OBITUARY.

Canterbury.

The remains of D. D. Lutwick arrived t Meductic Saturday morning, May 14th, for burial. W. S. Tompkins who was advised by telephone made arrangements for his burial. At 10.30 the procession formed in front of Theo. Edwards store. Rev. Mr. Barton was the officiating clergyman. The procession proceeded to the Baptist cemetery where burial services were held. The remains were accompanied by Mrs. Lutwick and two children, Graham K., a student at the U. N. B., and Marie who was attending the Normal school.

The late D. D. Lutwick who died so suddenly of heart failure at his home, Alma, Albert County, was born at Meductic where a brother and sister Mrs. Geo. Clynick still live. When quite a young man Mr. Lutwick went to Albert County where he leaves a large circle of friends to mourn the loss of a kind hearted friend and brother. He will be remembered for his sterling qualities and christian character. He was well known all over the County of Albert having served for twenty years as manager for the Alma Lumber and Shipbuilding Company. When this company changed hands he was appointed general surveyor which position he filled up to the time of his demise. For fourteen years he represented the people at the municipal board occupying the warden's chair for several sessions. He was a Free Mason, Forester and Parish Count Commissioner. Though always benevolent to deserving charities he possessed a keen perceptive business ability and accummulated a competency quite early in life.

Mrs. Lutwick and family spent Sunday at Meductic, guests of Mrs. W. S. Tompkins. They took the Aberdeen for Fredericton on Monday.

Victoria Day.

On Victoria Day the stores in Woodstock were closed in a manner in which no one has seen them closed for years, except on Sunday. The merchants simply closed up and left their places and one couldn't in a store at any cost. There were some interesting races on the rack that drew a large crowd. The results were as follows:-

SUNDAY SCHOOL ASSOCIATION

Sudden Death of a Former Resident of Twenty-Ninth Annual Convention of the Carleton County Sunday School Association, at Hartland, N. B.

> The Twenty-Ninth Annual Convention of the Carleton County Sunday School Associa tion opened in the Free Baptist church at Hartland, N. B., on Monday, May 16th, 1904, at 7.30 o'clock.

The song services throughout the meetings were conducted by Massrs. Fullar and Meredith, of New York.

The first address of the convention was given by Rev. A. Lucas. Subject, "Our Opportunities in the Primary Department." He said that this subject was first on the programme because of it being of first or primary importance in church work. The greatest opportunity to extend church work was to be found in this department.

Mr. G. C. Fullar dealt with the subject 'Music in the Sunday School," in an interesting manner. Music is of vital importance in Sunday school work and should be given

its proper place, not used as a "fill in." Mr. I. H. Meredith spoke of the manner in which to interpret Sunday school music, showing how different songs should be sung. Mr. Alfred Day, of Detroit, Michigan, gave an interesting address on "The Personality of the Book and the Child."

Tuesday morning session opened with song and praise service conducted by G. C. Fullar. Scripture passages of praise came from all over the audience. President, J. T. G. Carr, was unable because of illness to leave his home. Rev. W. J. Fowler occupied the chair. The reports of the several departments were read. Mrs. L. London, primary superintendent, regretted the lack of co-operation in the paimary work necessary to success. Rev. D. Fiske, normal superintendent, reported about eighteen or twenty students who would be ready to take normal examina-

tions. There had been students at Kirkland, Debec, Pembroke, Bristol, Knoxford, Biggar Ridge, East Florenceville. Home Depart-

The Woollen Mills Case.

An execution for taxes was served on the Woollen Mills Company some days ago and some woollen goods were taken and were to have been sold at auction on Monday but F. B. Carvell served an injunction on the auctioneer and the sale is postponed for the present.

In 1891 a resolution was passed in the town council providing that exemption from taxation for a period of ten years would be granted to any concern that would establish a Woollen Mill here.

A mill was established in that year and after running a number of years the company failed and a new company took over the plant and continued the business. Exemption from taxation was granted the original company as well as the new company for a period, in all, of ten years, since when the town authorities think the mill should be taxed. The new company think they should have exemption for a period of ten years from their formation.

The hearing on the injunction will be at Fredericton on June 7th.

At The Rifle Range.

There was a good attendance at the first match of the season held at the rifle range on the 24th. The wind was a little too high for good shooting. Following is the score:-

Sentenced for Bigamy.

A dispatch from Sioux Falls, South Dakota, dated May 14th says :- Four years imprisonment at hard labor in Sioux Falls penitentiary is the punishment meted out by Judge Jones of the State Circuit here to Rev. Charles A. Lyons, who pleaded guilty to the charge of bigamy preferred by a Sioux Falls young woman.

It was definitely ascertained that Lyons had wives in Montreal, Can.; Cincinnati, O.; Providence, R. I., in Texas and in Colorado. The authorities say he has as many as twenty or twenty five in different parts of the United States.

