

Woman's Fortitude

SEVERELY TRIED BY AILMENTS PECULIAR TO THE SEX.

Ordinary Medicine Will Not Cure Because it Merely Touches the Symptoms—How to Get at the Root of the Trouble.

Behind the veil of her womanly modesty and fortitude, nearly every woman suffers indescribably from time to time, and continues to suffer in spite of all her efforts, because ordinary medicine is powerless to do good in such cases. Ordinary medicine may give temporary relief—even a purgative may do that—but the one great medical discovery capable of permanently curing and preventing a return of the ailment is Dr. Williams' Pink Pills. These pills are not a patent medicine, but the prescription of a regularly practicing physician who used them in his private practice for years before they were given to the public under the name of Dr. Williams' Pink Pills. They are the best medicine for man; the only medicine for woman. Mrs. John McKerr, Chickney, N. W. T. says: "Dr. Williams' Pink Pills have saved me many a dollar in doctors bills. For some years I was greatly afflicted with ailments that make the life of so many of my sex miserable. I tried many medicines but found no relief until I began the use of Dr. Williams' Pink Pills. These pills have made me feel like a new person; the almost continuous suffering I endured has passed away and life no longer seems a burden. I know of a number of other women who have been similarly benefitted and I think Dr. Williams' Pink Pills worth their weight in gold to those who suffer from female complaints or general prostration."

The happiness of health for both men and women lies in the timely use of Dr. Williams' Pink Pills, which act as a nerve tonic and supply new blood to enfeebled systems. They have cured many thousands of cases of anaemia, "decline," consumption, pains in the back, neuralgia, depression of spirits, heart palpitation, indigestion, rheumatism, sciatica, St. Vitus' dance and partial paralysis. But substitutes should be avoided if you value your health; see that the full name "Dr. Williams' Pink Pills for Pale People" is on every box. Sold by all dealers or sent post paid at 50 cents a box, or six boxes for \$2.50 by addressing The Dr. Williams' Medicine Co., Brockville, Ont.

The Late James W. Boyer's Will.

The will of the late James W. Boyer, of Victoria Corner, Carleton Co., shows the following bequest to the Free Baptist church:

"That the sum of one thousand dollars be deposited by my executors in the Dominion Government Savings Bank or some similar institution and that the interest thereon be paid yearly and every year to the deacons and trustees of the Free Baptist church at Victoria Corner, to be used in the first place to pay the premium of fire insurance on the church building of said Free Baptist church to the extent of one thousand dollars insurance, and the balance to be paid on account of the pastor's salary on the pastorate or circuit of which said church forms a part. In case the said church ceases to exist (which I hope will never occur) then the said interest is to be paid to the Free Baptist General Conference for Home Mission Work.

"That the sum of three hundred dollars be deposited by my executors in Government Savings Bank or in similar security and that the interest thereon be paid yearly and every year to the Free Baptist General Conference of New Brunswick for Home Mission purposes.

"That the sum of three hundred dollars be deposited by my executors in the Government Savings Bank or in similar security and that the interest thereon be paid yearly and every year to the Free Baptist Conference of New Brunswick for Foreign Mission purposes."

"The American Girl."

Mr. A. Q. Scammon's splendid company supporting the popular comedian George F. Hall, in H. Grattan Donnelly's best effort, "The American Girl", will be seen at Graham's Opera House Thursday June 5th. The piece is one of those clever devices of humorous situations while telling an interesting story, and the attention of the audience never lessens during the progress of the performance, being held alternately between pathos and comedy. Some very clever specialties are introduced and "The American Girl" is always voted a most pronounced success from every point of view.

The ancient whaling bark "Kathleen," while cruising off the West Indies, was recently struck by an infuriated harpooned whale, and so great was the damage done that the vessel immediately began sinking fast. The captain's wife had barely time to get into a boat when the old bark went down. The sailors declare solemnly that the favorite parrot of Captain Jenkin's wife, which she rescued, said plainly as he was being lowered over the side, "D— hard luck; that's what I say, d— hard luck." The skipper's wife and her beloved bird were followed over the side by the cook, the cabin boy and the master himself.

PEACE PROCLAIMED.

PRETORIA, Saturday, May 31, 11.15 p. m.—A document containing terms of surrender was signed here this evening at 10.30 o'clock by all the Boer representatives, as well as by Lord Milner, the British High Commissioner in South Africa, and myself."

