He leaves a mother and step-father Mr. and Mrs. Aaron Nevers, a sister Mrs. Ernest McFarlane, Houlton Me., and a large circle of friends to mourn. Funeral services were conducted by Rev. C. N. The farmers are all busy preparing another years supply of wood. Some are already supplying many in town and elsewhere with split wood which demands a fair price. Farm produce, hay, oats, pork, etc. is being hurried into the market, but the farmers look for a raise in prices as a reward for their hard labor.

Rev. Mr. Beatty continues his services in the Baptist house this week. The interest is deep and many young men and women and boys and girls have expressed a desire for salvation. He will hold a series of meetings lasting over two weeks at the Tracy Mills church beginning with next week.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

His Proposal.

He was an ingenious man, and she was an unsuspecting damsel.

Let us, he said, pretend that you are Canada and I am the United States.

O, I don't like these geographical games, she replied. They require so much thinking. But this doesn't require any at all, he insisted.

How do you play it? she asked.

Why, I simply annex you, he answered. It's not such a bad game, she admitted after awhile.
