### GEORGE GEE UNMOVED.

Radcliffe will be here on July 22nd to perform the Execution.

Mr. and Mrs. Geo came down from Canaan on Saturday to see their son George, the prisoner condemned to death. George is in a happy frame of mind and will apparently meet his death with the utmost stolidity. The father is apparently not deeply moved, but the mother gives way to her grief and weeps bitterly when she visits her son.

George professes to have had a religious experience and will be baptized before his execution. He has heard that since his trial and sentence many of his family have had a change of heart and thinking this is entirely due to his unhappy fate he says God has used him as an instrument to convert them, and he is content that it is so.

It is now known definitely that, unless something unforeseen happens, Radcliffe will be here on July 22nd to perform the execution.

### The Boundary Line Again.

Mr. Colpitts has again paid his respects to illicit liquor selling on the boundary line. On Monday, July 4th, he and Deputy Sheriff Foster and James Woolverton went to the line near Mars Hill again. This is the store owned by one Stitham and used as a retail liquor store. Neither the owner nor the lessee appeared, and the officers, who had a search warrant broke into the place and found a small amount of liquor, which was destroyed.

They then "opened up the line." The building is part on Canadian territory and part on United States. The officers, using peevies, just tore a hole clear through, from foundation to roof, along the dividing line.

It is thought this joint is out of commission for a while, at least.

### Big Money in Farming in Cuba.

William Sweet who came here last week from Cuba is renewing his acquaintance with a host of old friends. The formation of his company for the purpose of leasing and farming 66,000 acres of land in Cuba is progressing favourably. The soil of this tract is wonderfully rich and fertile and the profits from farming it must be very great. The lands are well watered and the guinea and other wild grasses grow most luxuriantly and afford unlimited grazing in all seasons and together with the mild and even climate and the excellent home market make the raising of cattle a very profitable business. Two acres will support a three year old steer for one year.

Cattle can be imported from Florida, Texas, Mexico and Venezuela, can be turned out for eight months and sold at a handsome profit in Havana, where an average of 800 head are butchered daily. The loss on calves and cows is almost nothing. Cattle can be imported for an average of \$28.00 for from 3 to 6 year old, the same bringing in the Havana market in 6 months from \$45.00 to 50.00 per head.

The raising of Pinesapples is also a very profitable industry. Pines planted in June will yield 50% in one year, after which 95% will bear annually. The average life of a plant is 6 years, although they often bear for 10 years. Pines are sold on the stock, the buyers paying all the expense of cutting, hauling etc. Pines are planted 14,000 to the acre or 1,166 dozen. As a fair average of production is 95% an acre of pines will produce 1,100 dozen, valued at 20 cts per dozen in the field, which equals \$220.00 per acre. The cost of plowing, planting, and cultivating up to the time of cutting equals \$90.00 per acre, leaving a net profit of \$130.00 per acre.

### The Reformed Baptists.

At Brown's Flats the business sessions of the Reformed Baptist Alliance have closed. The committee on deceased members reported, referring to the loss sustained by the Alliance in the deaths of John Kimball, of St. John, and Timothy Smith, of Mapleton, York County.

Rev. S. A. Baker was recommended as editor for the incoming year of The Highway, with Rev. W. B. Wiggins, Rev. G. B. Macdonald, Rev. H. C. Archer, Rev. M. S. Trafton, Rev. A. L. Bubar and B. N. Goodspeed as associate editors.

Arrangements were made for licensing I. Kierstead, Moncton, and W. J. Hamilton, Amherst.

A committee was appointed to repair the hotel foundations.

Committees were appointed for the camp meeting at Riverside, Me. Rev. M. S. Trafton, of St. John, was made presiding officer, and Rev. W. B. Wiggins, treasurer. Rev. J. H. Coy was appointed overseer of the Tabernacle gate and grounds at Riverside, and S. Hayden Shaw as overseer of the rooms.—St. John Globe.

### Woodstock and Centreville Railroad.

John Connor and H. Cline of Boston were in Woodstock last week on business connected with the Woodstock and Centreville Railway Co. They drove to Centreville and walked down the right of way of the proposed road.

Mr. Connor states with the utmost assurance that the road will be built at once and that crews will be at work on construction by August 1st. The only reason in sight for building the road is that it will be a part of the Grand Trunk Pacific, the building of which down the St. John Valley would be greeted with delight here.

Prof. Ganong of Harvard and a friend from Boston passed through Woodstock a few days ago on their way to the head waters of the Tobique, whence they will go down the Restigouche. Prof. Ganong who knows the centre of New Brunswick very well thinks a road from Edmunston to Moncton in a straight line is a most impracticable idea.

### Death of Mrs. C. P. Bostwick.

The very sudden death of Mrs. C. M. Bostwick, Carmarthen street, Friday afternoon, came as a great shock to her relatives and friends. The deceased had been in her usual health up to within a few hours of her death. Dr. Inches had been in attendance during the afternoon, but nothing serious was expected. In fact, the rest of the family were absent at the time, the maid alone being with Mrs. Bostwick. A few minutes before 5 o'clock a sudden attack of heart trouble developed. Dr. Inches was summoned, but in ten minutes all was over.

Mrs. Bostwick had suffered from la grippe in the spring, but had completely recovered from the attack.

