesday night April 3rd, the earliest for some time. There was little damage done. Four iron plates were torn off the piers, but later a ferry boat and boom filled their place. The boat has since been torn to pieces by the ice.

Mr. Bridges is around taking the census. He will be in the village about a week.

#### RED RAPIDS.

Our roads are not what they might be when His Majesty's mail has been delayed for a week and other traffic stopped. They are almost impassable. The weather is very

warm and the sun as strong as in mid-summer.

Holland Giberson and children were quickly summoned away from here on the 27th to the deathbed of his daughter, Florence, who expired before he reached her at Bath. She was at her grand parents carefully attended by her mother and the best medical aid procured but all help availed nothing. She was sixteen years old the day she died. She was a smart, intelligent young lady.

Mrs. O. C. Boyer attended the meetings at Beachwood last week.

W. Spiks of Andover made a business call here on Tuesday.

J. Weaver, proprietor of the Weaver House at Plaster Rock passed through here on Saturday.

### The Spring Feeling.

NOT EXACTLY SICK—BUT NEITHER ARE YOU WELL.

Close Confinement During the Winter Months Has Left You Weak, Easily Depressed and "Out of Sorts."

The words "weak and depressed" express the condition of thousands of people in the spring time. It is one of nature's signs that humanity cannot undergo months of indoor life in badly ventilated buildings with impunity. Sometimes you have a headache; slight exercise fatigues you; your appetite is variable; you are easily irritated or depressed; perhaps there are pimples or slight eruptions that indicate the blood needs attention. Whatever the symptom may be it should be attended to at once, else you will fall an easy prey to graver disease. Do not use a purgative in the hope that it will put you right. Any doctor will tell you that purgatives weaken, that they impair the action of the liver and create chronic constipation. A tonic is what is needed to help nature fight your battle for health, and there is only one always reliable, never-failing tonic and that is Dr. Williams' Pink Pills. These pills have no purgative action. They make rich, red blood, strengthen the tired and jaded nerves, and make weak, depressed, easily tired people, whether old or young, bright, active and strong. Among those who have proved the health giving qualities of Dr. Williams' Pink Pills is Miss Emma Chapput, of Lake Taron, Ont., who says: "I cannot thank you enough for the good I have derived through the use of Dr. Williams' Pink Pills. I honestly believe that but for them I would now be in my grave. My health was entirely broken down. My face as white as chalk, and if I made the least effort to do any housework I would almost faint from the exertion, and my heart would beat violently so that I feared I would drop where I stood. I was a great sufferer from headaches and dizziness as well, and my appetite was so poor that I scarcely ate at all. I tried several medicines, but they did not help me, and then I decided to send for some of Dr. Williams' Pink Pills. I got six boxes and before I used them all I was as well as I had ever been, with a good healthy color, a good appetite and an entire freedom from the ailments that had made me so miserable. You may be sure that I will always have a warm regard for your invaluable medicine."

Do not experiment with other so called tonics—you are apt to find it a waste of money and your health worse than before. You will not be experimenting when you use Dr. Williams' Pink Pills. They have proved their value the world over, and you can rely upon it that what they have done for others they will do for you. If you cannot get the genuine pills from your dealer send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and they will be mailed post paid at 50 cents a box or six boxes for \$2.50.

#### Timber Land of New Brunswick.

At the second annual meeting of the Canadian Forestry Association, held at Ottawa last month, W. P. Flewelling, Deputy Surveyor General of New Brunswick gave a description of the timber resources of the province, the conditions under which timber licenses are granted, and of the methods of lumbering. The Crown still owns 7,500,000 acres, the greater portion of which are timber lands. Timber licenses are now held on about 6,000,000 acres of this land. Formerly timber licenses were granted for one year

## Nerve Food

If you have neuralgia, Scott's Emulsion of Cod Liver Oil will feed the nerve that is crying for food—it is hungry—and set your whole body going again, in a way to satisfy nerve and brain from your usual food.

That is cure.

If you are nervous and irritable, you may only need more fat to cushion your nerves—you are probably thin—and Scott's Emulsion of Cod Liver Oil will give you the fat, to begin with.

Cure, so far as it goes. Full cure is getting the fat, you need from usual food, and Scott's Emulsion will help you to that.

If you have not tried it, send for free sample, its agreeable taste will surprise you. SCOTT & BOWNE, Chemists, Toronto.

50c. and \$1.00; all druggists.

