"I suppose you will marry when you grow
up," said the visitor pleasantly. "No,"
replied the thoughtful little girl innocently.
"Mamma says papa is more care than the
children, so I guess the care of my children
will be enough for me without the care of a
husband."—Chicago Evening Post.

"I ain't got no pencil, Tom," said his
teacher. "Correct the sentence, and give
your reason for the correction."
"You should say, 'I have no pencil,'"
said Tom, glibly. "It ain't never proper to
say 'ain't,' because there ain't no such word
as 'ain't.'"

Frederick Estey.

Frederick Estey one of the most respected
residents of the County died suddenly of
heart failure at his home in Jacksonton on
Friday evening, June 10th at about ten
o'clock. Mr. Estey had gone to bed and
fallen asleep. He was resting easily, appar-
ently, when his wife observed a change in
his breathing and becoming alarmed called
his son, but before he could get to his bed-
side Mr. Estey was dead.

Mr. Estey leaves a widow and six children,
Luther W., Guy E., and Blanch B., all of
whom are in Great Falls, Mont., Mrs. D. F.
Alexander of Jacksonville, Miss Cora Estey
who is teaching school at Oxbow, Victoria
County and Wilmot who lives at home. Mr.
Estey was regarded most highly in the com-
munity for his integrity of character and for
the courtesy of his demeanor and the gener-
osity of his disposition. His death, which
is deeply regretted is a grievous loss not only
to his family but to the community at large.

The funeral, which was held on Sunday
afternoon was conducted under the auspices
of the I. O. F. of which Mr. Estey was a pro-
minent member. Services were held at the
house and at the church. The Rev. J. A.
Cahill officiated, assisted by the Rev. Thomas
VanWart.

The Late Mr. John Jackson.

There passed away at the home of his
daughter Mrs. Samuel Brown River de
Chute, John Jackson an old and respected
resident of Kilburn Station. Of his illness
few of his friends in the surrounding districts
had even heard and his death on the 25th of
May and burial at Kilburn graveyard on the
27th came as a surprise to many who would
have paid their last respect to his memory.
Mr. Jackson was 79 years of age, an English-
man by birth and came to this part of the
country about 30 years ago, and for many
years was employed on the railway. He was
of a kindly and helpful nature and will be
long remembered with gratitude by many of
the Scottish people of Kintore and Kincardine
for his hospitality. No one ever went hungry
from his door, such was his kindly heart.
He was a good husband and father and their
loss is keenly felt. With his sorrowful widow
who survives him we deeply sympathize also
with his son John Jackson and four daughters
Mrs. Samuel Brown, Mrs. Hallet, Mrs.
Randolph Morrehouse and Miss Alice May
Jackson. We give our sincerest sympathy
in this sorrow.—Com.

Obituary.

At Bristol, N. B., June 5th, Edith aged
34 years and 9 months, beloved wife of John
Rogers and daughter of Henry and Jerusha
Doucette of Knowlesville, leaving a hus-
band, three children, a father and mother,
one brother and a large circle of friends to
mourn their loss.

In her death the village of Bristol has lost
a good citizen and the Church of God a faith-
ful member. During her fatal illness she
was most graciously sustained by the presence
and spirit of her Saviour. The funeral ser-
vices were held at the Bristol Baptist Church
June 6th at 2 p. m., the large congregation
present testifying their esteem for the de-
ceased.—Com.

Benjamin Burt.

Benjamin Burt the oldest and one of the
most respected residents of Jacksonton
died on Wednesday of last week of paralysis,
at the advanced age of 90 years. Mr. Burt's
parents came to Woodstock from Frederic-
ton some 92 years ago, by steamboat, and
went out to Jacksonville to carve a farm out
of the wilderness. They were among the
very first settlers in that country and the late
Benjamin Burt was the first male child born
there. He leaves three sons, Fraser, who
lives on the homestead, Wilmot of Jacks-
onton and Winslow of Haverhill, Mass., and
three daughters Mrs. Edward Everett of
Jacksonton, Mrs. W. J. Webb of Centre-
ville and Miss Alvaretta Burt of Haverhill,
Mass. Mr. Burt was a man of sterling
character.

The Band.

Mr. Dixon who has been leader of the
67th Regt. Band for the last two years and
has done so much toward the improvement
of that organization has been forced to resign,
owing to other duties of more importance
which press upon his time. His resignation
was reluctantly accepted. The band has se-
cured the services of R. A. Gregory of Fred-
ericton, as leader. Mr. Gregory came to
Woodstock on Monday to take charge. He
played with the band last summer and the
members know him to be a most excellent
leader.

The Band was never in better shape than
it is today and there is some good new
material coming along that speaks well for
the future. Last night the band paraded
and marched on some of the principal streets
and then gave a concert in the square.

It is generally known that the trustees
at first accepted a deed of twelve rods in
width under the impression that that con-
veyed the whole of the land bargained for.
It subsequently appeared that the land so con-
veyed was not the entire piece. However,
Mr. Burt on receiving a further payment of
\$25.00 executed a deed conveying the whole
of the land between the McMullen lands and
of Mr. Alexander.

It was found necessary on account of legal
difficulties to have the title of the whole of
the land vested in the Trustees of the
School District as ordinary school property.
But a clause was introduced in the deed re-
citing that, whereas a certain portion of the
purchase money had been raised by subscrip-
tion for the purpose of providing a recreation
ground and village green, the said Trustees
undertake that such object shall be carried
out.

