### Flag Raising at Knoxford.

Though the efforts of the popular teacher at Knoxford, Miss Eva S. Jaques, a Canadian Ensign was obtained last week and a very successful flag raising was held at the school house on Friday afternoon.

The following program was rendered, Ex-Warden Cronkrite being chairman:—chorus, Raise The Flag; speech, Rev. Mr. Parker, (pastor); speech, Inspector Meagher; speech, Mr. Brittain; chorus, Rallying Round The Flag; speech, Mr. Irvine, Ex-M. P.; duet, Mrs. Curtis Jones, and Miss Eva Jaques; speech, Mr. Flemming; recitation, Lulu Jameson; speech, Mr. Smith; chorus, The Land of the Maple; address by Mr. Eliphalet Jones; address by chairman.

The address by Mr. Eliphalet Jones was particularly interesting. Mr. Jones is the pioneer settler in Knoxford, having gone there over 40 years ago and was the first to hew himself a farm out of the virgin forest. When he looked about him now and compared the unbroken wilderness of those days with the magnificent farms, the handsome dwellings and the school house, one of the best in Carleton County, and the evidences of prosperity on all sides, his heart was filled with feelings of joy and gratitude and he could not help giving thanks to Him, the bountiful giver of all blessings.

At the conclusion of the programme the following address on behalf of the pupils was presented by one of the little girls, to Miss Jaques, accompanied by a handsome silver card receiver.

Dear Teacher,—The pleasant duty has been assigned me of presenting you this token as an evidence of our lasting esteem, friendship and love.

We could not consent to part with you without leaving in your hand some memorial however trifling, of deep and abiding gratitude for your unceasing efforts to benefit us. When in future days you look upon this memento let it be a pleasant token of the deepest love and reverence of our young hearts.

At the conclusion of this term Miss Jaques severs her connection with the Knoxford school, much to the regret of trustees, parents and scholars.

Of late years he had devoted himself to the management of the Notre Dame Dulac Seignary lands in Temiscouata, Quebec.

He leaves a widow, formerly Miss Morehouse, of Queensbury, and a family of four daughters and two sons. One of his daughters graduated from the U. N. B. in May, and of his sons, one is in the employ of the People's Bank of Edmundston, and the other was employed with his father in Quebec.

### Educational Affairs in Carleton County.

The annual school meeting at Centreville on Saturday June 20th, was one of the largest meetings held in that place for a number of years.

The usual routine business was transacted and Mr. C. M. Sherwood was elected in the place of the retiring trustee.

Particular interest was lent to the proceedings by the presence of Mr. John Brittain, supervisor of the McDonald manual training and school garden system in New Brunswick. Mr. Brittain explained the educational value of the manual training schools and the model gardens, and the means by which they were established in the different localities.

He pointed out the benefits of the consolidation of districts, and generously offered a school garden and equipment free of charge to the Centreville school.

His offer was unanimously accepted by the ratepayers present, and it was the expressed opinion of the meeting that a new and larger school house ought to be built in the near future, and that everything should be done to make Centreville take a foremost place as an educational centre.

Some remarks were made by Inspector F. B. Meagher on the advantages of consolidation and the necessity for providing improved school buildings and educational appliances.

A vote of thanks was tendered to Mr. Brittain for his generous offer, and the meeting adjourned.

At the school meeting at Hartland on Saturday the ratepayers voted money for the purchase of two or three acres of land, a part of it to be used as a model garden and the rest as a village green. Beside the grant a subscription is being taken to assist in this object.

At Florenceville the trustees had already purchased a piece of land for the model garden from Mr. D. W. Hamilton. At the school meeting there the rate payers unanimously made a generous vote of money for the erection of a building for manual training. This building will have 300 feet of floor space.

Miss Mair, sister of E. W. Mair of Woodstock, will be principal of the school and instructor in Sloyd work. She comes very highly recommended. Miss Grace Peters will have the primary department.

D. W. Hamilton, M. A., of Florenceville, who returned from the Agricultural College at Guelph, last week, was in Woodstock on Monday in conference with Mr. John Brittain regarding the model gardens and Sloyd work in the Upper St. John counties. Mr. Hamilton left on Monday afternoon for Kingston to see about letting the contract for the new school building there which is to be of brick and stone 60x80 feet, three stories high and will cost \$10,000. Mr. Hamilton goes to Clark University at Worcester, Mass., to take a summer course in pedagogy and science.

### Received a Degree.

At the annual commencement of the Illinois Wesleyan University, Bloomington, Ill., which took place last week, the degree of Bachelor of Philosophy (Ph. B.) was conferred upon Rev. John Dystant, pastor of the Methodist church, Margate, P. E. I.

The Illinois Wesleyan is one of the oldest and most influential of the educational institutions under the control of the Methodist church in the United States. It comprises the following schools and colleges, viz. college of letters, preparatory school, college of law, college of music, school of arts and school of oratory.

The standard of this institution is of the highest, and it ranks with the best universities of the United States.

Graduates of Illinois Wesleyan are admitted, without examination, to the post graduate courses of M. A. and Ph. D. in Wesleyan University, Middletown, Conn., and the Johns Hopkins University, Baltimore, Md., two of the strongest and most widely known institutions on the continent.—St. John Star.

Mr. Dystant is well known in Carleton County, having been on the Lindsay circuit two years. He is now on leave of absence and will spend his holidays in Carleton County.

The services in the Methodist church on Sunday next, will be of a special character, that day being the two hundredth anniversary of the birth of John Wesley, the founder of Methodism. The services will be in charge of the pastor of the church and Rev. F. W. McConnell, B. A., of Central Church, Moncton, will preach both morning and evening. Special music will be rendered. This day will be observed by appropriate exercises throughout the entire Dominion.

Colts.....0 7 1 2 0-10  
Connell's Foundry.....2 0 0 2 4-8

The game was close and interesting and had darkness not set in perhaps a different score would have been the result, as the foundry team were just getting warmed up to the game. But however, the victory went to the Colts. Another game will be played in the near future. Frank Sullivan umpired the game in an impartial manner.
