Continued from third page.

following be the scale of fees to be charged for license under the provisions of the said Act namely, for license to Architects, Contractors, Master Builders, or Mechanics, employing workmen \$20.00 per year. For license to journeymen mechanics in any trade, \$1.00 per week, \$3.00 per month, and \$10 per year. For license to physicians, lawyers or other professional persons, \$2.00 per week, \$5.00 per month, \$30.00 per year.

4. For license to storekeepers, shopkeepers or persons carrying on any kind of business in any building, \$5.00 per day, \$10.00 per week, \$15.00 per month, and \$60.00 per year.

5. For license to any person to purchase in the county farm products of the following kinds, oats, potatoes, butter, pork, hay, poultry, or grain of any kind, \$1.00 per week, \$2.00 per month, \$10.00 per year.

6. For license from any person to vend or canvass for the sale of any kind of goods or chattels or to take orders for the same, or to take orders for work to be done and performed in any place or places without the limits of the county of Carleton \$5.00 per day, \$10.00 per week, \$20.00 per month, \$40.00 per year.

7. For license to persons to vend small wares or merchandize, or to hold gift or other shows or entertainments on the highways (not to ensure against interference of authorities for obstructing the highways, or bring a nuisance) \$1.00 per day, \$2.00 per week, \$5.00 per month, \$20.00 per year.

8. For license to persons to vend or canvass for the sale of any other articles not otherwise enumerated in this law, \$1.00 per day, \$2.00 per week, \$6.00 per month, \$30.00 per year.

The report was adopted with the exception of sec. 5. Coun Williams asked who issued the license.

Secretary—The councillors for the parishes, they exact the fee and return it to the treasurer.

On motion of Coun Williams seconded by Coun Lamont, the sec'y was instructed to get up a form and send a copy to each councillor.

Coun Connolly wanted to know if this was binding. Was it that the councillors "shall" do this.

Coun Williams—my intention is that they "shall"

To Coun Jamieson the secretary explained that this would not affect sales at church picnics and the like, it was only for outsiders. It was also pointed out that it did not affect commercial travellers.

Coun Jamieson said that many people in his parish thought the county should not have paid a certificate as to the insanity of Mrs. Smith made out by Dr. Peppers.

The secretary pointed out that in such cases the county must pay if the patient's friends do not.

Reverting to the license by-law Coun Wiley asked if it would apply to people selling apple trees and the like of that. The secretary said it applies to anyone who sells to the consumer.

On motion of Coun Gallagher the sum of \$44.40 was ordered paid and charged to the Parish of Kent—\$18 to be paid to John Cronin for services on road machine, \$6.65 to be paid Commissioners W. Brannen, \$18.75 to be paid Daniel Dugan.

Coun Phillips (Peel)—Last session I brought in a resolution to have the dog-tax put in force, it was laid over till this June session. I believe in justice to the farmers of the county I should re-introduce that resolution. I therefore move, whereas the tax upon dogs was by vote of this council ordered not to be in force, therefore resolved that there be a tax of \$1.00 on all dogs within the county, and \$2.00 on each and every bitch, the same to be collected as the law directs, within 10 days after notice that such tax is in force, shall have his dog put to death by the collector or some person under his instruction. The motion being duly seconded.

Coun Gallagher moved in amendment that the resolution lay over till next January. The amendment was seconded by Coun Hay of Richmond and carried by the following voting yea, the balance of the council, nay:—Ayes, Coun Jamieson, C. A. Giberson, Gallagher, Phillips, Wiley, Lamont, Bradley, Connolly, Tompkins, Miller, Hay, Bell, Fewer, M. McDonald.

Coun Brown said that while he voted against the amendment, he was against the dog-tax, and did not want it considered again at all. Other councillors said the same.

Thereupon, on motion of Coun Gallagher it was resolved to re-consider the resolution, the amendment being with drawn.

