

## True and Unfailing Help For Suffering Women.

# PAINE'S CELERY COMPOUND

The World's Medicine for the Cure of Female Troubles.

A large share of the evils and sufferings which women are liable to, result from special female weaknesses and diseases. From the girl entering womanhood to the woman who arrives at the Grand Climacteric or "Change of Life," there are troubles, ailments and irregularities—too often borne in silence—which undermine the health and result in disease. Where such conditions exist, Heaven help the poor sufferers to fully realize their perils and dangers!

It is well known that ordinary medical treatment too often fails to build up the delicate nervous system of woman, and give necessary tone and strength to the important fe-

male organs. The experience of years, medical testimony and letters from tens of thousands of cured women, point to Paine's Celery Compound as women's friend and life giver. Jessie M. Ross, Quyon, P. Q., says:—

"It affords me much pleasure to testify to the great good that Paine's Celery Compound has done for me. I was completely run down in health and a victim of female weakness, and after using three bottles of Paine's Celery Compound I was completely cured. It is the best blood purifier I know of, and I recommend it to all who are troubled as I was."

### CARLETON COUNTY COUNCIL.

County Council met at 10 o'clock Tuesday morning Warden Carvell in the chair.

There were present the following Councilors:—

Woodstock town—W. S. Saunders, A. G. Bailey, Wm. Macdonald.

Woodstock Parish—James Forrest, F. Byron Bull.

Richmond—Joseph Merrithew and J. Hay.

Northampton—J. Rankin Brown, A. C. Phillips.

Brighton—C. E. Hayward, Joseph Falkner.

Peel—Wm. Tompkins, David Phillips.

Aberdeen—Fred Skinner.

Kent—Chas. E. Gallagher, M. Bohan.

Wicklow—Chas. Giberson, C. E. Simonds.

Simonds—John Kearney, Wm. Raymond.

Wilmot—Warden Carvell, J. F. Williams.

Wakefield—Frank Shaw, Albert Bell.

Coun. Lemont of Aberdeen is seriously ill at his home and quite unable to attend to his duties at the board this session.

The Warden said that he had written to Mr. Hubbard with reference to an address he would give the counsel regarding the preparation of the C. P. R., towards joining in with the farmers in developing agricultural pursuits in the county. Mr. Hubbard would address the board in the afternoon.

D. McLeod Vince, auditor, referred to the bills sent back at last session for further items, one by Union Telephone Co. for \$18.40 and one from Dr. Ross for \$135.00 under smallpox expenditure. They had been itemized and before that approved by the board of health.

Coun. Skinner moved seconded by Coun. Kearney that the bills be paid.

Coun. Gallagher thought further explanation was necessary.

Coun. Bailey wished to know what was the use of the bills being itemized if the items were not to be read.

Coun. Bailey moved in amendment it being seconded that the bills be paid when itemized. This carried. There was also a bill from Dr. Ross for \$40.00 in connection with a diptheria epidemic at Rutherglen.

Coun. Brown said he was chairman of the committee for the board of health before whom the bill came. The board thought the bills were too high. All bills were itemized but these two, and the committee concluded that these bills should be itemized.

Coun. Kearney thought Coun. Brown was loaded against the board of health. The committee against his will moved for Dr. Ross' dismissal before he could be heard as to his bill.

The Warden decided that on the motion of Coun. Bailey the discussion was out of order and Dr. Ross' bill having been itemized was ordered paid.

On motion of Coun. Gallagher it was decided that the bills of the Union Telephone Co. be taken up. Mr. Vince read the bill which was made up of items consisting of telephone messages between doctors and others regarding the smallpox epidemic.

Coun. Macdonald moved that the bill be paid, seconded by Coun. Saunders.

Coun. Skinner asked if there was not an understanding between the county and Drs. Ross and Brown, that all messages should be delivered for 15 cts.

