Fatally Injured in Hockey Game.

As a result of injuries received in the hockey match at Woodstock Monday night Handford McLean, sixteen years old, son of Mr. and Mrs. Lemuel McLean, died at his home at Marysville Wednesday. Deceased was playing with the Marysville team and received a blow on the head from a puck.

His condition was not at first regarded as serious and he was able to return home. Tuesday he took a bad turn and Dr. Fisher discovered he was suffering from concussion of the brain. Drs. Atherton and Fisher performed an operation, removing pieces of the skull about the size of a fifty cent piece. The patient failed to rally and passed away at 3 o'clock. He was sixteen years of age and a bright and promising youth. Death under such circumstances has cast a gloom over the community. It is not likely that Marysville hockey players will take part in any more games this season.—F'cton. cor. St. John Telegraph.

Mother's Advice.

"I would advise mothers to stop dosing their little ones with nauseous castor oil and soothing stuffs, and use only Baby's Own Tablets." This is the advice of Mrs. Joseph E. Harley, of Worthington, Ont., who has proved the Tablets the best medicine in the world for the troubles that afflict young children. Mrs. Harley adds:—"My little one has had no other medicine but the Tablets since she was two months old, and they have kept her the picture of good health." These Tablets are good for children of every age, and speedily cure all stomach and bowel troubles, break up colds, prevent croup, expel worms and allay the irritation of teething. And you have a solemn guarantee that there is not a particle of opiate or harmful drug in this medicine. Sold by all dealers or sent by mail at 25 cents a box by writing The Dr. Williams Medicine Co., Brockville, Ont.
