West Glassville.

Mrs. David Laing and children are visiting at the home of her husband's mother Mrs. John Laing of this place.

We have been visited with frequent showers of late, and the hay and grain crops are looking well.

Chas. Rogers was visiting relatives in the place recently.

A quiet wedding took place at the residence of Daniel B. Jones of this place on Wednesday June 15th, when his eldest daughter Effie was united in marriage to Norman I. Craig of Gordonsville. Mrs. Othneil Merritt played the wedding march as the bridal party took their places under the floral arch in the parlor. The groom was supported by Elsmore Craig of Bloomfield.

The bride, who was given away by her father was dressed in pure white with apple blossoms in her hair. She wore a bridal veil and carried a bouquet of Lilacs tied with a white ribbon. Miss Addie Craig sister of the groom acted as bridesmaid, she also was dressed in white and carried a bouquet of lilacs tied with white ribbon. None but the immediate relatives of the contracting parties were invited. The presents were a pleasing combination of the beautiful and useful. The young couple will reside in Gordonsville.

Three Brooks and Sisson Ridge.

The death of Mrs. Jane Linton occurred at Three Brooks on Sunday morning 12th inst., at half past ten o'clock, at the home of her daughter, Mrs. John Smith, where she has been a bedridden sufferer for a year and a half. Mrs. Linton moved here from Charlotte County with her late husband 40 years ago. The place was then almost a wilderness. She has seen many changes since then on the Tobique which is now a prosperous and well settled country. Everything was done that earthly hands could do by loving sons and daughters to make comfortable her last days, her youngest son never leaving her bed side. The esteem in which she was held in the community was shown by the large concourse of people which followed her remains to their last resting place at Linton Corner, beside those of her husband and daughter. Deceased had reached the advanced age of 82 years and 10 months and leaves 2 sons and 3 daughters who all reside in this place, as well as a large number of grand children to mourn their loss. A number of lovely wreaths were placed on the casket by kind friends. Funeral services were held in the Baptist church by Rev. Mr. Drummond, Presbyterian minister, of whose church deceased was a devoted member.

Closely following the death of Mrs. Linton the community was again saddened on Wednesday the 15th inst., by news of the death of Mrs. Jane Gallop of Sisson Ridge. Her remains were interred in the Free Baptist burying ground at Arthurette. Funeral services were conducted by the Rev. Mr. Fenwick assisted by the Rev. Mr. Bell. Deceased leaves 5 sons to mourn the loss of a kind and loving mother, beside a number of grand children.

Lakeville.

Sergeants Harry Jones, Robert Jones, Harry Carvell, jr., and Frank Armstrong joined their battery which went into camp on Monday at Woodstock.

A number of the young people drove to Jacksonville to church Sunday evening, there being no service in the village as Rev. E. C. Turner was attending Methodist Conference at Fredericton.

The members of the Wilmot Rifle Association held their second practice on the range at Avondale. Over 38 members were present. Sergeant Harry Jones led with 84 points, while James Barter, jr., followed closely with 81 points.

There was an unusual amount of buying

and selling horses in the village last week. Burns King sold a valuable black mare; John King sold a matched pair of grey colts at a neat figure, George Smith bought a fine 2 year old, and Robert Smith bought a 2 year old black Clyde and Percheron Stallion weighing 1480 pounds.

The road makers in the various districts are making charming bicycle roads; the wheelmen will be obliged to give up the sport for a time.

Several teams are busy daily hauling the lumber for Sherwood's new grist mill at Centreville, and yet the roadside in some places presents a very unattractive appearance from piled logs awaiting the saw.

Miss Myrtle Anderson is home from the Normal School.

Harlan Estey and sister Marian, of Wicklow, spent Saturday and Sunday at J. R. Fowler's home.

Frank Armstrong recently purchased one of the finest and up-to-date rubber tired carriages in this section.

Havelock Wilson and son Henry, also, Mrs. Robert Smith and son Ripley intend going to Chatham this week to visit among relatives.

An amusing incident occurred on the school grounds last week which shows the effect of proper teaching in human principles on youthful minds. Two fledglings were found among some brush severely injured by a fall in attempted flight. They were carefully nursed but in vain, and after death the noon hour was spent in elaborate obsequies.

