NEWS FROM THE COUNTY.

WOODSTOCK, N. B., DEC. 21, 1904.

Davidson Me., Moody's Camp.

As we have seen, a great deal of camp news in the papers of late we think we must send some information of ours.

This camp is about four miles from the B&A R. R. and about forty miles below Houlton in a large spruce country. Our foreman Mr. Moody is a jolly good fellow who takes a pride in pleasing his men. The boys all like him. The cooking is presided over by Avon L. Porter who has a fine display of cakes and pies to greet the boys when the sun goes down.

There are about forty men and four teams yarding spruce all doing good work, but the team driven by Everett Moody is never behind. His choopers are Johnson and Osborn. The men who build the roads are Cassidy and Sherman Porter. Hezekiah Porter tends the teams always keeping well in advance. Then comes the last but not the least, our wild yard man Chas. E. Porter. This crew are all Carleton County boys.

We must not forget our young friend who visits us weekly to tell his funny stories. He is termed by the men "Do as you please Porter."

Your valuable paper is a weekly visitor to this camp.

Jacksonville.

The Baptist Quarterly Convention opened on Tuesday morning lasting over Wednesday. A number of delegates from other churches attended and able speakers were present during the session.

Mr. James Good attended the Stock Fair at Amherst.

On Thursday evening Mr. Lee Slipp furnished the team for a driving party to his home at Bedell Settlement. It was a perfect evening and with the good roads all enjoyed the drive of nine miles. The evening passed too quickly with games and music after which a luncheon of cake and coffee was served by the hostess. The young folk will not soon forget Mr. and Mrs. Slipp and family and all join in thanking them for the very pleasant evening spent in their home and also feel grateful to the driver for his liberality.

Christmas goods are displayed for all buyers at our village store. Miss Fowler has some of her work for sale and all goods are acceptable for those looking for Christmas presents.

Mr. Herbert Harper spent last week at Lakeville, Debec and Millville buying cattle swine and sheep for the St. John market. Our country gives large supplies in the meat line which speaks well for our farms and farmers. Poultry is in great demand and a fair price is given in our local market.

Mr. Samuel Havens is suffering with lumbago having been confined to the house for the past week.

Mr. and Mrs. W. Slipp spent Sunday with Mrs. Slipp's mother.

Temple.

The weather still continues very fine and the river has frozen over.

Our popular merchant, W. T. Hatfield, has recently received a supply of Christmas goods. Mr. Hatfield has also received a large number of Christmas calendars which he is distributing among his customers.

Mr. David A. McKay, of Canterbury Station, was a guest of Mr. and Mrs. E. Ingraham Saturday and Sunday of last week.

The young folk of Temple are preparing for a concert to be held on Friday evening, December 23rd. A good programme is being prepared.

Miss Amber Manuel, the popular teacher at River View, who has been so ill is convalescing.

Mr. A. Grant, of Shogomoc, was a guest of N. W. Brown, B. A., of Southampton, on Saturday the 10th instant.

It is understood that Miss Luella A. True who has had charge of the school at Shogomoc has resigned. Miss True contemplates taking a course at the Ladies' College, Sackville, after Christmas.

F. L. Shaw who is attending the Business College at Fredericton is expected home to spend his Christmas vacation.

A new (teachers) desk and chair has recently been added to the furniture in the school room at Temple.

Skiff Lake.

The mill at Skiff Lake owned by Fox, Allen & Co., has commenced sawing.

Mr. Wallace Smith has recently returned from a business trip to Colorado. During his visit in the West he was a visitor at the St. Louis Exposition.

Mr. Donald Donavan, student at the Business College, Fredericton, is spending his vacation at his home here.

The teachers of the schools of this place and Dead Creek have resigned. It is under-

stood that Miss Lizzie Mack will succeed Miss McAllister as teacher in the Skiff Lake school.

C. Sydney Ingraham was in this vicinity last week.

Misses Lizzie McIntyre and Lizzie McKay were guests of Mrs. Charles Cunningham one day last week.

Wm. McIntyre is the guest of his parents of this place.

Rev. Mr. Hudson spoke in the Methodist church, Sunday, December 11th.