LONDON, June 2.—In the house of commons today, the first lord of the treasury, and government leader, A. J. Balfour, announced the terms of peace in South Africa, as follows:

"The Burgher forces lay down their arms and hand over all rifles, guns and ammunition of war in their possession, or under their control. All prisoners are to be brought back as soon as possible to South Africa, without loss of liberty or property. No action to be taken against prisoners, except where they are guilty of breaches of the rules of war.

"Dutch is to be taught in the schools, if desired by the parents, and used in the courts if necessary.

"Rifles are allowed for protection.

"Military occupation is to be withdrawn as soon as possible, and self government substituted. There is to be no tax on the Transvaal to pay the cost of the war."

"The sum of three million sterling (\$15,000,000) is to be provided for restocking the Boer farms.

"Rebels are liable to trial, according to the law of the colony to which they belong. The rank and file will be disfranchised for life. The death penalty will not be inflicted."

OTTAWA, June 2.—The peace proclamation will not affect the term of service of the Canadian corps out in Africa. The South African Constabulary was enlisted for three years, of which almost one half has now passed. The Canadian Mounted Rifles accepted engagement for one year, or till the end of hostilities. No one here expects, however, that the men will be let go till the full term has run out. They can give efficient service and will no doubt release imperial troops who have been in the field since the early stages of hostilities. The Canadian soldiers recruited for service in South Africa since the outbreak of hostilities have numbered over seven thousand. The deaths in action and from disease, chiefly enteric fever, total 230, as follows:—First contingent, 68; First Canadian Mounted Rifles, 41; Royal Canadian Artillery, 9; Strathcona Horse, 27; Canadian Scouts, 12; South African Constabulary, 51; Second Canadian Mounted Rifles, 16; Canadians in various imperial corps, 6. Members of the local militia were desirous of having a brigade turnout this evening to celebrate the confirmation of peace, but Gen. O'Grady Haly intimated it must be in review order, and as the mounted units are not prepared for this on such short order the proposed parade was dropped. The general's ruling will create much bad feeling.

SUMMER ENERGY AND ACTIVITY.

If You Are Nervous, Despondent, Sleepless, Irritable or Out-of-Sorts in June, **PAIN'S CELERY COMPOUND** Will Give You Nerve Force, Fresh Energy, Vigor and New Health.

June should be the banner month of the year for the enjoyment of nature and life. If men and women are not physically capable of enjoying the good things of nature and home so bountifully provided by an All-Wise Creator, the fault is their own in the majority of cases.

Our nervousness, insomnia, despondency and irritableness are continual and forcible reminders of ill health and disease. Their continuance in June means unhappiness and misery; their banishment of the use of Paine's Celery Compound means energy, activity, vigor and full ability to enjoy Heaven's best gifts. Thousands are now acquiring rugged health, home and nature will be your portion if you wisely use the great medicine this month. It truly makes people well.

Alice, who was five years old, was often asked to run errands for her mother. She went very willingly if she could pronounce the name of the article wanted, but she dreaded the laughter which greeted her attempts to pronounce certain words. "Vinegar," was one of the hardest for her. She never would go for it if she could help it; but one morning her mother found it absolutely necessary to send her. On entering the store she handed the jug to the clerk and said: "Smell the jug and give me a quart."

THE BAIRD CO. Ltd

One of the most remarkable newspapers in the world is the "Mexican Herald," printed in English, with all the Associated Press telegrams, which have to travel over a thousand miles by special wire, edited by English and Americans, but set up by compositors who are all Mexican Indians, not one of whom knows a single word of the language he is setting up. He does it word by word from typewritten manuscript, and the "readers" are so careful that there is seldom a wrongly-spelt word in this hurriedly-put-together daily paper.

Nine years ago "David Copperfield" stood at the head of a list of most popular novels compiled by the "Forum" from the special reports of librarians all over America. Since that time the vogue of Dickens has ebbed and flowed, and is now, according to all accounts, again at full tide. At the annual meeting of the London publishing firm of Chapman & Hall, the other day, it was reported that the works of Dickens are now having a more extensive sale and are more popular in England than "those of Hall Caine and Marie Corelli." Whence it would seem that the "Dickens revival" is not confined to the American side of the water.
