MERRY, HAPPY BABIES.

There is no greater treasure on earth than a healthy, happy, merry baby. Anything therefore that will keep the little one in this condition is a priceless boon to mothers. Mrs. Wm. Bull, Maple Creek, N. W. T., tells how she accomplished this end; she says:—"I am happy to say that Baby's Own Tablets have done my baby girl a world of good. She was badly troubled with constipation and very cross and peevish, but since using the Tablets she is all right. I give her the Tablets once or twice a week and she is now such a merry, happy little thing that there can be no doubt Baby's Own Tablets are just the thing for little ones."

Here is a lesson for other mothers who want a safe and certain medicine for the ailments from which their little ones suffer from time to time. These Tablets are sold under a guarantee to contain no opiate or harmful drug, and they are good for all children from the new born babe to the well grown child. Sold at 25 cents a box or sent by mail by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.

Fit-Reform  
READY TAILORED CLOTHES

The Perfection of "Fit-Reform."

We know what tailors can do. We know "FIT-REFORM" Clothes. If you don't believe that "FIT-REFORM" Clothes are as fine in quality—as well made—as any merchant tailor can produce, here is the test we want you to make.

Take a \$20 "FIT-REFORM" Suit and a \$40 made to measure suit. Compare style for style—cloth for cloth—lining for lining. Note the correct collar—new cut of the sleeve—perfectly proportioned shoulders. Rip the two coats apart—compare the hidden work—the hand shaped, hand-moulded, hand stitched collar, lapels, shoulders, sleeves of "FIT-REFORM" with the other. Take Vest and Trousers the same way. Make any test—any comparison you will. And see for yourself if the "FIT-REFORM" \$20 Suit does not equal the tailor's \$40 Suit in every respect, and surpass it in some. If not, you know the guarantee—money back for any reason or without reason.

Suits and Overcoats, \$12 to \$30.  
Trousers, \$3, \$4, \$5 and \$6.

CARD TO THE PUBLIC.

Some time ago I saw an advertisement which said, "We advertise our business, mind our business, and pay the printer," or words to that effect. Now, what I propose to do is to advertise my business and attend to it. The first thing in my line of business is to let you know that this is a good time to bring in your Sleighs and Pungs to be painted. The next thing is to paint them well for the lowest possible price. This being up to you, you pay the Painter and he will pay the printer. This is business. Now is the time, gentlemen, to look your Pungs over, and should they want painting give me a call and I will please you. Thanking the public for their liberal patronage during the summer, in my new quarters I ask a continuance for the winter.

P. X.—When you are coming in with your Pung to McKenzie, and some one runs out and asks you where you are going, just say, "Watch my smoke!" or in other words mind your own business. Yours respectfully,

JOHN MCKENZIE,

At Hull & Glidden's, King St., Next Woollen Mill.
