VICTORIA DAY will no doubt be fittingly observed in Woodstock. Horse races will be held at the trotting-park and a game of baseball will also be played. The proceeds of these sports will be given to the Carleton County Hospital. It is to be hoped that all will be able to get the benefit of a holiday upon this occasion. It would be well if an arrangement could be made among the business men of the town so that all places of business could be closed and the employees enabled to enjoy a holiday with the rest of us. Let it be understood that everyone is to have a holiday.

SEVERAL of the promoters of the summer Carnival met Mr. Perry the Passenger Agent of the C. P. R. at the council chamber last week when satisfactory rates were given over the railway and plenty of cars promised to handle the excursions. The intention is to have a bigger carnival this year than ever before. There will be more special attractions than in previous years. The annual meet of the New Brunswick Trotting Association will be held in the park on the carnival dates and a big field of horses will undoubtedly be on hand. Last year the sports on the river were omitted owing to a lack of interest. An effort should be made this year to have a good programme of river sports such as we had some years ago. It was one of the best attractions at the carnival.

**SAVED THE BABY.**

"I was not a believer in advertised medicines," says Mrs. Chas. VanTassel, Digby, N. S., "until I began using Baby's Own Tablets. When my last baby was born we never hoped to raise her. She was weakly, did not have any flesh on her bones, and a bluish color. The doctor who attended her told me she would not live. After reading what other mothers said about Baby's Own Tablets I decided to try them, and I must now honestly say I never had such a valuable medicine in my home. It has changed my poor, sickly, fleshless baby into a lovely child, now as fat as a butter ball. Words fail to express my thanks for what the Tablets have done for my child, and I can only urge that other mothers do as I do now, keep the Tablets in the house always." Baby's Own Tablets positively cure all the minor ills of babyhood and childhood, and the mother has a guarantee that they contain no opiate or harmful drug. Sold by all druggists or sent by mail at 25 cents a box by writing the Dr. Williams Medicine Co., Brockville, Ont.
