READY TAILORED CLOTHES

## The Better Tailoring.

The advent of "FIT-REFORM" marked a new era in clothing. The "ready-to-try-on, tailor-made" idea, will always be associated with "FIT-REFORM." It was "FIT-REFORM" alone, which gave men this short cut to economy—this straight road to tailoring satisfaction.

"FIT-REFORM" is the happy medium between faultlessly made clothing, and the high prices of custom tailors. It gives men the choicest fabrics in endless variety—the finest tailoring that brains can devise and skilled hands execute—the newest style creations—at HALF what custom tailors charge.

"FIT-REFORM" Clothes come in all sizes to perfectly fit every figure, from the smallest and thinnest, to the largest and stoutest man.

## CARD TO THE PUBLIC.

Some time ago I saw an advertisement which said, "We advertise our business, mind our business, and pay the printer," or words to that effect. Now, what I propose to do is to advertise my business and attend to it. The first thing in my line of business is to let you know that this is a good time to bring in your Sleighs and Pungs to be painted. The next thing is to paint them well for the lowest possible price. This being up to you, you pay the Painter and he will pay the printer. This is business. Now is the time, gentlemen, to look your Pungs over, and should they want painting give me a call and I will please you. Thanking the public for their liberal patronage during the summer, in my new quarters I ask a continuance for the winter.

P. X.—When you are coming in with your Pung to McKenzie, and some one runs out and asks you where you are going, just say, "Watch my smoke!" or in other words mind your own business. Yours respectfully,

**JOHN MCKENZIE,**

At Hull & Glidden's, King St., Next Woollen Mill.
