Woodstock Field Battery.

The tenth Woodstock Field Battery, encamped on Watsons' farm, have been doing active and intelligent work. On Saturday a squad of 20 men constructed a gun pit capable of holding 2 or 3 guns.

The members of the 67th Regt. Band held a picnic on the grounds on Thursday. The weather was remarkably fine, and the buckboards conveying passengers were well patronized. Supper was served by an efficient committee of ladies who kindly offered their services for the occasion. Various games were indulged in and suitable prizes awarded. The receipts were entirely satisfactory. The members of the band wish to thank all who assisted in any way.

On Sunday, in command of Major Good, accompanied by the 67th Regt band, they marched to service at the Methodist church. They were 98 strong, officers and men and 9 of them, including Major Good, held South African medals. The men looked clean, were well set up and marched well.

The grounds are sightly and command a delightful view. The quarters are kept scrupulously clean. The supply of water is pure, and adequate. Col. Ogilvie will be here tomorrow to inspect the corps.

The Houlton Times says:—By invitation of Col. W. C. Good of the Woodstock Field Battery, which is now in camp for annual drill at Woodstock, representatives of Company L comprising Capt. E. H. Whitney, Sergt. M. B. Eaton, Corp. C. H. Kinney and private John E. Leonard drove across the line Thursday and, in uniform visited the provincial artillery camp. They speak most emphatically of the cordial and friendly reception accorded them by the officers of the provincial battery. They were given the benefit of seeing the battery go through its drill and were given an entertainment by the 67th Militia Band, and were entertained at mess during the afternoon and evening.

Bitten by a Dog.

A brutal attack was made on a little boy in Simond last Thursday by a collie dog. Bert, the two years old son of David Shaw was crossing the field to visit his grandmother when a collie, belonging to a farm labourer, attacked him and bit his face terribly. The boy was at once taken to a surgeon in Hartland and the dog was shot. THE DISPATCH continues to insist that there are too many dogs in this county, most of them very useless ones. If a dog tax were rigorously enforced many of the mongrels would be shot.

Accident at Centreville.

A very serious and nearly fatal accident occurred to two young women, daughters of S. A. Perkins, who were out driving a spirited animal at Centreville on the 20th instant. About four miles from home they were passing some roadworkers, who were using dynamite for removing rocks. A charge was about to be exploded, and the men failed to give the proper notice to the young ladies, who were within 20 feet when the explosion took place. Flying rocks landed in the carriage and on the horse, causing the animal to turn, throwing the young ladies violently to the ground. The animal being free, started for home, nearly four miles. When near its own stable the animal did not make proper connection, instead of which it landed on the platform in front of W. F. Dibble & Son's store. John Smith, who was standing directly in front of the plate glass window, was struck by the horse and landed through the glass in the inside of the store. Mr. Smith was badly cut and injured by the broken glass. The horse and carriage were much injured and broken up. The young ladies are in a fair way of recovery.

Baby Girl Left at a Farmer's Door.

Early last Wednesday morning Mr. and Mrs. Samuel Rogers, who live on the Glassville road about four miles from Bristol, found at their door a little baby girl, enclosed in a sunlight stove polish box. A physician was summoned who gave it as his opinion that the baby was only three or four hours old, it had never been dressed. Just a short time before discovering the infant Mr. and Mrs. Rogers had heard a carriage drive up to their door.

Mr. and Mrs. James Bell who live near by took the infant and will care for it. The matter was at once placed in the hands of Deputy Sheriff Foster who has already learned the parentage of the child. Arrests will be made at an early date.

Anderson-Carson.

A very pretty wedding took place at St. Martins on Wednesday, the 22nd instant, when Rev. J. H. Anderson, B. A., of Florenceville, was united in marriage with Miss Flora Marion Carson, daughter of the late Joseph Carson, collector of customs at St. Martins. The ceremony was performed at 12 o'clock in the Presbyterian church, where Rev. Mr. Anderson had, during two summers, as catechist, preached acceptably to the people. The bride, who was becomingly attired in a traveling suit of dark blue with white trimmings, was led to the altar by her uncle, Capt. Robert Carson. The church was beautifully decorated with a choice variety of flowers, the bride and groom standing under a bell of white lilac and narcissus. Rev. James Ross, of St. John, officiated in the presence of a large number of the friends and acquaintances of the contracting parties.

After the ceremony, a reception was held at the residence of the bride's mother. The bride's presents were numerous and costly, including handsome sums in gold from the Presbyterian churches at St. Martins and Cross Roads, in both of which she had officiated as organist for several years.

A., united in marriage their youngest daughter Helen Maude, to Mr. Charles Allan McLean, of the Dominion Express Co. Miss Emma Deware played Mendelssohn's wedding march. The bride was given away by her father. Little Miss Glenna Britton, niece of the bride, acted as flower girl. The bride was prettily gowned in white organdie and carried a shower bouquet of roses and smilax. The little flower girl looked very dainty in white muslin and carried a bouquet of carnations and sweet peas. After the ceremony luncheon was served in the dining room. Mr. and Mrs. McLean left for St. John where they will in future reside. The bride's travelling suit was blue cloth with hat to match.

McCormack-Mallock.

The pretty home of Mr. Wheeler Mallock, St. Andrews, was the scene on Wednesday afternoon, June 22nd, of a very interesting gathering, when his eldest daughter, Lizzie, and Mr. Chas. A. McCormack, of Upper Woodstock, were united in marriage by Rev. A. W. Mahon, B. D., pastor of Greenock Presbyterian church. The bride, handsomely gowned in voile with silk trimming, and carrying a beautiful bouquet of white carnations and maiden-hair ferns, looked very pretty. Save Baby's Life.

You cannot watch your little ones too carefully during the hot weather. At this time sickness comes swiftly and the sands of the little life are apt to glide away almost before you know it. Dysentery, diarrhoea, cholera infantum, and stomach troubles are alarmingly frequent during the hot weather. At the first sign of any of these troubles Baby's Own Tablets should be given—better still an occasional dose will prevent these troubles coming, and the Tablets should therefore be kept in every house. Promptness may save your child's life. Mrs. J. R. Standen, Weyburn, N. W. T., says: "Baby's Own Tablets are valuable in cases of diarrhoea constipation, hives, and when teething. I have never used a medicine that gives such good satisfaction." This is the experience of all mothers who have used the Tablets. If you do not find the Tablets at your druggists send 25 cents to The Dr. Williams' Medicine Co., Brockville, Ont., and a box will be sent you by mail post paid.

Burned to Death.

A frightful thing happened at Cloverdale, Carleton County, last Friday night. The residence of John Hill caught fire and was totally destroyed and in the conflagration three of his children were burned to death and another was very badly burned but may recover.

Mr. Hill was in Hartland running a merry-go-round, leaving the four children at home with their grandmother and an aunt. The fire caught from a "smudge" that had been lighted to drive away the flies. It was left a few moments and on the return of the grandmother it was found to have set fire to the floor near the door. In an attempt to extinguish it a quantity of paraffine got into it and the flames engulfed everything.
