WELL AND STRONG.

AFTER ELEVEN YEARS OF GREAT SUFFERING.

A Wonderful Tribute to the Power of Dr. Williams' Pink Pills to Cure Stubborn Disease.

Proof upon proof has accumulated that Dr. Williams' Pink Pills will cure when doctors, hospital treatment and all other medicines fail. Paralyzed limbs have been restored to strength, rheumatic sufferers made well, weak, anaemic girls and women made bright, active and strong; neuralgic pains banished, and the poor dyspeptic given a new digestion when it seemed almost hopeless to expect a cure. Here is a bit of strong proof that Dr. Williams' Pink Pills bring health and strength after years of suffering. Mr. Louis Brien is a well known resident of St. Didace, Que., and tells of his years of suffering as follows: "Eleven years ago, while working in the bush, I strained myself and brought on terrible pains in my stomach and back, where the trouble seemed to locate. I had frequent fits of vomiting, which caused much distress. Sometimes I could work, and then again for months at a time I would be wholly unable to do anything; but even at the time I could work I was always suffering. At different times I was treated by three doctors, but they were unable to help me. Then I went to Montreal and put myself under the care of a doctor there. His medicine relieved me while I was inactive, but as soon as I attempted work or exertion of any kind, the pains returned worse than before. All this time I was growing weaker and less able to resist the inroads of the trouble. Then Dr. Williams' Pink Pills were brought to my notice, and I began to use them. From that time I began to regain my health and by the time I had used thirteen boxes I was once more a well, strong man. The proof of this is that I can do as hard a day's work as anyone and never have the slightest symptoms of my old trouble. I am only sorry that I do not know of the pills sooner—they would have saved me much suffering and money as well."

With such proof as this, that even apparently hopeless cases can be cured, there can be no reasonable doubt that Dr. Williams' Pink Pills will restore health in all cases where given a fair trial. These pills are sold by all medicine dealers or will be sent by mail at 50c. per box or six boxes for \$2.50, by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont. See that the full name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around every box.
