The seasons pack amounted to about 20 car loads most of which has been shipped out. One car load went on Monday and there are two car loads yet to go. WHAT will doubtless prove to be the most popular entertainment of the kind ever held in Woodstock is that booked for Dec. 2 when Mackenzie Murdoch the Scottish Paganini, the greatest violinist that Scotland has ever produced together with Geo. Neil, Scotland's Premier Tenor, Harry Munroe, Scotland's favorite character comedian, Flora McIvor Craig, Scottish Soprano, and A. L. Murdoch Scottish Pianist, will appear here in grand concert, presenting the song and story of Scotland in a manner which would warrant the largest audience of which our population is capable. In St. John where the company appeared on the 5th and 6th inst., the success was tremendous and the same applies to Moncton, Amherst, Charlottetown and all the other places where the aggregation has since appeared. Don't forget the late Dec. 2nd. Plan opens 25th inst. Reserved seats 75 and 50 cents.

Fall colds often mean winter-long coughs and permanent lung or bronchial trouble. The best defense for those who take cold easily is a good chamouis vests or chest protector. We have the good kinds. The cheapest are good, the best are better. Our prices are reasonable on all. Drop in and see them.

Fine Points In Holiday Cooking!

Very often a dish is made or marred by the quality of spice or flavoring extract used. Try our flavoring extracts. They are much stronger than the ordinary liquids that masquerade under that name. Our spices have a better taste and go more than twice as far as the usual run of spices.

Quality of materials counts as well as skill in the success of your cooking.
