ROY SMITH, son of the Postmaster, is ill with pneumonia.

THE Rev Joseph T. Parsons will lead the service at the Advent Church next Sunday afternoon, at three o'clock.

ON Sunday at St Gertrude's church a collection amounting to \$50.00 was received for the purposes of the proposed Hospital in Woodstock. In St. Paul's church the sum of \$124.00 was subscribed for the same purpose.

AGAIN TO THE FRONT.—The "Manufacturers and Temperance and General Life Assurance Co." with over \$27,000,000 of insurance in force and the lowest death rate on record of any Co. of its size and age. Hence the largest profits for policy holders.

JOHN GREGG, of Centreville, was in Woodstock last Thursday when he bought from Dr. Baker his Centreville property, consisting of about four acres of land. This was the location of Dr. Baker's large and handsome residence which was destroyed by fire five or six years ago.

MILTON DAYTON, one of the most prominent and respected business men of Edmundston, died at his home on Saturday afternoon. Mr. Dayton had been in failing health for some years. He was a native of St. Mary's, York County, but moved to Edmundston a number of years ago.

At 5.30 o'clock this morning Miss Helen F. Jordan, daughter of C. D. Jordan, was united in marriage to Paul Shaw of Vancouver, B. C. The ceremony took place in St. Luke's church, the Reverend Archdeacon Neales officiating. Mr. and Mrs. Shaw left on the early train for Vancouver.

J. J. TROY has recently had the interior of his restaurant very much improved by a lavish use of paint and wall paper. The result, both up stairs and down is an increased brightness and cleanliness and the whole place is much more attractive than ever before in the history of this well known restaurant.

WILLIAM CHURCHILL, of Jacksonville, loaded his personal effects on a C. P. R. car at Upper Woodstock on Monday, directing them to Fort Fairfield. Mr. and Mrs. Churchill and three children have all gone to their new home at the Fort. Their friends at Jacksonville will miss them. William L. Margison, of Knoxford, has bought Mr. Churchill's farm and will move down next week.

ALL S. S. WORKERS and others interested are hereby informed that the annual S. S. convention of Woodstock parish will be held in the Methodist church, Lower Woodstock, on Monday afternoon and evening the 17th inst. It is hoped there will be a large attendance at both sessions as not only is an excellent programme being prepared but the election of officers for the year takes place at this convention.

A DELIGHTFUL evening was spent at the home of Mr. and Mrs. H. V. Dalling on Thursday last. Music and games were enjoyed by all, and the opportunity was taken advantage of by the young ladies to present Mr. C. Herb Smith with an address and a pair of beautiful military brushes. The presentation was made by Miss Trixie Augheron. Mr. Smith replied in few words expressing his appreciation of this token of their good will and assured them that he would never forget the many warm friendships which had existed in the past.

J. FRANK TILLEY, Dairy Superintendent, who is giving instruction in cheese making at the Provincial Dairy School at Sussex, spent Sunday at his home in Woodstock. Mr. Tilley says there are 35 students in attendance, most of whom are taking the full course, which consists of milk-testing, cheese-making, separating and butter-making. Among the students are Elmer Stokoe, of Bloomfield; Peter Laursen and Henry Brinkman, of Salmonhurst, Victoria County. It is a credit to Kings County that the farmers within three miles of the factory are able, at this season of the year, to supply from 3,500 to 4,500 lbs of milk a day.

T. V. MONAHAN has moved his popular restaurant from Connell street to the place in the McLean building next below the Carlisle Hotel. Here Mr. Monahan has a new and pleasant location and many of his facilities are much better than at his old stand. His large and commodious dining room up stairs is a credit to him and to the town. The large bay window at the front of the room gives a charming view up and down Main street, and when one has had plenty of scenery he can turn to the well set tables and enjoy the other pleasures for which the room was more than particularly planned. Just across the hall from the dining room is a sitting room, a convenience which Mr. Monahan did not have in his old place. The whole second floor is heated with steam and lighted by electricity. In his new place Mr. Monahan will no doubt find his business increase.

The Woodstock Hospital Now a Fact.

At the mass meeting held in the Opera House last evening, the programme was carried out as below. His Worship, Mayor Belyea, presided. Dr. W. N. Hand gave a summarized statement of the minutes of previous meetings. Rev. Father Chapman spoke on the medical profession; and was followed by a piano solo by Miss Phelan. Dr. W. D. The audience was then treated to a piano solo by Miss Porter, and a song by Mrs. W. D. Rankin.

Mr. Frank B. Carvell then moved that in the opinion of this meeting steps should be taken to establish a hospital in the town of Woodstock, and this resolution was seconded by Archdeacon Neales. His Worship, Mayor Belyea, then made the following announcement of contributions:—A house and lot valued at \$500, to be sold and proceeds to go to hospital, presented by a prominent citizen. A lot of land from Lindsay estate. Dr. W. D. Rankin, \$100; Dr. W. N. Hand, \$100; Mayor Belyea, \$100; St. Paul's Church, \$146; St. Gertrude's Church, \$50; Town Council, \$300; A Lady, \$150.

The Debating Society.

The first regular meeting of the Young Men's Debating Society was held in the W. B. C. rooms on Thursday evening last. President A. D. Holyoke occupied the chair.

The enrollment of members was the first matter of general interest, about 30 names being entered on the roll. The debate for the evening was then taken up.

Resolved, that Chinese immigration is detrimental to the best interest of Canada.

The affirmative was led by A. W. Young supported by Messrs Tapley, Hay, Dalling, Waite, Dunbar and McLaughlan; the negative was led by N. F. Thorne followed by Messrs. Campbell, Fisher, Watt, Nicholson, Saunders. The debate was then thrown open and the following members took part:—A. D. Holyoke, F. Saunders, W. Balmain, A. Kirkpatrick, H. W. Martin, W. W. Hay, K. Connell, W. Walker, A. P. Davis.

The different members who took part did so with a willingness and enthusiasm which augurs well for the success of the society. Some of the boys did remarkably well making speeches full of thought and point, and giving evidence of much latent talent. Special reference might be made to Harry Saunders, Mark Tapley, R. Wait and W. Carey Hay, whose addresses were excellent and showed careful preparation.

Mr. Dibblee in summing up the matter gave some valuable suggestions as to the arrangement and preparation of matter for debate and advising the younger men to rely upon the strength of their independent thought rather than the weakness of their opponent's argument. After a careful review of the points presented he found that the affirmative had made out a stronger case.

The subject for debate next Thursday evening will be:—

Resolved, that the interests of Woodstock would be furthered by the granting of bonuses to encourage manufacturing industries.

ON Sunday evening in the Albert Street Baptist Church, the Rev. Z. L. Fash baptized five converts. In the Free Baptist church the Rev. F. Allison Currier baptized ten.
