### Death of F. A. Phillips

The community was shocked on Friday when announcement was made of the death of Fred A. Phillips, which occurred at his residence, Bristol that day. He was only ill a week, and on Friday morning a consultation of physicians decided that an operation for appendicitis was necessary, but unfortunately the operation was not successful in prolonging his life. He was the only son of E. D. R. Phillips, of Bath, and had resided in Bristol about seven years, where he had built up a large mercantile business. He was 34 years of age, and leaves a wife and two sons.

The funeral was held on Sunday, and was attended by a large concourse of people from all the surrounding community, citizens of every class assembling to pay their last tribute of respect to the memory of one, who in his life time enjoyed the esteem of a large circle of friends. The obsequies were under the auspices of the I. O. F., with which order the deceased had been an honored member, Court Sterling having charge of the burial of their late brother.

The services at the house, grave, and church were solemnized by Rev. W. H. Smith, Rev. J. B. Young and Rev. C. Sterling. The choir of the Baptist church sang two or three beautiful hymns as part of the service: Interment was made in the Methodist cemetery, East Florenceville, the procession was a very lengthy one, the Foresters, marshalled by John Farley district deputy, H. C. R., marched ahead of the hearse, and the friends and citizens falling in behind. The pall-bearers were Messrs G. H. Boyer, G. H. Tompkins, C. W. Brittain, A. B. Gaines, H. M. Tompkins and Theodore Rogers. The beautiful and solemn burial service of the I. O. F. was read by G. A. Brittain, Chief Ranger, A. J. McLean, P. C. R. and C. J. Estabrooks, Orator.

### An Importation of Pure Bred Stock.

Last week George W. Sharp of Pembroke was in Ottawa where he made some purchases of pure bred stock for his farm. Among other stock he bought a couple of shorthorn cows for which he paid \$400.00 a yearling heifer, at \$250.00, a yearling bull, sired by the imported bull Morning Jov. Last year this calf's full brother sold for \$280.00. Mr. Sharp also bought 12 Shropshire Yews averaging about \$20.00 per head, and four Shropshire rams.

This lot of sheep was purchased from the flock of W. C. Edwards, Rockland, Ontario, which has the repute of being one of the finest flocks in Canada.

### Something New and Up-To-Date.

Drs. Manzer and McLean the enterprising dentists have just received from the manufacturers a Dental Surgeon's Traveling or Visiting Case. This case is made of wood covered with stout black leather and nickel plated mountings, size 18x7x7 inches. It fills a long felt want of the Dental Surgeon as by reason of having this apparatus it is now possible for patients to receive in their own homes the use of gas. Formerly persons who were often too ill or unable for other causes to visit a dental office the Dental Surgeon's Traveling Case now brings to them in compact form all the comforts of a dental office in the use of gas. No one at a moderate distance from these dentists can hereafter have any excuse for delay in having their dental wants attended to. All that is necessary is to make an appointment with them and at a short notice they will call, all prepared.

This is one of the first surgeon's gas cases introduced into the Maritime provinces and speaks well for the enterprise of Drs. Manzer and McLean in securing every device that will tend towards the comfort and convenience of their patients

### Easter in the Churches.

#### ST. LUKE'S CHURCH.

The usual Easter Services were held in St. Luke's church on Sunday morning last (Easter Day) the congregations being unusually large, especially at the morning service, when the church was filled to its utmost capacity. The decorations which were simple, yet attractive, consisted of potted plants, with cut flowers on the altar. The Archdeacon preached two excellent sermons, which were listened to with marked attention. There were 63 communicants. Following is a list of the music which was rendered very well, the choir numbering 24 voices.

### Concert at Gregg Settlement.

The pupils of Miss Myrtle I. Fowler, at Gregg Settlement, gave a very pleasing entertainment in their school house on Wednesday evening April the 8th. The programme consisted of recitations, readings, solos and choruses, also twenty-five phonograph selections.

A silver collection was taken at the door. The receipts will go towards obtaining a Canadian Ensign to be hoisted at the school grounds on the morning of May 22nd, Empire Day. All our provincial members and the clergymen of Centreville have been invited to be present and deliver patriotic addresses on that occasion.

The teacher and pupils wish to express their thanks to Louis A. Carvell, of Lakeville, who generously loaned his excellent phonograph, which added very much to the success of the entertainment.

