WILLIAM KIMBALL, of Waterville, is not grumbling about the hay crop. He has one piece of ground that cuts him two and a half tons to the acre.

The apple crop promises big things this year. The Crimson Beauty will be ready to pick next week and a couple of weeks later the New Brunswick will be ripe.

SHERIFF HAYWARD and Guy Saunders returned on Saturday night from Miramichi where they were on a fishing trip. They say the fishing was the best they ever saw on the Miramichi waters. The large salmon got away from them but they got 14 grilts and about a bushel of trout from four pounds down.

MRS. GEORGIE BEARDSLEY, formerly Miss Georgie Crillen, of Woodstock, but who has for twelve years resided in Michigan, was married in Houlton on Monday, July 28th, to Frank Flemming of Millville. There was an error in the announcement of Mrs. Beardsley's wedding which appeared last week.

THE "Monetary Times" says:—"The Manufacturers' and Temperance and General Life Assurance Co., with an income of more than a million, and with interest, income and rents more than sufficient to pay losses of this year—the Co. offers to the public an earning power which may well attract additions to its already large list of policy holders."

J. H. WEAVER, proprietor of the Weaver House, two miles above Plaster Rock, on the Tobique, has recently made extensive improvements in his hotel. The addition of a bath room and porcelain sinks in the kitchen and basins in the lavatory off the office with hot and cold water have added greatly to the convenience of the hotel, which is now one of the best hostleries in the upper country. The plumbing was done by Fewer Bros.

A big basket picnic will be held on Archie Hay's Flat, Lower Woodstock, on Tuesday August 26th. This is a Sunday school picnic and every Sunday school in the Parish of Woodstock is invited to attend. Everybody is invited to be present. A fine series of sports has been arranged for the afternoon and an entertainment will be held in the Methodist church in the evening.

THE fifth of a series of lectures being conducted by the Lower Woodstock Methodist Sabbath school in aid of the Carleton County Hospital fund, was delivered by D. McLeod Vice on Sunday evening Aug. 10th., his subject being "The Identification of the British Nation with the Lost Ten Tribes of Israel." Mr. Vince delivered this lecture in an eloquent and masterly style. The arguments used were strong, clear, and conclusive, justly earning the thanks of the large and appreciative audience.

THE GREATEST indignation prevails over the conduct of the races at Fort Fairfield last week. In the race in which Jerry D., Gertie Glen and Joe Hal trotted, a man who had money on the race had to insist on the driver of Gertie Glen being taken from the sulky and a new man put up. In one race in which two horses only put in an appearance, one with a record of 2.17 and the other 2.19, they made a sad procession, coming under the wire in 2.30. The men in this part of the country who are fond of horse racing want honest racing and if they can't get it they won't go back.

IN THE report of the town council of last Monday evening Coun. Dibblee was quoted as saying that he would agree that his motion for an extension of time for the 5% discount on taxes should be dropped if Coun. R. B. Jones would make a motion that the council employ Deputy Sheriff Foster to collect the taxes. What Coun. Dibblee did say was that he would agree to the motion being dropped if Coun. Jones would move a resolution that the executions be issued at once and placed in the hands of the collector, John C. Gibson. The error, which was inadvertently made, rather casts a reflection on the ability of Mr. Gibson to collect the taxes, a duty which he is performing to the entire satisfaction of the council.

SOME of the young ladies and gentlemen of Florenceville will give a dramatic and variety entertainment in Kearneys Hall on Saturday evening, August the 23rd. The programme will include a comedy entitled "The Lottery Ticket" and a farce called "A Black Diamond." Songs and comic specialties will be introduced. Among the gentlemen whose names appear on the programme are J. V. Kearney, D. W. Hamilton, B. A., Andrew D. McCain and P. A. Ash, a gentleman from Australia who is visiting in Florenceville and who is a leading spirit in the affair. The ladies who will figure are Miss Viola McCain, Miss Bertie Boyer, Miss K. E. McGaffigan, Miss S. Jewett, Miss J. Jewett, Miss Mary McCain, and Miss N. Taylor. The public have every reason to look forward to a first class entertainment. Posters will be out this week.

GEO. H. PALMER, the popular station agent here of the Halifax & Yarmouth Railway, has resigned his position and left on Wednesday for Woodstock (N. B.), where he has accepted a position in the C. P. R. employ. Before leaving he was presented with a handsome gold chain and locker from the employees of the road who held him in great esteem.—Yarmouth Times.

THE passenger traffic from McAdam, north, through Woodstock, by the C. P. R. is heavier this season than it has been since the B. & A. was built. In the first year of the B. & A. the travelling public to a large extent asked for transportation over the new road, but since things have settled down to a normal state of affairs the attractions of the St. John river and the excellent service of the C. P. R. have drawn a constantly increasing traffic this way, until now the Express trains through Woodstock carry a larger number of people than at any time in the past.