Coun Connolly—At the last meeting of the council what I said was in opposition to this resolution. Since I went home I made it my business to make inquiries of people where I live. Where I found one man favorable to having the dog tax, I found five who were opposed to it. For that reason I shall vote against the resolution. Some people said they would support the tax if it went into the parish fund. When the act was in force the people of Brighton who had no sheep got no benefit from it while other parishes did. If some old sheep happened to die, there was a claim on the fund.

Coun Bull—I supported the motion at the last meeting and will support it again. I think sheep are the most profitable stock on a farm. I myself have suffered, inside of ten years I was cleaned out twice. I think double the number of sheep would be kept in our parish if we had the dog tax. The tax may be a little high, there is not one dog in fifty worth a dollar.

Coun Phillips—I did not bring in this resolution to help myself particularly alone. I never put in a claim for some old sheep, I did put in a claim for eight, and they were not played out ones either. If you go in your field and find 8 or 10 of your best sheep all torn to pieces, you will begin to think you want the tax. As a rule, the poorer the man is the more dogs he keeps. The dogs chiefly come from the Brighton side to my parish. One man keeps pups for sale. Over 200 sheep and lambs were killed in that section of my parish last summer. I know a neighbor who lost 12 in one night. Our stock is all taxed and nothing is put on our dogs.

Coun Bradley—1 must oppose Coun Phillips' motion. I have made it my business to carefully inquire since January of the rate-payers as I met them. I met without about the same response as Coun Connolly. Invariably they were opposed to the tax. Out in our back county, they told me the dogs are a great help to them about getting their cattle. Children go for the cattle and the dogs are a protection to the children, they are away from home a good deal in the bark woods an at other work and they say, we find our dogs a protection for our families. We feel they add, that we have all the taxes we can stand now. You will find it a very difficult matter to go a man who will go to work and kill his neighbor's dog. You cannot find one man in 50 who will do it, and the man who would do it is not fit for a collector. At the same time I can understand Mr. Phillips' feelings, but I must vote against the motion.

Coun Jamieson—I think it is a poor provision of the by-law as to killing the dogs.

Coun Gallagher—We have had the dog tax in operation one year quite a few years ago, petitions came from nearly every parish to have it repealed. I know from my own observation and knowledge it caused while the tax was in force a great deal of hard feeling. No one wanted to pay the tax, the collector could not find any dogs when he went around. If it is desired to re-anact the by-law, let petitions be got up and brought before this council. The resolution was then put and declared lost.

Coun Giberson (Kent)—When the question of a lockup at Bristol came up at last session, I asked for a grant of \$100 towards a lockup at Bristol, it was decided to hold the matter over till this session. What do you say about it?

The Druggist Recommended It

Because He Knew of Scores of Severe Cases of Piles That Were Positively Cured by

DR. CHASE'S OINTMENT.

The writer of the letter quoted below suffered dreadfully from itching protruding piles for six years.

Like hosts of others, he was only disappointed with the many treatments he tried, until his druggist told him of what Dr. Chase's Ointment was accomplishing as a cure for this wretched ailment.

Mr. G. W. Cornell, who is with the Shaw Milling Company, St. Catharines, Ont., writes:—"In justice to suffering humanity I write to tell you of the world of good I obtained from the use of Dr. Chase's Ointment. For about six years I was the victim of itching and protruding piles and was in dreadful agony day and night. Doctors were unable to help me and I could get nothing to relieve the suffering. I was about as miserable a creature as was to be found on the face of the earth.

"One day my druggist, Mr. A. J. Greenwood, advised me to try Dr. Chase's Ointment, which I did and obtained relief from the first box and complete cure with the second. My trouble was caused by heavy lifting, and I consider that Dr. Chase's Ointment would be cheap at fifty dollars a box in view of the good it did for me. A feeling of sympathy for others similarly affected prompts me to give this testimony."

Dr. Chase's Ointment, 60 cents a box, at all dealers, or Edmanson, Bates & Company, Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.
