LIFE'S LITTLE ILLS

Are the Ones Which Cause the Greatest Amount of Suffering.

It is every day ill that distress most - those which seize you suddenly and make you irritable, impatient and fault finding. The root of these troubles lies in the blood and nerves, and you cannot get rid of them until the blood has been made rich and pure, and the nerves strengthened and soothed. Dr. Williams' Pink Pills will do this, and will do it more speedily and with more lasting results than any other medicine. In proof of this Mrs. James Patterson, Chilliwack, B. C., says: "My daughter was in poor health, and her system badly run down. She was pale, suffered from severe headaches, and very nervous. We decided to give her Dr. Williams' Pink Pills, and after using six boxes, she is a strong, healthy girl. I gladly recommend the pills in similar cases."

These pills cure all blood and nerve troubles, such as anaemia, neuralgia, indigestion, heart trouble, rheumatism, St. Vitus' dance, partial paralysis, kidney troubles and the weaknesses which afflict women. Be sure you get the genuine pills with the full name "Dr. Williams' Pink Pills for Pale People," printed on the wrapper around the box. If in doubt, send direct to the Dr. Williams Medicine Co., Brockville, Ont., and the pills will be mailed, post paid, at 50c. per box, or six boxes for \$2.50