Miss Carvell, on her arrival, was summoned to witness the burial. The birdlings were laid amongst a profusion of wild flowers, supmounted by a broken window pane, while above them was reared a rustic tombstone with the inscription:—

Here lieth two birdies who died June 14th, 1904.

"Blessed are the birds who die in the Lord" It is needless to say their teacher surpassed her amusement out of sympathy to the juvenile mourners.

East Florenceville.

Bedford Moore has gone to Lowell to spend the summer.

Mrs. N. H. Tompkins returned last week from Kingsclear where she has been visiting her sister.

Rev. H. P. Gillespie occupied the pulpit in the Methodist church Sunday evening. Miss Lena Belyea of Smith Town is visiting at Edward Saunders.

At the school meeting Saturday J. C. Hunter was re-elected trustee for another term.

Road work commenced here Monday. The bikes will take it now.

Plymouth.

Our school picnic will be held Wednesday June 29th in Mr. Henderson's grove if the day be fine.

Beecher Haynes left home last week for the west. His friends here wish him every success.

W. H. Wilson, photographer, is able to resume his work in town.

A. S. Mabe who has been staying in town for a few weeks has returned.

Miss Phemie Carson spent a few days visiting friends here recently.

Fretting Children.

When a child frets and cries almost continuously the root of the trouble in nine cases out of ten lies with the stomach or bowels. Fermentation and decomposition of the food means colic, bloating and diarrhoea—the latter is especially dangerous and often fatal during the hot weather months. Baby's Own Tablets are just what every mother needs to keep her little ones healthy. These Tablets gently regulate the bowels, cure constipation, prevent diarrhoea, cleanse and cool the stomach, and promote sound, natural sleep. The Tablets can be given with safety to a new born babe, Mrs. J. Mick, Echo Bay, Ont., says: "I think Baby's Own Tablets the best medicine in the world for the ailments of little ones. No mother should be without them." Sold by all druggists or sent by mail at 25 cents a box by writing The Dr. Williams' Medicine Co., Brockville, Ont.

The Land of Canaan.

Most of the stuff we read in the newspapers about the place which is called Canaan by a few hysterical newsmongers, is all unmitigated bosh, which one might laugh at were it not that it is calculated to bring into disrepute one of the most beautiful and progressive farming sections of the province.

The district of Canaan which is in the Parish of Kent, comprises the settlements of Holmesville, Mineral, Moose Mountain and Killoween. With very few exceptions the residents are intelligent, honest, industrious and most of them are well to do.

In all this district there are a very few families of the Gee stamp, and it is too bad that one of the most magnificent sections of the province, inhabited by such a fine class of agriculturists should be branded on account of the presence of two or three families. A good deal of nonsense has been published about Canaan and it is time the thing ceased.

A Hearty Farewell.

The old friends had enjoyed their three days together, in spite of the fact that tact was not a conspicuous quality of either of them.

"You have quite a pretty place here, John," said the guest, as he took a final look about him on the morning of his departure. "Quite a pretty place, though it looks a bit bare as yet."

"Oh, that's because the trees are so young," said the host, comfortably. "I hope they'll have grown to a good size before you come again. Then you'll see how much improved the place will be," and they shook hands with mutual affection and good-will.

The members of the Deerville Comedy Company wish through the columns of this paper, to thank the people of Bath and the surrounding country for their very liberal patronage on the evening of June 18th when the comedies, "The Rough Diamond" and "The Irish Linen Peddler" were put on. The thanks of the company is extended to Mr. John McCready who kindly gave his hall free of charge; and also to Miss Kate Bohan who gave assistance in a very helpful way. Too much praise cannot be given to the residents of Bath, Johnville and adjacent districts for the extreme courtesy and hospitality shown to the company during their stay making it such a pleasant occasion that there will always be cherished a kindly recollection of the people who manifested such friendly sentiments towards them. —COM

**TAILORING
THAT TELLS**

The vital part of "Fit-Reform" Tailoring is what you don't see. It's the part you don't see, that makes the part you do see, worth seeing.

The fine hair cloth and shrunken canvas—the patient moulding of shoulders, collars and lapels by hand—don't show in the finished garments. But they tell in the wear and fit of "Fit-Reform" Clothes.