Dr. Ross was on motion heard. The reason there were so many messages was that the cases were at places where the telephone offices could be reached. From Grafton there was a great deal of telephoning, and the same all over the county. He denied the charge that he and Dr. Curis talked to each other a great deal over the telephone in order to make up a good bill. It was very necessary in coming to a decision that two members of the board should agree on a course, and by the use of the telephone several meetings of the board were rendered unnecessary.

Dr. Ross explained that the telephones were only to be used for the business of the parties in which they were engaged.

The Warden seemed to think that the telephone could be used for anything but

smallpox between two subscribers.

Dr. Ross said that such was not what he meant. If a stranger asked a subscriber to talk on the former's business, it would be charged against the subscriber. The people in Lakeville have a reduction inasmuch as they supplied the poles for the wires. They pay 15 cents for a message.

To Coun. Brown, Dr. Ross said that there was no suggestion to him that the wires were rather too frequently used. It seemed to him that a bill by an outside telephone company was paid quite cheerfully, without being itemized.

Coun. Williams said that no bills of the board of health were paid cheerfully. (Laughter) He thought the Union Telephone company's bill was pretty big.

Coun. Kearney thought Dr. Ross' bill was reasonable, should have been paid readily, and that Dr. Ross was entitled to an apology. He has been used unfairly.

The Warden thought this was a bill which should not have come up.

Coun. Brown said he did not come loaded for the doctors at last meeting. There seemed to be a feeling that there were too many doctors on the board of health, and it was on this reason that he recommended that Dr. Ross be displaced. He wanted to keep Coun. Kearney out of a hole and that was the reason why he did not consult him.

Coun. Kearney said he did not favor the dismissal of Dr. Ross because he was a neighbor.

Coun. Kearney thought Dr. Ross should not be dismissed without cause.

Coun. Brown—I did not hear you say without cause. Coun. Kearney says I did not use him fairly.

Coun. Kearney—No, it was Coun. Bohan.

Coun. Brown—If Coun. Bohan were here he would verify what I have said, I am sure of that.

Coun. Saunders thought there should be some confidence in the board of health, with respect to the payment of these bills.

Coun. Gallagher was in the dark as to why there were different rates from Lakeville.

The Warden said that this had been explained.

Finally the bill was ordered paid.

Coun. Gallagher asked the secretary treasurer if it was legal for anybody to set up a slot machine, or any gambling machine, without license.

Mr. Hartley said that when there was a question of chance in a machine, they were gambling machine and could be stopped.

Coun. Gallagher moved that the secretary treasurer notify the sheriff and that any such machines be removed at once, within ten days.

Coun. Phillips of Peel, seconded the motion.

Coun. Kearney would vote to protect Coun. Gallagher from the temptation of the slot machine. (Carried) He believed in protecting the members from the rural districts who were in danger from these gambling machines.

Coun. Gallagher moved, seconded by Coun. Bailey:—

That the secretary treasurer be instructed to pay to the Registrar of the county the amount recommended as remuneration for his work in preparing a general alphabetical index, according to the provisions of Sec. 26 of the Registering act on the registrar presenting the proper certificate that such work has been done to the satisfaction of the proper authorities.

Coun. Hayward read a communication from the assessor of Brighton that Jas. Tompkins had been over assessed \$3.90 and moved that said amount be refunded.

Coun. Skinner thought we should move slowly in these matters.

Coun. Williams said there was a recommendation from the assessors in this case. Motion passed.

The council then proceeded with the County accounts, the committee on the same having made certain recommendations in their report, which was received.