## Are the Children's Eyes All Right?

If their eyes have troubled them, or there is anything the matter with them now, bring the little ones in. A thorough examination is yours or theirs for the asking. The most difficult case fitted with ease by our new methods. At this season of the year the sun is hard on the eyes. Protect them with a pair of our Smoked Glasses. A large assortment to choose from.

**W. B. Jewett,**  
OPTICIAN,

Jewett's Corner, Woodstock.

only. Later a system of three years licenses was adopted, and in 1893 a change was made to 25 years. The longer lease has led to the cutting of timber with greater care. The provisions of the license state that no tree shall be cut which will not make a log ten inches at the top, eighteen feet up. Owing to the great demand for pulp wood, many private owners allowed the cutting of spruce down to four and five inches in diameter.

The growth of spruce in most parts of New Brunswick is rapid. One of the largest operators stated, from personal observation, that a spruce tree would grow from the bud large enough to make a merchantable log in thirty years. The annual cut of spruce and pine logs from Crown land is from eighty to one hundred superficial feet. Many large holders of licenses cut their limits very judiciously. Lands will be laid off in strips of 1 1/4 or 1 1/2 miles wide, and from 5 to 10 miles long; one strip will be cut over one year, taking all the merchantable logs, the next year the adjoining strip will be operated on and so on, for about seven years, when the parties can be sent back to the strip first cut over and find that the growth has been so rapid that another good operation may be had.

Mr. Flewelling pointed out that the province should protect its spruce timber both from the indiscriminate use of the woodman's axe and from destruction by fire.

"Hi dar! Clar de track for mammy's pickaninny!" begins the catchy coon song chorus, as sung by one of the Houlton ladies in their minstrel show Friday night April 12th, in Graham's Opera House, Woodstock. Don't miss hearing it. The program is made up of all the newest and most taking character songs and sketches, funny jokes, (not personalities) and dances. The best vocal talent among the ladies of Houlton is in this company, under the direction of Mr. and Mrs. Rodenbaugh of Boston, the talented entertainers and instructors, who have lately given several very successful entertainments in Bangor, Calais and elsewhere in this vicinity. A ladies' minstrel entertainment is a distinctly new departure, so don't miss seeing it, a big company of over thirty people, assisted by the Houlton Band orchestra. The cake walk is the best ever given here, gorgeous costumes and the newest steps, the genuine southern "walk". See what the papers said of the one given by Mrs. Rodenbaugh in Calais. "It was universally pronounced the prettiest and best cake walk presented here by professionals or amateurs and reflected very great credit upon the participants and upon Mrs. Rodenbaugh, under whom they had received careful instruction. All were excellent and many novel features were introduced. Hon. Chas. A. McCullough, Henry B. Eaton and J. T. Whitlock were referees, the prize, an immense cake, being awarded to the couple receiving the greatest amount of applause from the audience. Each couple was awarded liberal applause, but the greatest amount was given to Mr. Murchie and Miss Sawyer, and to them was awarded the cake, which they afterwards generously divided equally among the participants. Look out for small bills and the program, and come and see us. The above entertainment has been gotten up by Mrs. Parker P. Burleigh, Mrs. Nevers, Mrs. Gilpatrick, Mrs. Ebbelad, Miss Kinney, Mrs. McIntyre, Mrs. Ludwig and other prominent Houlton ladies.

Green: "Congratulations, old chap! I heard you married a lady with an independent fortune."

Brown: "So I thought, but I find that I'm married to a fortune with an independent lady."

## NEW CLOTHING! Hats, Caps, —AND— CENTS' FURNISHINGS.

Our new stock of Clothing for Men, Boys' and Children, has arrived.

New Hats, Latest Styles.

**CONNELL BROS., LIMITED.**

WOODSTOCK, N. B.

#### MONEY TO LOAN.

Money on good real estate mortgage security, at reasonable rates of interest, may be obtained on application to the undersigned at his office opposite the Carlisle Hotel.

LOUIS E. YOUNG, Woodstock.

#### FARM FOR SALE.

I want to retire from farming, and therefore offer for sale my two farms at Greenville Station, Carleton County, four miles from Houlton. Both farms contain buildings, one set of which is in first class condition. A good acreage of wood land. These farms front on Green's Lake, a beautiful stretch of water of about 100 acres, and the railroad crosses their front. I will also sell all my stock and farm machinery. The greater part of the purchase money may remain on mortgage. Apply to me on the farm.

ALFRED MERRITT, NEW,

27mar 61

The undersigned has been appointed agent for the

**CANADIAN RAILWAY**
