MR. AND MRS. J. ALBERTON, of Butte City, Montana, are visiting friends in Jacksonville. Mr. Alberton is in the drug business in the west. It is sixteen years since he left Carleton County.

MR. CLARENCE E. JHONSTON teller of the Peoples Bank of Halifax has been transferred to the agency at Cookshire, Quebec. John Wallace jr will go on the cash and Walter Sprague enters the bank as junior.

The work of claphobarding and of plastering the new church of England at Jackson Falls was practically completed on Saturday. There is a large amount of work still to be done but it is expected the building will be finished early next summer.

MESSRS. SCOTTIE STEPHENSON, SR., Scottie Stephenson, jr., and Fred Stephenson, of Menominee, Michigan, are guests at the Victoria Hotel. They came East to visit the home of their ancestors and to visit their cousin George Boyer.

In payment of an election bet Mr. Donald M Campbell carried Mr. N. Foster Thorne, editor of the Sentinel, in a wheel barrow, from the Carlisle hotel to the foot of Main street, on Saturday afternoon. The progress down Main street was regarded by a large number of people with a good deal of interest.

MR. C—says in writing the Manufacture Life Co. "The results from the policy which has just matured, equal my expectation in every way, and are so very satisfactory that I will be pleased to take another policy with you at once if accepted." MORAL—Place your insurance with the Manufacture's Life.

The preliminary survey for the Grand Trunk Pacific Railway between Woodstock and Fredericton was finished last week when Mr. Garden running south and Mr. Foss running north met in the vicinity of Shogomoc. Mr. Garden leaves for Grand Falls this week from which point he will run a line south. Mr. Foss will work from Edmundston to Grand Falls.

AS WE WENT to press last week there was a loud and fierce fight between five dogs on the street in front of THE DISPATCH office. In about half an hour another fierce mix up took place on Main street between five more mongrels. On Wednesday morning on Queen street a hot fight between three dogs almost resulted in a fight between two men. There is probably a larger number of miserable mongrels in Woodstock than in any other town of its size in Canada. Won't the town council impose a tax on dogs?

The death occurred Sunday night at the residence of George J. Colter, ex-M. P. P., at Keswick of his wife Celia, in her 57th year. Deceased was a daughter of Leonard Slipp, Lower Woodstock, and is survived by her husband and two sons, George and Ashley, both at home. Deceased also leaves four brothers in Carleton County—Wesley and Edmund of Richmond, Whitfield of Woodstock, and Frank, who lives on the family homestead. Funeral took place on Tuesday afternoon, Rev. Mr. Knight officiating.

The lease of life for Uncle Tom's Cabin is phenomenal. It is a play that has been hacked and butchered and gaped unmercifully, and yet it survives, because it tells a story which interests and stirs up humanity. It can be truly said of the Stetson Uncle Tom's Cabin Co., that every performer in his or her particular line is an artist. The scenic, mechanical, calcium and electrical effects are truly wonderful. Stetson's Big 3 Car Uncle Tom's Cabin Co., travel in their own train of three sixty-foot palace cars. Opera house, Thursday Nov. 10th.

Here "more is meant than meets the eye." Clothes are not necessarily clean-cut simply because they cling snugly to your figure. They should be so tailored as to bring out your strong points reduce your weak ones—in other words, every Suit must be ADAPTED TO THE MAN for whom it is made. We know the art of Correct Tailoring, and we invite you to inspect our Fall and Winter Goods.