It is thus seen that by the expenditure of
\$175.00 the school district becomes the owner
of a property, valued at \$600.00. Further
the McDonald fund has ploughed, manured,
and will fence the school garden, and has also
planted out a number of valuable shrubs,
provided all the seeds used, and also all the
necessary implements, both those for the use
of the children and also larger tools, such as
seed drill, cultivator, and wheel-barrow and
has also paid for all hired labour put upon the
garden.

The district therefore is not at any expense
whatever on account of the garden, beyond
the amount voted at the annual meeting in
1903 viz \$175.00, \$50.00 of which was as-
sessed last year the balance \$125.00 was
borrowed at 5% interest to be repaid in three
annual instalments. But on the contrary
becomes the owner, without cost, of the
implements provided, and the improvements
made.

The trustees are aware that there has been
some adverse comment regarding their action
in finishing the vacant class room. They are
of the opinion that those persons who make
such adverse comment are not fully informed
of the circumstances under which the work
has been performed. All three departments
are now nearly full. Children are multiplying
in the district, and it is only a question of a
very few years, before an additional depart-
ment will be needed to accommodate the
pupils of the district. In the meantime Mr.
Brittain, the Superintendent of the McDon-
ald fund, felt that he could teach his classes
better and interfere less with the regular
routine of the school, if an additional room
could be provided, and he offered us \$60.00
towards the expense of finishing the fourth
room. Your trustees thought that such an

offer was too manifestly favourable to the
district to be refused, and they therefore
closed with it. The finishing of the room
has cost the sum of \$126.00 of which amount
Mr. Brittain has paid out of the McDonald
fund \$60.00. In addition to that he has
furnished the room with 40 chairs, 2 tables
and 1 cabinet and a quantity of apparatus,
the whole \$60.00. These all become the
property of the district. So that the result
is that we have the room finished and furnis-
hed at an expense to the district of \$66.00
only or very little more than one third of the
actual cost.

Connell-Brown.

In Quebec Saturday afternoon A. B.
Connell, K. C., of Woodstock, and Annie,
eldest daughter of Robert Brown, Esq., of
Greenbank, were united in marriage shortly
after the arrival of the steamship Bavarian
on which Miss Brown had been a passenger
from England. Before returning to Wood-
stock Mr. and Mrs. Connell will visit several
of the Canadian cities.

Mr. Connell is one of the most widely
known and successful Barristers in the
province and is President of the New Brunswick
Barristers' Society.

Adams-Graham.

A pretty home wedding occurred at the
residence of Simon Graham, Bloomfield, on
Wednesday, June 8th, at 5.30 p. m., when
his daughter, Eunice C., was united in
marriage to Kenneth McKay Adams by Rev.
E. C. Turner in the presence of eighty guests.
The parlors were tastefully decorated with
trailing vines and apple blossoms and the
bridal party stood under an arch of the same
surmounted by Canadian and American flags.
The bride wore a white dimity dress and
tulle veil caught with lilies of the valley and
smilax and carried a bouquet of the same.
Miss Nellie Nye, of Bloomfield, acted as
bridesmaid while the groom was supported
by John Graham brother of the bride. The
presents were numerous and a pleasing com-
bination of the beautiful and useful. The
young couple will reside in Littleton.

Clark-Scott.

At the residence of Mr. and Mrs. C. N.
Scott yesterday (Tuesday) morning at 9.30
o'clock, their youngest daughter, Lina, was
united in marriage to Artemus Clark of
Perth. The ceremony was performed by the
Rev. W. B. Wiggins, B. A., in the presence
of the relatives of the bride and groom. Mr.
and Mrs. Clark left on the express for Perth.

Rogers-Shea.

At the residence of the bride's father, Eli
Shea, on Wednesday evening, June 8th, his
daughter, Edna M., was united in marriage
to Ansel Rogers. The 67th Regt. band of
which Mr. Rogers is a member serenaded the
happy couple during the evening. Among
the many valuable presents received by the
bride were those from the band and from
Mr. Rogers fellow employees in Alex. Dun-
bar & Sons machine shops.

Almost Another Murder Case.

A shooting affair that was evidently
intended for murder and might easily have
been so, happened in Hartland last Friday
night. A young man who had gone west a
couple of years ago and left his wife in Hart-
land had become suspicious of her and came
home quietly about ten days ago and was
hanging about the village watching the house
in which she lived.

On Friday night he saw a young man enter
the house and he thought that was his
time to declare himself. He entered and
found his wife and the young man in a
dark room together. He thought the situa-
tion sufficiently compromising to demand
heroic measures and he drew a revolver and
fired two shots but as it was dark he
did not succeed in hitting anyone.
He was overpowered and the weapon taken
from him. The shots aroused some of the
citizens and in a few minutes about twenty
five people were on the scene and reduced
the injured husband to a calmer frame of
mind.

Before the husband returns west he is
likely to make things hot for some one.

The latest news is to the effect that the
Brighton Engineers will not go into local camp
at East Florenceville but will go into Brigade
Camp at Sussex on the 28th.

The Methodist Conference opens in the
Methodist church at Fredericton tomorrow
morning at 9 o'clock. The ministerial session
is meeting today. The Rev. G. A. Ross
went down last night to attend.
