CAUSED BY THE HEAT.

A Rash on Baby's Skin That Often Alarms Careful Mothers.

During the summer months a rash often appears on the face, neck and body of babies and small children which is liable to alarm the careful mother. It is due to the excessive heat, and, while not dangerous, is the cause of much suffering. Immediate relief is given by dusting the eruption liberally with Baby's Own Powder, which may be had at any druggist's, but to cure the trouble a medicine must be given that will cool the blood of the little sufferer. Baby's Own Tablets will be found a positive blessing in such cases, and will soon restore the clearness and beauty of baby's skin. Mrs. Clifton Cuyler, of Kincardine, Ont., says: "My baby had a rash break out on her face and all over her body. I gave her medicine, but the eruption never left her until I gave her Baby's Own Tablets, and after using them a short time the rash entirely disappeared. I have also given her the Tablets for constipation with the best of results: they act gently but promptly, and always make baby quiet and restful. I think the Tablets a splendid medicine for young children." Baby's Own Tablets may be had from all druggists at 25 cents per box, and Baby's Own Powder at the same price. If you prefer to order direct they will be sent post paid on receipt of price by the Dr. Williams' Medicine Company, Brockville, Ont.

A Prisoner in Vermont.

Rev. Walter S. Martin is detained at St. Albans, Vt., charged with grand larceny. He was arrested at St. John's, P. Q., and was taken to St. Albans to await trial. A

newspaper clipping which has come to hand states that when he was to have had a hearing he was completely prostrated over the turn in his fortunes and the hearing had to be postponed.

In a letter received here it is stated that Mr. Martin's wife and 13-year-old child are with him, which, of course will be interesting information to those who know about the prisoner's history. A wife from whom he is separated, though not legally, lives in this city.

Mr. Martin is well known in Newburyport. He at one time was prominent as an evangelist and has conducted revival services in a large number of places. He at one time was pastor of a church in Nova Scotia. He operated more or less in Maine and a Boston paper a short time ago had an account of his disappearance from a town where he had been engaged to preach, under suspicious circumstances. He had extensive knowledge of the scriptures and was an interesting speaker and singer.—Newburyport Mass., Herald, August 6.

CARD TO THE PUBLIC.

Some time ago I saw an advertisement which said, "We advertise our business, mind our business, and pay the printer," or words to that effect. Now, what I propose to do is to advertise my business and attend to it. The first thing in my line of business is to let you know that this is a good time to bring in your Sleighs and Pungs to be painted. The next thing is to paint them well for the lowest possible price. This being up to you, you pay the Painter and he will pay the printer. This is business. Now is the time, gentlemen, to look your Pungs over, and should they want painting give me a call and I will please you. Thanking the public for their liberal patronage during the summer, in my new quarters I ask a continuance for the winter.

P. X.—When you are coming in with your Pung to McKenzie, and some one runs out and asks you where you are going, just say, "Watch my smoke!" or in other words mind your own business. Yours respectfully,

JOHN MCKENZIE,

At Hull & Glidden's, King St., Next Woollen Mill.
