CARLETON County Sunday School Convention is to be held at Upper Woodstock on 20th and 21st of August. The opening session will be at 3 on afternoon of 20th. In addition to the Field Secretary the Provincial Executive is sending Rev. C. W. Hamilton as its representative. Mr. Hamilton will only be able to spend two sessions as he goes to Meductic for York Convention on 21st. J. T. G. Carr of Hartland is County President and the County Council have kindly granted him the use of the Court House for the convention. Each school in the county has the privilege of sending three delegates. No school should be without at least one. It is important that parish officers especially presidents and secretaries be present with a condensed report of their year of parish work. Delegates should send in their names early to Mr. Fitzmaurice so homes may be provided for them. It is twenty-five years since the late John Fletcher, James Watts and others organized the first Sunday School Convention and this approaching convention ought to be of great interest to every Sunday School worker in our county. The York County Convention of Sunday school workers is to be held at Meductic opening on 21st and closing at 4 p. m. on 22nd. Rev. C. W. Hamilton from St. John, will represent the Provincial Executive, and the Field Secretary will join them early morning of 22nd.

THERE is an increasing demand for accommodation for canoes on the shores of the river here. The total capacity of all the boat houses on the river is about a dozen canoes, and there are twice that number in town, as well as a number of row boats. Some of these are stowed in barns and others lie on the shore all summer. The action of the weather is not improving and the attentions of the strenuous small boy are less so. Next year will probably see an active canoe club organized and a commodious boat house built.
