READY TAILORED CLOTHES
COAT COLLAR FACTS

If you test a coat by the collar, you'll appreciate the perfection of "FIT-REFORM" Collars on "FIT-REFORM" Coats. Note our adoption of the very newest thing for fall wear—the long, narrow collar, with rather a wide roll as it joins the coat in front.

"FIT-REFORM" Collars are hand shaped—hand moulded—hand stitched. Only by hand work can the collar be made to snugly hug the neck and retain its perfect shape. That is why a "FIT-REFORM" Collar lends the finishing touches to a perfect coat.

Whether it is a single detail—or the suit as a whole—"FIT-REFORM" Clothes are absolutely faultless.

Every size to fit every figure—the tall and short—the lean and stout—and all between.

Suits and Overcoats, \$12 to \$30.

Trousers, \$3, \$4, \$5 and \$6.