[A gentleman of this name came to Woodstock a few years ago and assumed the pastorate of the Advent church. Later he preached for the Free Baptist denomination at Hartland, while in Woodstock he married a young lady of this town. After being in Hartland a short time he left rather under a cloud and very little has been heard of him since until this news from Sioux Falls.

Death of Mrs. Wm. D. Smith.

Mrs. Wm. D. Smith died quite suddenly at the home of her son Chas. L. Smith yesterday morning. She was in her 89 year, and had been ill for a time, but was apparently improved. The surviving family is made up of two sons, Charles and Henry and three daughters. Mrs. W. A. Haley, Mrs. Ambrose Haley, and Mrs. J. H. Freeman. The funeral will take place tomorrow afternoon.

ment work was about the same as last year. No report of temperance work. The parish reports were read by the different representatives of parishes. Six reported as doing good work.

REPORT OF EXECUTIVE.

The executive of Carleton County Sunday School Association wish to express their heart felt thanks to Almighty God for all the tokens of His favor during the past year.

As officers we have sought to do our duty to the best of our ability. Though the members of the executive are scattered from Bristol to Benton, we have managed to hold four meetings, in endeavoring to arrive at which some of the members have shown special self-denial. We planned our work conscientiously; we have tried to carry out our plans, and have had encouraging success. During the month of January, conventions were held in every parish except Woodstock, all of which were attended by our faithful field secretary. Woodstock parish held a convention of three sessions at Benton in February the character of which was much above the ordinary.

In response to urgent calls and with a view to making our association more helpful to especially needy parts of the county, and not being able to secure voluntary workers your executive at its March meeting arranged to employ a county field worker for one month, and we were successful in obtaining the services of Rev. D. Fiske, whose report will be given this morning.

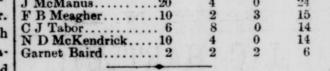

It is with deep sorrow that we miss from our ranks to day the whole souled and devoted worker Mrs. Jas. Bearisto. The memory of her ethusiasm is an inspiration to all those who had the honor of her acquaintance to be untiring in loving service of the master.

As we frame our report our hearts prompt us to pay a well deserved tribute to him who with mental eye so viligant, and in labors so abundant has for the last thirteen years been our worthy provincial field secretary. Our province stands high in modern progressive Sunday School work; and large indeed is the share Bro. Lucas has had in raising it to the standard. May the presence of the Lord go before him, to whatever field cf labor he may enter, and may we be ready to co-operate with his successor.

With reference to a county field worker the six weeks service rendered has been not only practically appreciated, but has revealed as never before the urgent need for such work.

In committing our work to those who shall follow us in the responsibility of office we trust that they will deeply realize the importance of the King's business in that respect, and the abundant success that may be

He Ran Away.

A young fellow named Burton, representing Collier's Publishing House, who has been in Woodstock for the last 38 days, stopping at the Aberdeen Hotel, left on Saturday night and neglected to pay his board bill. The manner of his going was not nice. He hired a horse and carriage from Gallagher Bros and drove to the lower station when he got aboard the train. He left the horse, a spirted animal, standing near the track. She became frightened and ran down the track shead of the express to Dickinson's tannery and then came home on the road. The waggon was badly smashed but fortunately the horse was not seriously injured. It is not known where Burton is now.

Answer to "Veritas."

Editor Dispatch :--

The party who wrote the communication in the Press this week and was too cowardly to sign his name to it, evidently did not know what he was saying when he spoke of the managers of the park making \$1200.00 at the last carnival. We would say for the information of 'Veritas' and his friends that he can lease the Trotting Park for the Carnival days if he will agree to give good races and pay \$1400 in purses as we propose to do.

Summer Carnival.

The Woodstock Annual Summer Carnival is now an assured success. One can not be quite sure of this ever, till after the collecting committee has done the town, but now that the committee has been around there is enough money in sight to make the sfair a greater success than ever.

The following synopsis of the treasurer's statement for last year may be of interest at this time:-Received from collectors, \$711.26; expended on bands \$301.50, sports etc \$162.50, advertising \$157.11, sundries \$9 60; total, \$630.71; surplus balance \$80.55, interest \$1.66; balance now on hand \$82.21.

The date finally set for the Carnival is Tuesday and Wednesday July 12th and 13th. The committee stand as published last week with these corrections, the finance committee consists of F. B. Carvell, E. W. Mair, Coles Dugan, and Rankin Brown.

J. T. Allen Dibblee, E. R. Teed and H. P. Baird chairman, added to the transportation committee.

G. H. Harrison added to the advertising committee.

There will be a meeting in the council chamber this evening, when the finance committee will report and the appropriations will be passed.