She was the daughter of Samuel O'Donnell of Amherst, N. S., and had been married thirty-eight years. Mrs. Bostwick was 69 years of age at the time of her death. One sister is living, a resident of Ottawa, Mrs. Winslow, widow of the late John C. Winslow, of Woodstock. Mrs. Bostwick had two sons, both of whom are now living, C. M. Bostwick, jr., of this city, and Guy Bostwick.—St. John Sun.

### Town Council.

The regular meeting of the town council was held Friday evening, Mayor Lindsay in the chair.

A communication was received from Peter Clinch, St. John, of the fire underwriters, the substance of which follows:—That the town of Woodstock be requested to take the necessary steps forthwith to obtain legislation at the next session of the legislature for the establishment of a fire limit to include that portion of the town north of the Meduxnakik, bounded on the east by the river St. John, on the west by Green street extending to the Meduxnakik creek, on the north by Chapel street, on the south by the Meduxnakik creek, also to include that portion of the town south of the Meduxnakik, bounded on the north by the Meduxnakik, on the south by Park and Bull streets, on the west by Queen street extending to the Meduxnakik, on the east by river St. John. The erection of frame buildings exceeding twenty-five feet in height from the street level and the use of shingle roofs to be prohibited in the fire district.

If the council fail to obtain a building law and specify a fire district as requested before May 1, 1905, a flat increase of ten cents will be added to the present rates on all risks in the town, said increase to be removed when fire district has been established.

On motion of Coun. Burt, seconded by Coun. Stevens, the mayor was requested to consult the clerk in the matter and report at next meeting.

The 67th Regiment band was given a grant of \$100.00.

The Carleton County Agricultural Society was given a grant of \$200.00 for the fall exhibition.

The firemen were donated the sum of \$30.00 to help decorate the hose carts for the parade during the carnival. Special constables were appointed for the carnival. It was decided that the board as a body take part in the carnival parade.

### Carleton County Exhibition.

The Prize List for the Carleton County Exhibition, Tuesday, Wednesday and Thursday, September 27th, 28th, 29th, is now out. Prizes are given for horses, cattle, sheep, swine, poultry, roots and vegetables, grain and grain manufactures, dairy produce, woolen and cotton manufactures, fancy work, fruit and manufactures. The classes are numerous and the prizes are generous.

Interesting horse races will be conducted on the track the last two days of the exhibition under the management of Gallagher Bros.

### Fatal Accident.

Michael Gallagher jr. son of Michael Gallagher sr. of Newburg, a young man 27 years old, was injured in Woodstock on Monday afternoon and died in a few hours from the effect of his injuries. He had driven a double load of furniture to the freight station for shipment about 3 o'clock and left his horses for a moment to enter the station. They became frightened at a shunting engine and started to run. Mr. Gallagher went after them and not succeeding in getting their bridles he fell and two wheels of the heavily loaded waggon went over him, one going over his head, almost severing one ear. He was taken to the hospital where he died at seven o'clock the same evening. He was conscious almost to the time of his death. Mr. Gallagher's sister, Mrs. Brown, who was present at the time of the accident, is frantic with grief.

### Albert Hutchinson

Albert Hutchinson one of the most respected residents of Wicklow, died of enema, at his home, about 4 o'clock Friday July 8, 1904, after an illness of several months. The deceased was born and spent his life of fifty-six years at the place in which he died. He was twice married. His second wife, the eldest daughter of Theodore Estey, greatly mourns the loss of a faithful and affectionate husband. He is also mourned by two brothers, Geo. W. of Lynn, Mass., and Ezekiel of the Western States; and ten children, six sons, Edward, the eldest, being married and living nearby, and four daughters, the oldest of which is wife of J. Fraser McCain of Portland, Me. The home coming of Mrs. McCain and the sons Beecher of Butte City and Byron of Michigan, was of great comfort to their father in the last weeks of his illness.

The deceased was an honoured member of the I. O. F. under the auspices of which order the burial services were conducted. The courts of Somerville, Centreville, East Florenceville, Florenceville, Bristol, Bath and Clear View were represented and the exercises directed by Col. A. D. Hartley.

Mr. Hutchinson was a loving husband, kind father, a most genial friend, a peaceable and much appreciated neighbor and citizen, which fact was evidenced by the large number of Foresters and friends present at the funeral which was considered by many to be the largest in the history of the parish. The religious services were conducted by the Rev. J. B. Young, assisted by Rev. L. A. Fenwick. The preacher delivered an appropriate sermon from the words, "So teach us to number our days that we may apply our hearts unto wisdom." (Psalm 90:12.)

### Lipsett-Rodgers.

A pretty wedding took place on Wednesday afternoon, July 6th, at the residence of Duncan W. Rogers, Bristol, when his only sister Miss Dora Rogers was united in marriage to Harry Lipsett, son of the late James A. Lipsett, of Waterville. The ceremony was performed by Rev. A. H. Hayward in the presence of about fifty immediate relatives and friends. The young couple were unattended, the bride looked charming being dressed in white dainty, with lace trimmings, and bridal veil, and carried a large bouquet of white peonies. After the ceremony a bountiful wedding supper was served, followed by strawberry ice cream. The dining room was very prettily decorated with evergreens. The young couple are both very popular, and have the best wishes of a host of friends. They will reside in Bristol.
