The Thistles found it necessary to use three pitchers, viz:—Hartford Dubois, Brad Walker and Percy Walker. Louis Milmore pitched a magnificent game for the Grammar School; he, with Don Connell as catcher, succeeded in obtaining 12 strike-outs, and allowing the Thistles only four scattered hits. THAT highly amusing comedy drama, "Side Tracked," will be presented for one night at the opera house, Wednesday evening May 14th, and judging from the splendid reception the piece and company presenting it have been given by press and public throughout the country, it should prove a strong drawing card here. The plot is well constructed, and affords opportunities to display in a natural manner the light and dark sides of life on the rail. There is enough interest in the development of the story to attract every class of theatre goer, as is evidenced by the applause from every portion of the house.