The following accounts were ordered paid,

excepting as explained:

Dr. Ross, coroner.....	\$ 17.40
John Barnett (where attested to).....	3.30
W. W. Hay, coroner.....	14.50
Hugh Hay & Son.....	1.00
A. R. Foster, (deputy sheriff).....	160.25
(paid less \$14.40 chargeable to the parish of Woodstock)	
Carleton Sentinel.....	7.00
J. C. Hartley.....	19.00
J. C. Hartley, (certifying school list).....	17.00
I. E. Sheasgreen, (when attested to).....	5.95
Chas. T. Boyer.....	4.50
J. R. Murphy.....	16.00
J. W. Woolverton.....	17.00
(his \$3.00 chargeable to parish Woodstock)	
Wm. A. Hayward, sheriff.....	50.00
Wm. A. Hayward, gaoler.....	115.75

Wm. M. Connell.....	16.00
(paid over till January session)	
T. C. L. Ketchum.....	5.50
Press Publishing Co.....	2.00
Dr. M. E. Cummins.....	4.65
THE DISPATCH.....	18.10

Coun. Merrithew pointed out that collectors were not encouraged under the law to collect old taxes, as they made a better showing by collecting the taxes of the current year. Something should be done to stimulate collection of old taxes.

Chas. Johnson was named a field driver for the parish of Richmond.

Coun. Kearney moved that a committee wait on the government to secure the loan of diamond drill to ascertain if there is any coal in the county.

Coun. Bailey pointed out that he had been informed that the drill was now in use and would be loaned to this county as soon as possible. The motion passed.

Harry Bull, Alex. McLean, Lawson Plummer, and Wm. Clarke were added to Northampton as field drivers, and Edward McCauley and Odbur Young were appointed constables for Wilmot.

On motion of Coun. Phillips the sum of \$14 was ordered paid to Michael Gallagher for boarding and taking care of Wm. Livingston.

Page Smalley was appointed a surveyor of lumber and bark for Brighton.

Added pound-keepers for the parish of Woodstock: Percy Foster, A. Horton, Alex. Kerr, F. B. Bull and Scott Estabrooks.

Surveyor of lumber: Gilbert Brown.

James McCain was added to the list of field drivers for Wakefield.

The Warden appointed the following committee to wait on the government in the matter of the diamond drill: Couns. Shaw, Gallagher and Kearney.

Concluded on third page.

To the Weary Dyspeptic,  
We Ask This Question:  
**Why don't you remove that weight at the pit of the Stomach?**

Why don't you regulate that variable appetite, and condition the digestive organs so that it will not be necessary to starve the stomach to avoid distress after eating?

The first step is to regulate the bowels. For this purpose

**Burdock Blood Bitters**  
Has No Equal.

It acts promptly and effectually and permanently cures all derangements of digestion.

Flies Carry Contagion

**Wilson's Fly Pads**

Kill the flies and disease germs too.

SEASONABLE THINGS.

**Croquet Setts**  
from \$1.00 up.

**Hammocks,**

**Carts,**

**Doll Carriages.**

MRS. J. LOANE & CO.

## The 'Favorite' Churn.

100

Just Arrived from factory.

This Churn has both foot and lever drive, improved bolted trunions, steel roller bearings. It is built of very best selected English oak. Works so easy a child can operate it. It is the best Churn made and has a larger sale than all other churns combined.

Sold only by us and our regular agents.

## Balmain Bros.

March 4, 1903.

## Crown Jewel Steel Range.

SIX HOLES.

For Hard or Soft Coal

or for Wood 26 in. Long.

The body is made of Heavy Cold Rolled Sheet Steel lined with heavy asbestos board, which is held in place by an inner lining of Steel, all hand riveted and finished in enamel.

The oven is made of heavy steel, and oven bottom is well braced with angle irons, positively buckle-proof. Oven door is

balanced and is nickel plated, and when open forms a shelf.

Top is made in four sections fitted with interchangeable key plates.

Ashpan is very large and will easily hold two days' ashes. It is removable through door under fire door at side, and is so made that when pan is removed no ashes can fall on the floor.

Low Down Reservoir is heavy retinned copper. Entire Reservoir Casting is Ornamental Cast Iron and guaranteed rust proof. Back Flue is also cast iron.

W. F. Dibblee & Son.
