WHAT A MOTHER SAYS.

"It gives me great pleasure to say a good word for Baby's Own Tablets. At the age of two months my baby was dreadfully constipated. He could not digest his food and screamed incessantly. I was almost in despair, but since giving him the Tablets he has been well and is growing splendidly." Such is the testimony of Mrs. S. Craig, 329 Bathurst Street, Toronto, and thousands of other mothers speak in a similar strain.

Summer is here and mothers should take special pains to guard their little ones against illness. At this season infant mortality is at its greatest; colic, diarrhoea and summer complaints can be guarded against and prevented by the use of Baby's Own Tablets. Keep a box in the house—they may save your little one's life. Sold by druggists or may be had by mail, at 25 cents a box by addressing The Dr. Williams Medicine Co., Brockville, Ont.

C. D. Dickinson of Woodstock Injured in New York.

The following telegram of July 6th from New York contained unpleasant news for the many friends of the injured man. "Charles D. Dickinson, aged forty-seven years, a broker, whose residence is in Woodstock, New Brunswick, Canada, fell to the floor in the rotunda of the general post office shortly after 10 o'clock yesterday morning, and sustained injuries to his head which may result fatally.

Patrick J. Cammisky, caretaker of the post office, found the man lying as though asleep near one of the pillars, where persons write letters on a small shelf. Ambulance Surgeon Riggins, of the Hudson street hospital, found the man suffering from a contusion of the head and hurried him to the hospital, where Dr. Marshall made an immediate investigation and found that Dickinson had sustained a fractured ear drum and also injuries to his head.

The injured man could remember nothing concerning the manner in which he was injured. He stated that he had spent Saturday night at the Salvation Army hotel at Chatham Square. He said he had a wife living in Woodstock.

The physicians believe that the man had an attack of vertigo."

Mr. Dickinson's family, who are all in Woodstock, received a telegram from the hospital on Monday morning regarding his accident. The last news from the hospital was that the patient was not in danger and was resting easily.
