## THE PERRIN RIDING PLOW.

This is the only satisfactory Sulky Plow that has ever been introduced on the St. John River.

It does better work and hauls quite as easy as any handle plow. Works equally well on rough or stony land.

The proof that it is a satisfactory plow lies in the fact that we sold upwards of a hundred of them last season and the demand is steadily increasing.

We will nearly double these figures next year.

We supply them in both single and double.

Sold only by us and our agents. Beware of Imitations.
