## A Danger to Baby.

Doctors have preached against the so-called soothing medicines for years, but they are still used altogether too much. The fact that they put children to sleep is no sign they are helpful. Ask your doctor and he will tell you that you have merely drugged your little one into insensibility—that soothing medicines are dangerous. If your little one needs a medicine give it Baby's Own Tablets, and you will give it a medicine guaranteed to contain no opiate or harmful drug. You can give these Tablets just as safely to a new born infant as to the well grown child, and they will cure all the minor ills of childhood.

Mrs. J. M. Gilpin, Belhaven, Ont., says: "Since I gave my little one Baby's Own Tablets there has been a marvellous change in her appearance, and she is growing splendidly. You may count me always a friend to the Tablets." Ask your druggist for this medicine or send 25 cents to The Dr. Williams' Medicine Co., Brockville, Ont., and get a box by mail post paid.

Grand chance for good doctor, dentist, carpenter, shoemaker, blacksmith, milliner, dressmaker or wide awake business men. Inquire of DR. A. H. HENDERSON, Debec. June 22nd-3mos.

It is expected special passenger trains will be run on the main lines for the accommodation of Laborers, and tickets will not be good on regular passenger trains.

150 lbs. baggage wearing apparel only, will be allowed on each free ticket to Winnipeg, and every piece of baggage checked should bear the owners name and permanent address. If however anyone has made prior arrangement to work with the same farmer they were employed with in previous years, they may check their baggage through to that point, but not beyond Moosej, Yorkton or Estevan, as no free tickets will be furnished to points beyond those stations.

Owing to the great difficulty in handling fifteen or twenty thousand laborers to one station at Winnipeg, baggage delivery may be slow, and as much as possible should be carried in hand grips in the cars with the passengers instead of checking.

Anyone requiring any further information should write to Mr. C. B. Foster, District Passenger Agent of the Canadian Pacific Railway at St. John, N. B. and those who intend joining excursion should notify each ticket agent at once.
