IT'S FOREIGN

To our policy to misrepresent anything in our line. It would be still more foreign to use any but drugs of absolute purity and standard quality in Prescription work. Bad health or illness may result from poorly prepared prescriptions. A mistake of course may prove fatal. With the utmost care used in their preparation, with drugs of the best, our prescriptions are potent with good results.

E. W. MAIR,

The Prescription Druggist.

THE Methodist Sunday School Library has just been enriched by the addition of 150 new volumes. Clean Cut

Here "more is meant than meets the eye." Clothes are not necessarily clean-cut simply because they cling snugly to your figure. They should be so tailored as to bring out your strong points reduce your weak ones—in other words, every Suit must be ADAPTED TO THE MAN for whom it is made. We know the art of Correct Tailoring, and we invite you to inspect our Fall and Winter Goods.
