The man who can make an audience laugh for three solid hours and leave the theatre beaming with good humor, is a public benefactor. Such is George F. Hall who will appear on Friday, May 29th at Graham's opera house, in his latest comedy success "An American Hustler." The play is one long laugh from start to finish and the fun never lags for one moment. When George F. Hall isn't doing funny things, he is saying funny things and the audience is quickly carried from one funny situation to a funnier one. Troubles and complications multiply but "nothing can faze "An American Hustler" and Hall emerges triumphantly from all his trials. To tell the ingenious plot would be spoiling half the fun so our audiences must wait until next Friday for their treat. Mr. Hall is surrounded by a capable company and a smooth performance of "An American Hustler" is the gratifying result of their combined efforts.

New Agricultural Movement.

Hon. L. P. Farris, commissioner of agriculture, said the other day to a Telegraph reporter that the government is going to establish a few orchards in the province. There will be one in Carleton county and likely one in Kings and another in Queens counties. The owner of the land will prepare it and the government will furnish fruit trees and care for them, illustrating the best methods of fruit growing.

The spraying lessons, which the government recently gave, are having good effect and the fruit growers have profited by them.

Mr. Farris says the department has a good many enquiries from agricultural societies in New Brunswick as to live stock, where best to buy, etc. The inquiries are chiefly for Shorthorn cattle, tending towards the milking strain, and for Yorkshire swine.

EDWARD TRUE who has purchased the James Baker house on Chapel street is putting a second story on it and is generally improving the place.

DR. E. S. KIRKPATRICK was called to Halifax on Monday on business. His brother Dr. C. A. Kirkpatrick of Edmundston is attending to his practise in his absence.

MR. DOWNEY, the new General Superintendent of the Atlantic division of the C. P. Ry was up the line last week with Superintendent Newcomb. They were in Woodstock together on Tuesday.

In the golf tournament on Monday, eighteen holes, the first prizes was won by the Rev. G. D. Ireland with a score of 90, second by J. S. Creighton.

I. E. SHEASGREEN has fitted up a room in the rear of his drug store as a consulting room for the medical practitioners in the county who are courteously requested to use it when convenient to them.

The heavy frosts of Saturday Sunday and Monday nights destroyed a good deal of garden stuff. Ice froze a quarter of an inch thick in some places.

A LIFE SAVER.

Baby's Own Tablets Make Children Well and Keep Them Well.

Emergencies come quickly in the lives of little ones, and the wise mother will always keep at hand a reliable medicine to cope with them. Delay may mean the loss of a precious little life. There is no medicine can take the place of Baby's Own Tablets in relieving, curing and preventing the minor ailments of children. "If you could see my baby now," writes Mrs. James Boviah, of French River, Ont., "and compare him with his condition before I began giving him Baby's Own Tablets, you would not know it was the same child. From the age of four up to twenty-one months he was constantly ill, and was wasted away to a skeleton. I gave him a great many medicines, but always without result, until I heard of Baby's Own Tablets and began giving them to him. Almost at once they helped him and he is now a fine, fat, healthy child. I now always keep the Tablets in the house."

The Tablets contain none of the poisonous drugs found in "soothing" medicines, and can be given with absolute safety to a newborn babe. Sold by all druggists or sent by mail at 25 cents a box by writing to the Dr. Williams' Medicine Co., Brockville, Ont.

No More Loose Artificial Teeth!

At a large price we have just purchased the secret right to use the famous Poulson Atmospheric and Adhesive Suction Attachment, by which it is claimed that a set of teeth will cling so firmly in the mouth that it is even possible to eat the old fashioned Molasses or Maple Candy without the plate moving. This will be good news for many who have suffered from the discomfort of loose plates.