#### Kinsman-Council.

On Good Friday morning at the residence of the bride's sister, Mrs. J. J. Benson, 40 Park Ave., Montreal, Miss Ida Connell, eldest daughter of the late George Connell, M. P., Woodstock, was united in marriage to Dr. Kinsman of Truro. Mr. and Mrs. Kinsman are spending a few weeks in Ontario before returning to Truro. Miss Connell was one of the most highly respected young ladies of Woodstock, where a large circle of friends wish her much joy.

### Dr. James G. Atkinson.

Dr. James Gordon Atkinson died at his home, Bristol, on Easter Sunday morning, at the age of 55 years, after an illness of some months. Dr. Atkinson was born at Baie Verte, Westmorland county, and taught school for a number of years, before studying medicine. He then located himself in Charlotte County where he took a prominent part in local politics, and sat at the Council Board for several terms. After the death of his brother the late Dr. M. C. Atkinson M. P., about seven years ago he moved to Bristol, and soon established a good practice, and for two years represented the Parish of Kent at the municipal council.

He leaves a wife who is an invalid and one son R. B. Atkinson, and one daughter, Mrs. Sankey Rogers. He was a prominent member of the Orange Association, being a County Master, and member of the Grand Lodge of N. B. The funeral will be held tomorrow (Tuesday) at 2 p. m. from his late residence, and will be under the auspices of the Orange Order.

### Death of Mrs. Henry Perkins.

The death of Mrs. Henry Perkins took place at her home in Centreville on Saturday April 11th. Deceased who was the daughter of Mr. and Mrs. James Savage of Lakeville, was born in Williamstown thirty-one years ago. At 19 she was married to the late James Emery who died in Colorado in the spring of 1901. After his death she returned to live with her father, and in January 1902 was married to Henry Perkins. Her unexpected death was a great shock to her relatives and friends at large. She leaves a husband, two little daughters Vera and Pearl, aged seven and four years, an aged father and mother who reside at Lakeville, three brothers Clayton and Enoch Savage of Lakeville, Donald Savage of Providence, R. I., and two sister, Mrs. Nehemiah Gray and Mrs. John Toms of Long Settlement, also two half brothers and three half sisters. The interment took place at the Williamstown cemetery Sunday afternoon, and a memorial service was conducted by Rev. E. C. Turner Monday at that church. The husband, children and near relatives have the universal sympathy of all in their sad bereavement.

### A Good Man Gone.

Fred M. Rutter, of Toronto, who has been in the divisional engineer's office, C. P. Ry. here, for about a year, left on Tuesday afternoon for North Bay, Ontario, where he will be engaged on some construction work during the summer. Mr. Rutter will be very much missed in Woodstock, where he has made a host of warm friends who will not forget him and will always be interested in his welfare. His father, Mr. A. F. Rutter, of the firm of Warwick Bros. & Rutter, Toronto, was in Woodstock on Monday, attended the Bachelor's ball on Monday evening, and left on Tuesday evening with his son on his return home.

### Killed at Southampton.

On Wednesday afternoon last at Lower Southampton while Charlie Ailen and Charlie McFarlane were engaged in rolling logs into the river Mr. McFarlane's peevie caught and pulled him forward in front of a log he had started and he was killed instantly. He seemed to lock his arms about the log when it struck him and he rolled with it, the log going over him three times before it stopped. Mr. McFarlane, who was an exemplary young man, about 28 years of age, was the chief support of a widowed mother and a family.

The funeral service which took place at the Reformed Baptist church on Friday afternoon was conducted by the Rev. John Gravinor. An unusually large number of people attended. The service was very impressive.

### The Bachelor's Ball.

The Bachelor's ball in the opera house on Monday evening was a delightful affair. The hall was charmingly decorated with flags, bunting and potted plants. The music, furnished by Hanlon's orchestra, of Fredericton, was as good as the best dance music ever heard in Woodstock. At nine o'clock about sixty couples formed in the grand march led by Mayor Belyea and Mrs. L. P. Farris. Refreshments were served throughout the evening in the dancing hall and at midnight supper was served down stairs.

The committee of management deserve great credit for the absolute perfection with which every detail was arranged.

Magistrate—Why did you steal that ham, Uncle Rastus? Uncle Rastus—Bekase mah pooh famby was starvin', yo' honner. "Family starving, eh? But they tell me you own five dogs." "Dat's er fact, yo' honner; but Ah reckon yo' all wudn't 'speat mah famby ter eat dem dawgs."