Centreville.

The advance in the price of hay and grain is the cause of much activity along those lines here at present and poultry is simply "out of sight"—turkey at 20 to 21 cents per pound with a probable increase, but while the farmers here are rejoicing over their good fortune in securing such good prices, the consumer in other less favored localities is bewailing his misfortune in having to pay such high prices.

A vote has been taken both here and at Tracy Mills on the union question and in each case the vote was unanimous in favor of the uniting of the two denominations.

Miss Mary Hovey was united in marriage to a young gentleman from Mars Hill, Me., on Wednesday of last week. The ceremony was performed by Rev. Joseph Cahill. Only a few of the immediate friends of the family were present. The bride was charmingly attired in white silk and carried a bouquet of roses. The happy young couple will reside in Mars Hill.

Mr. F. D. Tweedie and wife will give a turkey dinner on Christmas evening to members of each of their families who may be fortunate enough to be present.

A telephone message was sent to the friends of Holman McMullen that he had died at his home at Boundary Line on Thursday of last week, but it proved to be untrue. Mr. McMullen had been quite ill and the report was widely circulated that he was dead.

There were eight persons baptised here on Sunday. The rite was performed by Rev. B. S. Freeman in the Presque Isle stream just below the steel bridge. About every home in Centreville was represented by attendants at the baptism. It is expected that a large number will be baptised yet as a result of the services of Evangelist Beatty. Sunday evening the Tracy Mills church was filled to overflowing and men and women are anxiously considering the matter of the better life.

(Received too late for publication last week.)

Mr. William Agnew was taken ill on Tuesday of last week and for a while it was thought he was dying. He had moved from the farm into the village for the winter and was living with his daughter, Mrs. Lunn. He had just come up from the farm with a team and got into the house when he became unconscious and remained in that condition some hours. He has recovered somewhat but being an old man it will take some time to regain his former health.

Daniel Watson, of Clearview, is also reported to be in a very dangerous condition from intestinal cancer. Mr. Watson has been in failing health for some time but being a very ambitious man did not pay that attention to his health that he should have until forced to take his bed.

Harry Burnham who astonished his medical attendants by sufficiently recovering to be able to get up from his bed was again taken down last week and was thought to be dying.

Leland Clark and J. E. Alexander have had electric lights put into their dwellings and H. J. Clark is to have his lighting system rearranged in both shop and dwelling. Nearly every dwelling in Centreville now has electric lights.

The rink is not being well patronized since the religious services commenced. Mr. Beatty preached his closing sermon in Centreville yesterday to full houses and last evening opened his series of meetings at Tracy Mills where he will continue for about two weeks. Tracy Mills being so near a great many of the people here will continue to attend the meetings there.

Mahlon Knox who had a little store at Greenfield has left some mourners and otherwise disconsolate ones and has joined the exodus to Uncle Sam's domain.

James E. Barter and wife were in the village on Saturday and went to Bristol the home of Mrs. Barter before her marriage.

As the old year is closing it would be a good plan to make up your mind what papers you are going to take for the new year and it would be well to include the Woodstock DISPATCH among them. You will find some very interesting features in THE DISPATCH during the coming year and for the outlay you may rest assured that you cannot do better in the newspaper line.

Aaron Doherty, of Tracy Mills, who sold out last spring and went west speaks very regretfully of the transaction now and frequently says it will not be very long till he is back again.

Since people have begun to buy coal the price of wood has gone down a little which is somewhat cheering to those having no wood and not a large amount of wealth.

I BELIEVE Red Rose Tea

is the best tea in Canada, and

I KNOW

that a great many people who drink it say it is the best tea they ever used.

It is however easy to make statements about what we believe. I think it is better to give definite, positive reasons why an article is believed to be the best, and if any article has real merit, it should be easy to give convincing reasons.

This is just what I propose to do. In the successive issues of this paper I will publish a number of facts and reasons why I believe Red Rose Tea is the best tea in Canada, and why you should use it.

The reasons will be interesting and educative about tea—well worth reading.

Before you read many, I think you will want to try the tea and if you buy a pound, the tea itself will do the rest.
